VOLUNTARY ANNOUNCEMENT PROPOSED EXPLORATION OF THE ARTIFICIAL INTELLIGENCE ASSISTANT BUSINESS

This announcement is made by Famous Tech International Holdings Limited (“**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis by the board (“**Board**”) of directors (“**Directors**”) of the Company. The purpose of this announcement is to keep the shareholders of the Company (“**Shareholders**”) and potential investors informed of the latest development of the Group.

BUSINESS BACKGROUND

The Group is principally engaged in (i) research, development and distribution of personal computer performance software, anti-virus software, mobile phone applications and toolbar advertisement; (ii) operation of a business-to-customer online sales platform and the business-to-business product trading; (iii) securities investment; and (iv) provision of corporate management solutions and information technology (“**I.T.**”) contract services.

PROPOSED EXPLORATION OF THE ARTIFICIAL INTELLIGENCE ASSISTANT BUSINESS

In order to capture the development opportunities presented by artificial intelligence (“**AI**”) technology, and to deepen the Group’s business presence in the fields of corporate management solutions and I.T. contract services, the Group is exploring the feasibility of expanding into the AI application business. Specifically, the Company has preliminary plans to develop an AI business segment focusing on an intelligent work assistant (“**Project**”).

The Project is intended to integrate advanced AI technology into enterprise and individual work scenarios and, through intelligent and modular work assistant services, to assist users in achieving the intelligent reshaping of their workflows and improvements in efficiency. The directions of AI business development which the Group intends to explore include:

- **AI applications for work scenarios:** exploring the introduction of AI technology into different vertical industries and day-to-day workflows, so as to provide intelligent collaboration and support services; and
- **Enterprise AI solutions:** combining the Group's existing corporate management and I.T. service capabilities to provide enterprise customers with customised AI work assistant integration solutions.

As at the date of this announcement, the Group has not entered into any material binding agreement in respect of the development, acquisition or licensing of any assets for the Project, and no assurance can be given that the Project will be materialised.

IMPLEMENTATION PLAN

As the Project remains at an early stage, the Group will adopt a prudent and market-driven approach in developing the above initiatives. Subject to actual business requirements and market conditions, the Group plans to carry out the preliminary feasibility study principally using its existing internal resources and technical team, and will assess, as and when appropriate, the feasibility of engaging professional personnel or external technology partners. Based on the Group's initial set-up plan, the initial set-up cost of the Project is estimated to be in the range of HK\$6 million to HK\$10 million, which is intended to be funded by the internal resources of the Group. Funding requirement is expected to be met in stages in the coming one to two years.

As at the date of this announcement, as the Project remains at a preliminary assessment stage, it has not had any material effect on the financial position or the results of operations of the Group, and it is not possible to reasonably estimate the financial contribution which it may bring in the future.

ONGOING EXPLORATION OF OPPORTUNITIES

The Group will continue to explore new investment and business opportunities with a view to achieving sustainable growth and delivering greater long-term returns to Shareholders. Such efforts include expanding the scope of services across business segments.

The progress of the relevant businesses is subject to various uncertainties, including but not limited to technological, market, regulatory and operational risks. The Company will make further announcement(s) in accordance with Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) as and when appropriate.

Shareholders and potential investors should note that the information contained in this announcement is based on the current preliminary concepts and plans of the Company and constitutes forward-looking statements. Due to various risks and uncertainties, actual progress or results may differ materially from those expressed or implied in such forward-looking statements.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
