ANNOUNCEMENT OF INTERIM RESULTS 2026 FOR THE SIX MONTHS ENDED 30 JUNE 2026

CHARACTERISTIC OF THE GEM OF STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-size companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risk of investing in such companies and should make the decision to invest after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of China Health Group Inc. (the “Company”) collectively and individually accept responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the “GEM Listing Rules”) of the Stock Exchange for the purpose of giving information with regard to the Company and its subsidiaries (together, the “Group”). The Directors, having made all reasonable enquires, confirm that, to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and there are no other matters the omission of which would make any statement herein or this announcement misleading.

The Company is an investment holding company. The principal activities of its subsidiaries are to provide fully integrated pharmaceutical services including clinical research services, post marketing surveillance, real-world study, medical science events, medical marketing and product promotion service, and other medical services. The Company is focusing on building itself into a group corporation providing comprehensive terminal medical service under international architecture.

2. Adoption of new and revised international financial reporting standards

In the current Period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") that are relevant to its operations and effective for its accounting year beginning on 1 January 2026. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards ("HKAS"); and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current Period and prior periods.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

3. Accounting policies and basis of preparation

These unaudited condensed consolidated financial statements have been prepared in accordance with HKAS 34 Interim Financial Reporting and all applicable HKFRSs issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), accounting principles generally accepted in Hong Kong and the applicable disclosure provisions of the Rules Governing the Listing of Securities on The GEM of the Stock Exchange (the "GEM Listing Rules") and by the Hong Kong Companies Ordinance.

The accounting policies adopted in the preparation of these unaudited condensed consolidated financial

statements are consistent with those followed in the preparation of the Group's audited consolidated financial statements for the year ended 31 December 2025 except for the changes in accounting policies, if required, in adopting new or revised HKFRSs and interpretations that are first effective for accounting periods beginning on or after 1 January 2026.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSSINESS REVIEW

Since listing, China Health Group has provided full chain services from drug research and development to marketing, focusing on drug research and development (PDS), registration, and premarket clinical research in the early stage. In the later stage, it gradually focused on post-marketing clinical research, especially real-world clinical research (CHG RWS); Among the post-market clinical research-driven marketing Outreach Services (CRSO) and Specialty Medical Services (CHG MyD), bioequivalence studies, as a specialized service, are also included in CHGRWS.

The Group's business vision is to become a leader in real-world clinical research services, focusing on the five major areas of mental illness, neurological disease, allergic disease, rare disease and viral infectious disease, through the construction of RWD(Real world data) RWS(Real world clinical research) AI(artificial intelligence) three core competencies.

We offer three major business services for the life sciences,

- 1 "Research specialty" of precision digital medicine
- 2.RWS drug clinical research replaces RCT
- 3 Replace CSO with "research product promotion CRSO service.

Since the first half of 2026, the domestic economy has continued to decline and the pharmaceutical industry has also encountered challenges, but the Group's business has also developed steadily, especially the post-marketing CRSO business, with strong demand. In terms of scientific research services, the group's "RWS Wanquan Center" is a surefire way to re-screen and group existing drugs through real clinical research with big data to find the best treatment. The Group established a biological sample testing laboratory, equipped with Waters UPLC-MS/MS.Xevo TQS, which was officially opened to the public. The laboratory mainly serves clinical research, especially clinical research experiments of antiviral drugs.

FINANCIAL REVIEW

The Group achieved a turnover of RMB22,953,295 during the Period, representing an increase of approximately 6.17% from RMB21,620,241 as compared with that of the corresponding period of 2025.

The condensed consolidated turnover included approximately RMB22,953,295 derived from the post marketing surveillance, real-world clinical research, medical science and medical market services (PMS), amounted to 100% of the total turnover, which was representing an increase of approximately 6.17% from RMB21,620,241 as compared with that of the corresponding period of 2025.

The Group recorded a profit before taxation of approximately RMB11,172,000 for the Period, representing an increase of 9.17% from RMB10,234,000 as compared with that of the corresponding period of 2025. The net profit for the current period was approximately RMB9,496,000, an increase of 9.16% compared to the net profit of RMB8,699,000 for the same period last year.

The total general and administrative expenses and employee costs for the current period were approximately RMB3,646,000, representing a decrease of 1.96% compared to approximately RMB3,719,000 for the same period last year.

LIQUIDITY, FINANCIAL RESOURCES AND GEARING RATIO

As at 30 June 2026, the Group's net current assets and its net assets were approximately RMB56,956,000 (31 December 2025: approximately RMB47,151,000) and approximately RMB64,251,000 (31 December 2025: approximately RMB54,755,000) respectively.

