The board (the “**Board**”) of directors of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the unaudited consolidated annual results of the Group for the year ended 30 June 2026 (the “**Annual Results**” and “**FY2026**” respectively) and the latest information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company ranging from approximately HK\$29 million to HK\$31 million for FY2026, as compared to a loss attributable to equity owners of the Company of approximately HK\$20 million for the year ended 30 June 2025 (the “**FY2025**”).

The expected increase in loss attributable to owners of the Company for FY2026, as compared with that for FY2025, was mainly due to the Group’s business expansion during FY2026, which resulted in a significant increase in employee headcount and, consequently, higher selling and administrative expenses.

The information contained in this announcement is only based on the Board's preliminary assessment of the unaudited consolidated management accounts of the Group and the information currently available which has not been audited by the auditors of the Company or reviewed by the audit committee. Shareholders and potential investors are advised to read carefully the Annual Results announcement for FY2026 which is expected to be published on 30 September 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
