UPDATE ON FINANCIAL INFORMATION

This announcement is made by WebX International Holdings Company Limited ("**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited ("**GEM Listing Rules**") and the Inside Information Provisions (as defined under the GEM Listing Rules).

Based on the preliminary assessment of the latest information available, including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 ("**2026H1**"), the board ("**Board**") of directors ("**Directors**") of the Company wishes to inform the shareholders and potential investors of the Company that the Group has substantially reduced its loss before tax for the period from approximately HK$7.9 million for the six months ended 30 June 2025 ("**2025H1**") to a loss before tax in the range of approximately HK$1.0 million to approximately HK$3.0 million for 2026H1. The decrease in loss was primarily attributable to an overall increase in gross profit, which was mainly due to an increase in sales of functional knitted fabrics, apparel and yarns segment of the Group, partially offset by an increase in administrative and other expenses during the period.

As the Company is still in the process of finalising the results of the Group for 2026H1, the information contained in this announcement is only a preliminary assessment by the management of the Company with reference to the information currently available including the unaudited consolidated management accounts of the Group for 2026H1, which has not been audited or reviewed by the auditors of the Company nor reviewed by the audit committee of the Board. There may be changes or adjustments following further review of the unaudited consolidated management accounts for 2026H1 by the Board. Finalised results of the Group for 2026H1 and other details will be disclosed in the results announcement for 2026H1 to be published by the Company.
