**DISCLOSEABLE TRANSACTION
SUPPLEMENTAL AGREEMENT IN RELATION TO
PURCHASE OF ASSETS**

INTRODUCTION

Reference is made to the announcement of Crypto Flow Technology Limited dated 4 September 2026 (the “**Announcement**”) relation to the purchase of assets. Terms used in this announcement shall have the same meanings as those defined in the Announcement unless otherwise stated.

THE SUPPLEMENTAL PURCHASE AGREEMENT

On 9 September 2026, the parties to the Purchase Agreement entered into a supplemental agreement (the “**Supplemental Purchase Agreement**”) to amend certain terms of the Purchase Agreement.

Pursuant to the Supplemental Purchase Agreement, the Supplier Receiving Agent will no longer act as the receiving agent for the Supplier, and the relevant arrangements, including the payment and refund of the Deposit, will not be carried out. The payment terms for the purchase of the Equipment will be amended as follows:

- (i) 50% of the consideration, being RMB17.2 million (equivalent to approximately HK\$20.0 million) will be paid by Quanta Mind to the Supplier within 3 Business Days upon signing of the Supplemental Purchase Agreement; and
- (ii) 50% of the consideration, being RMB17.2 million (equivalent to approximately HK\$20.0 million) will be paid by the Group to the Supplier within 3 Business Days after satisfactory inspection and acceptance of the Equipment by the Group.

Other than the above, there are no changes to other key terms of the Purchase Agreement.

REASONS FOR THE SUPPLEMENTAL PURCHASE AGREEMENT

The Purchase Agreement was entered into for the Group to purchase the Equipment for the development of the Group's data centre business. The role of the Supplier Receiving Agent was mainly to facilitate the payment of deposit under the Purchase Agreement before the Group has designated the Purchaser for the purchase of Equipment, and such arrangement was arrived at after arm's length negotiations between the Company and the Supplier. As a result of further negotiations between the parties to the Purchase Agreement and completion of certain administrative procedures, it is proposed that the Group will pay all the consideration directly to accounts of the Supplier and no Supplier Receiving Agent will be needed. The parties considered that this would facilitate the arrangements for the purchase of Equipment, and simplify the payment process under the Purchase Agreement. The Directors are of the view that the terms of the Supplemental Purchase Agreement will not affect, but will facilitate the purchase of the Equipment, and also considered that the terms of the Supplemental Purchase Agreement are fair and reasonable, and the entering into of the Supplemental Purchase Agreement is in the interests of the Company and its Shareholders as a whole.
