The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Current Period**”) and other information currently available to the Board, the Group is expected to record a revenue of approximately HK\$6 million and a net profit of not less than HK\$0.7 million for the Current Period, as compared to a revenue of approximately HK\$16.5 million and a net profit of approximately HK\$0.7 million for the six months ended 30 June 2025.

The anticipated decline in revenue was primarily due to the decrease in revenue derived from the sale of goods business, which was partially offset by the increase in revenue derived from the consultation business related to immigration and education consultation services of individuals. The consultation business is expected to generate a higher gross profit margin comparing to the sales of goods business.