During the Period, the Group financed its operations with its own working capital. The Group did not have any bank borrowings (31 December 2025: nil) and hence the gearing ratio (31 December 2025: not applicable) was not applicable as at 30 June 2026.

Meanwhile, considering the working capital and long term fund demand for future development, the Group will consider to raise further funds through bank loans, issuance of new shares, convertible notes, and issuance of new debts, etc.

PROSPECTS

At present, as the global economic goes down, the financing of the new drug sector goes cold and the domestic innovative drug industry chain has entered the bubble clearing stage, there is a clear head-effect and the strong constant strong situation in the medical service industry (CXO). We return to the industry as a service company with the goal to achieve the curve overtaking, the main strategy is as follows:

Outlook Unicorn business model in the new blue ocean market

In the business model the Group launched two models in the new era of epidemic and digital healthcare:

1."Research-based Therapy RWS-Therapy Model", which is to carry out clinical and big data

research on five major specialties of clinical and disease through real-world clinical research, to guide medication treatment in research, and to obtain medical big data in treatment and then 2."Digital clinical research-based promotion D-CRCO model" (Digital meta, Clinical Research, Commercialization Organization), using big data clinical Research accurately empowers product commercialization. These two models redefine research-based treatment and research-based promotion as an alternative to traditional treatment and commercialization approaches.

Prospect Build digital medical combat power

Around the core therapeutic areas, we build a comprehensive medical terminal service complex from research and development to patient closure supported by intelligent digital technology and medical technology, forming a closed-loop system from research to rehabilitation and cure. From hospital big data clinical research to digital research product promotion services, to jointly build digital research and development clinical research specialties, to special specialty medical drug clinic, to rehabilitation medical and travel medical services.

Vision Breakthrough in the field of cure - Become a leading research and academic institution in the field of anti-allergy

The anti-allergy treatment cluster we serve is becoming a leading brand. Allergic diseases have become one of the most prevalent threats to human health, with nearly a quarter of adults and a third of children suffering from allergic disorders, and a significant proportion of allergy sufferers causing a host of diseases such as asthma and rhinitis Group Bayer Allergy Center strives to become a leading anti-allergy center worldwide. In the field of anti-allergy, from clinical research to commercial pharmacies, BAYMIN specializes in the BAYMIN area. In cooperation with a number of medical institutions and large chains, we have set up BAYMIN Allergy Specialists and BAYMIN Anti-Allergy Zones. Currently, more than six out of every ten anti-allergy drugs are carried out by the Baymin Clinical Research Center. The Group will be responsible for a series of post-marketing real-world clinical studies on the anti-allergy, asthma and rhinitis RWS-THERAPY and CRCO platforms, serving experts to precisely treat patients in the studies and obtain research results in the treatment. Help companies with digital academic promotion. We will use access to core technologies to conduct more allergy drug studies.

Outlook Pioneer in brain science research and digital academic promotion

The Group's service of Xienka's exclusive global micro-tablet launch has been recognized by doctors and patients. Alzheimer's disease, also often called dementia, is known as a "life and death" disease that is more brutal than "death". The disease slowly erases memories like a rubber, and Alzheimer's disease is the most common cause of dementia and the most common cause of death in older adults. The global prevalence of Alzheimer's disease in the over-65 population is 4-7%, increasing with age, with an average increase of 1% for every 6.1 years of age. Xien's Anti-Dementia Research Group, in the Alzheimer's disease study, is involved in clinical studies of 80% of the products in this field, including Donaquazi, Memantine, Carboplatin and herbal medicines. Brain science will be the bigger field after oncology. Our Xien Brain Digital Clinical Research Center, which has long been dedicated to clinical and big data research in brain science such as stroke, dementia, epilepsy, Parkinson's and acromegaly, has participated in or organized over 60% of the major national clinical studies in brain science, some of which have also won the first or second prize for national scientific progress. We will take advantage of being the number one deadly disease in China for stroke and the number one future medicare payment for dementia to carry out more projects for more benefits.

Outlook Big data labs to discover new drugs to guide medication use

In terms of research services, the Group's "RWS Wanquan Center" has an ambitious plan to re-screen and regroup existing drugs through real clinical studies with big data to find the best cure for all. We study how drugs such as Yueting can prevent and treat diseases such as stroke, chronic obstructive pulmonary COPD, cardiovascular and lung cancer.

