PROFIT ALERT – ESTIMATED INCREASE IN LOSS FOR THE SIX MONTHS ENDED 30 JUNE 2026

This announcement is made by Sing Lee Software (Group) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Period**”) and the information currently available, the Group is expected to record increase in loss to approximately RMB8,500,000, as compared to a loss of approximately RMB7,655,000 for the six months ended 30 June 2025 (the “**2025**”).

Based on the information currently available, the Board considered the increase in loss was primarily attributable to a shift to gross loss driven by an increase in materials costs and staff costs as compared to gross profit recorded in 2025, an absence of the reversal of impairment losses related to the recovery of long outstanding receivables, which offset by an increase in other gains and losses.

As at the date of this announcement, the Company is still in the process of preparing and finalising its interim results for the Period. The information contained in this announcement is based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Group and current information available for the Period, which has not been audited or reviewed by the Company’s independent auditors or the audit and risk
