CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate; (ii) the re-election of Directors; and (iii) the proposed re-appointment of the auditor.

ISSUE MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

At the annual general meeting of the Company held on 29 September 2025, the Directors were granted, among other things, (a) a general and unconditional mandate to allot, issue or otherwise deal with Shares (including the resale and transfer of treasury shares) not exceeding 20% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution; (b) a general and unconditional mandate to repurchase, on the Stock Exchange, Shares up to a maximum of 10% of the aggregate number of the issued Shares (excluding treasury shares, if any) as at the date of passing of the relevant resolution; and (c) the power to extend the general mandate mentioned in (a) above by the aggregate number of Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to in (b) above. The abovementioned mandates will expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be granted the Issue Mandate, i.e. a general and unconditional mandate to allot, issue or otherwise deal with new Shares (including any sale and transfer of treasury shares out of treasury) up to a maximum of 20% of the aggregate number of the issued Shares (excluding treasury shares, if any) as at the date of passing of the relevant resolution. As at the Latest Practicable Date, a total of 460,976,684 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 92,195,336 Shares.

The Directors do not have immediate plan to issue any new Shares pursuant to the Issue Mandate. The Company will make further announcement(s) to keep its shareholders and potential investors informed of any developments as and when appropriate.

At the AGM, an ordinary resolution will also be proposed to grant the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares may be listed, Shares up to a maximum of 10% of the aggregate number of the issued Shares (excluding treasury shares, if any) as at the date of passing of the relevant resolution.

In addition, an ordinary resolution regarding the Extension Mandate will be proposed at the AGM providing that any Shares repurchased under the Repurchase Mandate will be added to the total number of Shares which may be allotted, issued or otherwise dealt with under the Issue Mandate.

Subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 46,097,668 Shares.

LETTER FROM THE BOARD

The Directors do not have immediate plan to repurchase any Shares pursuant to the Repurchase Mandate but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchase when appropriate and beneficial to the Company.

Each of the Issue Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the end of the period within which the Company is required by the Companies Act or the Articles to hold its next annual general meeting; or (iii) when revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting.

Under the GEM Listing Rules, the Company is required to give to all Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the AGM. An explanatory statement for such purpose is set out in Appendix I to this circular.

RE-ELECTION OF DIRECTORS

In accordance with Article 108(A) of the Articles, Mr. Huang Yuanming, Ms. Zhang Jinhua and Mr. Tse Man Kit, Keith will retire as Directors by rotation at the AGM, and being eligible, will offer themselves for re-election as Directors at the AGM.

Particulars of the Directors who will offer themselves for re-election at the AGM are set out in Appendix II to this circular.

PROPOSED RE-APPOINTMENT OF AUDITOR

ZSZH (HK) Fuson CPA Limited (formerly known as SFAI (HK) CPA Limited), the auditor of the Company, will retire at the AGM and, being eligible for re-appointment. Following the recommendation of the audit committee of the Board, the Board proposed to re-appoint ZSZH (HK) Fuson CPA Limited as the auditor of the Company with a term expiring upon the next annual general meeting of the Company; and the Board proposed it be authorised to fix the remuneration of the auditor. Having considered factors including, among others, historical audit fees, prevailing market rates, the business of the Group, the expected audit scope, the audit timetable and the auditor's resources, the auditor's fees for audit services are expected to be approximately HK\$890,000.00.

The estimated audit fee is based on the information currently available as at the Latest Practicable Date. The final audit fee may be adjusted if there is a material change in the basis or assumptions upon which the estimated audit fee was determined, including any material change in the scope of the audit work or other relevant circumstances arising in the course of the audit. Save for such material changes, the final audit fee is not expected to differ materially from the estimated audit fee disclosed above.

An ordinary resolution in respect of the re-appointment of the auditor of the Company will be proposed at the AGM for consideration and approval by the Shareholders.

LETTER FROM THE BOARD

Treasury shares, if any and registered under the name of the Company, shall have no voting rights at the general meeting(s) of the Company. For the avoidance of doubt, for the purpose of the Listing Rules, treasury shares, if any, pending withdrawal from and/or transferring through CCASS shall not bear any voting rights at the Company's general meeting(s).

LETTER FROM THE BOARD

RECOMMENDATION

The Directors believe that the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate, the re-election of Directors and the re-appointment of the auditor are in the interests of the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders as a whole.

Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

No Shareholder is required to abstain from voting on any of the resolutions to be proposed at the AGM under the GEM Listing Rules.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

As at the Latest Practicable Date, so far as the Directors are aware, none of the Directors or his/her close associate(s) had any interest in a business which competes or may compete with the business of the Group.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

LETTER FROM THE BOARD

COMPETING INTERESTS

To the best knowledge of the Directors, none of the Directors or the controlling Shareholders (as defined in the GEM Listing Rules) of the Company, nor any of their respective close associates (as defined in the GEM Listing Rules), had any interest as at the Latest Practicable Date that competes or may compete with the business of the Group, which would be required to be disclosed under Rule 11.04 of the GEM Listing Rules.

By Order of the Board
China Technology Industry Group Limited
Huang Bo
Chairman

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you as to the proposed Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit a listed company to repurchase its shares on the Stock Exchange and any other stock exchange recognised for this purpose by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of its shareholders, either by way of a general mandate or a specific approval.

2. SHARE CAPITAL

It is proposed that up to 10% of the aggregate number of the issued Shares (excluding treasury shares, if any) at the date of passing of the resolution granting the Repurchase Mandate may be repurchased by the Company. As at the Latest Practicable Date, there was a total of 460,976,684 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 46,097,668 Shares (which will be fully paid and represent 10% of the Shares in issue (excluding treasury shares, if any) as at the Latest Practicable Date).

If the Company purchases any Shares pursuant to the Repurchase Mandate, the Company will either (i) cancel the Shares repurchased and/or (ii) hold such Shares in treasury, subject to market conditions and the Company's capital management needs at the relevant time any repurchases of Shares are made.

To the extent that any treasury shares are deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury shares deposited with CCASS, (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions; and (iii) take any other appropriate measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASE

Repurchase(s) made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the GEM Listing Rules, the Companies Act and other applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Act, repurchases by the Company may only be made out of profits of the Company, the Company's share premium account or the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that there might be a material adverse impact on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2026, being the date of its latest published audited consolidated financial statements, in the event that the proposed repurchases in the Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
September 2025	0.162	0.135
October 2025	0.147	0.066
November 2025	0.149	0.061
December 2025	0.112	0.065
January 2026	0.100	0.068
February 2026	0.094	0.049
March 2026	0.090	0.055
April 2026	0.074	0.074
May 2026	n/a	n/a
June 2026	n/a	n/a
July 2026	n/a	n/a
August 2026	n/a	n/a
September 2026 (up to the Latest Practicable Date)	n/a	n/a

* Trading in the Company's shares has been suspended with effect from 2 April 2026 and will remain suspended until further notice.

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company, such Shareholder or group of Shareholders would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent that may result in any mandatory offer being required under the Takeovers Code or may result in a public shareholding of less than 25%, the prescribed minimum percentage of the Shares in issue required by the Stock Exchange to be held by the public.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date. In the event that the Company repurchases any Shares, the Company may cancel Shares repurchased and/or hold Shares repurchased as treasury shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchase(s) and in accordance with the relevant laws and regulations.

For the treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall:

- (i) procure its broker not to give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the Treasury Shares deposited with CCASS;
- (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the relevant record date for the dividends or distributions; and
- (iii) take any other appropriate measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

8. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted.

Neither the explanatory statement in this appendix nor the proposed Repurchase Mandate has any unusual features.