Prospects Building digital specialty clinics

In terms of big data medical services, we have established research digital medicine clinics with a number of top medical institutions in Beijing, Shanghai, Guangzhou and digital medical groups such as Gaoji medical, Haiwang Xingchen. Micro medical group and miaozhou medical. and other top 100 chains and digital healthcare groups. Yueting smoking cessation research and treatment specialist, Xien psychological research and treatment specialist, Baimin fever and cough research and treatment specialist, antiviral research and treatment specialist, etc, which will provide significant value to patients.

We are looking forward to launching the Group's branded specialty clinics and pharmacy specialty areas in more hospitals and cloud organizations.

Apart from the details as disclosed under the headings “Directors’ and Chief Executives’ Interests and Short Positions in Shares, Underlying Shares and Debentures of the Company or any Associated Corporation” above and “Share Option Scheme” below, at no time during the Period was the Company, its holding company, or any of its subsidiaries or associated corporations, a party to any arrangement that would enable the Directors and chief executives of the Company or their respective associates (as defined in the GEM Listing Rules) to have any right to subscribe for securities of the Company or any of its associated corporations as defined in the SFO or to acquire benefits by means of acquisition of shares in, or debentures of, the Company or any other body corporate.

SHARE OPTION SCHEME

On 30 June 2015, the Company passed an ordinary resolution at the annual general meeting to adopt a new share option scheme (the “Share Option Scheme”). The Share Option Scheme will remain in force for a period of 10 years commencing from the date of adoption of the Share Option Scheme from 30 June 2015 (the “Date of Adoption”) (that is from 30 June 2015 to 29 June 2025), after which period no further options will be granted but the provisions of the Share Option Scheme shall remain in full force and effect in all aspect. The major terms of the Share Option Scheme are summarised as follows:

Purpose of the Share Option Scheme

- (a) The Share Option Scheme is a share incentive scheme and is established to recognize and acknowledge the contributions and potential contributions which the eligible participants have made or may make to the Group.
- (b) The Share Option Scheme will provide the Eligible Participants with an opportunity to have a personal stake in the Company with a view to motivating the Eligible Participants to utilize their performance and efficiency for the benefit of the Group and attracting and retaining or otherwise maintaining an on-going relationship with the Eligible Participants whose contributions are or will be beneficial to the long term growth of the Group.

The Eligible Participants

The participants of the Share Option Scheme include (i) any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any entity in which any member of the Group holds any interest (the “Invested Entity”); (ii) any discretionary trust whose discretionary objects include any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any Invested Entity; and (iii) a company beneficially owned by any director, employee (whether full time or part time employee), consultant or adviser of or contractor to the Group or any Invested Entity, who, in the absolute discretion of the Board (the “Eligible Participants”), has contributed or may contribute to the Group.

The exercise price of a share option

The exercise price of a share option under the Share Option Scheme will not be less than the highest of (i) the closing price of the Shares on the Stock Exchange as shown in the daily quotations sheet of the Stock Exchange on the offer date of the particular option, which must be a business day; (ii) the average of the closing prices of the Shares as shown in the daily quotations sheets of the Stock Exchange for the five business days immediately preceding the offer date of that particular option; and (iii) the nominal value of a share on the offer date of the particular option.

Maximum number of shares available for subscription under the Share Option Scheme

(a) 30% limit

The overall limit on the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company must not exceed 30% of the Shares in issue from time to time (the “Scheme Limit”).

(b) 10% limit

In addition to the Scheme Limit, and subject to the following paragraph, the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option schemes of the Company must not in aggregate exceed 10% of the Shares in issue as at the date of approval of the Share Option Scheme (excluding any options which have lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of the Company) (the “Scheme Mandate Limit”).

The Company may, from time to time, refresh the Scheme Mandate Limit by obtaining the approval of the Shareholders at a general meeting. Once refreshed, the total number of securities which may be issued upon exercise of all options to be granted under the Share Option Scheme and all other share option schemes of the Company under the limit, as refreshed, must not exceed 10% of the Shares in issue as at the date of approval of the refreshed limit. Options previously granted under the Share Option Scheme and/or any other share option schemes, including without limitation any options which are outstanding, cancelled, lapsed or exercised, will not be counted for the purpose of calculating the refreshed Scheme Mandate Limit.

The total number of shares available for issue under the Share Option Scheme was 88,947,166, representing approximately 8.94% of the total number of issued Shares as at the date of this interim results announcement.

