VOLUNTARY ANNOUNCEMENT BUSINESS UPDATE

This announcement is made by hmvod Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company is pleased to announce that the Company has recently entered into a legally binding agreement with a business partner, an independent third party, in relation to the concert “TERESA CHEUNG Concert Tour in Macao” to be held in Macau in August 2026. As one of the concert organizers, the Company will jointly participate in the execution and management of the concert.

Leveraging its established assets, industry relationships and expertise within the media and entertainment sector, the Group has developed a new business line in event management in order to broaden its income streams, strengthen audience engagement, and drive strong operational synergies with its core over-the-top (“**OTT**”) platform. This bilateral synergy allows the Group to convert transactional ticket purchasers into recurring subscribers, while utilizing its OTT platform and its established user base as a zero-cost marketing engine to promote and drive the commercial success of the events, thereby expanding brand visibility and supporting the Group’s long-term growth strategy.

Capitalizing on the strategic business partner network built on management’s industry connections, the Group is in active and ongoing discussions with strategic partners regarding several potential event management opportunities. The Company plans to devote greater resources to the event management business, with a view to building a robust project pipeline with an aggregate contract value of not less than HK\$20 million over the coming 12 months. The Company is committed to actively pursuing this expansion strategy to enhance the profitability and drive sustainable growth of the Group.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company and to consult with professional adviser(s) if in doubt.
