POSITIVE PROFIT ALERT

This announcement is made by the board of directors (the “**Board**”) of Medicskin Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the year ended 31 March 2026 and other information currently available, the Group expects to record a consolidated profit attributable to owners of the Company in the range of approximately HK\$0.5 million to HK\$1.5 million for the year ended 31 March 2026. This represents a turnaround compared to the net loss attributable to owners of the Company of approximately HK\$3.4 million for the year ended 31 March 2025.

The Board considers that the aforesaid turnaround from a loss to a profit position was mainly attributable to (i) an increase in the Group’s revenue for the year ended 31 March 2026 compared with the prior year, driven by growth in the number of treatment service clients and higher client visits for treatment services; and (ii) cost savings resulting from reduced rental expenses, which lowered the depreciation of right-of-use assets, and staff cost reductions.

As the Company is still in the process of finalising the consolidated results of the Group for the year ended 31 March 2026, the information contained in this announcement is based solely on a preliminary assessment by the Board, using currently available information and the unaudited consolidated management accounts of the Group for the year ended 31 March 2026. These accounts have neither been audited nor reviewed by the Company’s auditor. Accordingly, the actual financial results of the Group may differ from those disclosed in this announcement. The audited consolidated results of the Group for the year ended 31 March 2026 are expected to be published on 22 June 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