Maximum entitlement of each Eligible Participant

Unless approved by the Shareholders, the total number of Shares issued and to be issued upon exercise of the options granted to each Eligible Participant (including both exercised and outstanding options) in any 12-month period must not exceed 1% of the Shares in issue. Where any further grant of options to an Eligible Participant would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such Eligible Participant (including exercised, cancelled and outstanding options) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the relevant class of securities in issue, such further grant must be separately approved by the Shareholders in general meeting with such Eligible Participant and his associates abstaining from voting.

The share options granted on 30 June 2015 lapsed during the year ended 31 December 2025 upon expiry of their ten-year exercise period. As at 30 June 2026, the only share options outstanding were those granted on 24 March 2021, details of which were announced by the Company on 24 March 2021. As at 30 June 2026, a total of 11,080,000

share options were outstanding, representing approximately 1.11% of the total number of issued Shares as at the date of this report. No share options were granted, exercised, cancelled or lapsed during the Period, and no options were outstanding under any other scheme.

Performance target

Unless otherwise determined by the Directors at their sole discretion, there is no performance target which must be satisfied or achieved before the options can be exercised.

Minimum period for which an option must be held

Unless otherwise determined by the Directors at their sole discretion, there is no requirement of a minimum period for which an option must be held before such an option can be exercised under the terms of the Share Option Scheme.

Subscription price of Shares

The Subscription Price must be at least the highest of: (a) the closing price of a Share as stated in the daily quotations sheet of the Stock Exchange on the date of grant which must be a Business Day; and (b) the average of the closing prices of the Shares as shown on the daily quotations sheets of the Stock Exchange for the five Business Days immediately preceding the date of grant; and (c) the nominal value of a Share.

Amount payable upon acceptance of option

HK\$1.00 is payable by each Eligible Participant to the Company on acceptance of an Offer of an option, which shall be paid within 21 days from the date of offer.

Time of exercise of option

An option shall be exercisable at any time during an option period to be notified by the Board to each grantee, provided that no option shall be exercisable later than ten years after its date of grant.

Saved as disclosed above, no other share options were granted, exercised, cancelled or lapsed during the Period.

CORPORATE GOVERNANCE

The Company's corporate governance practices are based on the principles and the code provisions as set out in the Corporate Governance Code (the "Code") as set out in part 2 of Appendix C1 to the GEM Listing Rules. The principles adopted by the Company emphasis a quality board, transparency and accountability to shareholders. In the opinion of the Board, the Company has complied with the Code for the Period, with the exception for the following deviation:

Under code provision C.2.1, the responsibilities between chairman and chief executive officer should be separated. However, the chief executive officer of the Company has not yet been appointed. Currently, the day-to-day management of the Company's business is handled by the executive Directors and senior management, who take the responsibility to run the Group's business and to implement the Group's strategy so as to achieve the overall commercial objectives of the Company.

Under code provision C.1.6, generally the independent non-executive directors should attend general meetings to gain and develop a balanced understanding of the views of shareholders. Under code provision F.2.2, the chairman of the board should invite the chairmen of the audit, remuneration, nomination and any other committees (as appropriate) to attend. In their absence, the chairman should invite another member of the committee or failing this their duly appointed delegate, to attend. These persons should be available to answer questions at the annual general meeting. An issuer's management should ensure the external auditor attend the annual general meeting to answer questions about the conduct of the audit, the preparation and content of the auditors' report, the accounting policies and auditor independence.

DIRECTORS' SECURITIES TRANSACTIONS

The Company has adopted a code of conduct regarding securities transactions by Directors on terms no less exacting than the required standard of dealings set out in Rules 5.48 to 5.67 of the GEM Listing Rules. The Company also had made specific enquiry of all Directors and the Company was not aware of any non-compliance with the required standard of dealings and its code of conduct regarding securities transaction by Directors during the Period.

AUDIT COMMITTEE

The Audit Committee was established with written terms of reference in compliance with the GEM Listing Rules. The primary duties of the Audit Committee are to review the Company's annual reports and accounts, half-yearly reports and internal control system of the Group and provide advice and comments to the Board. The Audit Committee has three members comprising the three independent non-executive Directors, namely Ms. LIU Na, Dr. GUO Tong and Mr. WU Shuangsi. Ms. LIU Na is the chairman of the Audit Committee. The unaudited consolidated results of the Group for the Period had been reviewed by the Audit Committee, which was of the opinion that the

preparation of such results complied with the applicable accounting standards and requirements and that adequate disclosures have been made.
