FINANCE LEASE AGREEMENT

The principal terms and conditions of the Finance Lease Agreement are summarised as follows:

Date:	22 September 2026
Parties:	(1) The Purchaser (the lessor) (2) Shaowu Guojian (the lessee)
Assets acquired:	The Leaseback Assets are (i) sixteen sets of gas fire extinguishing devices; (ii) twenty-five sets of warehouse gates and lifting equipment; (iii) three sets of smart logistics systems; (iv) fifty sets of charging systems and equipment; and (v) six sets of weighbridge data acquisition systems.
Consideration:	The Consideration for the purchase of the Leaseback Assets is RMB25,000,000 (equivalent to approximately HK\$29,250,000). The Consideration payable by the Purchaser was based on the original purchase prices payable by Shaowu Guojian for the purchase of the Leaseback Assets as evidenced by the transfer documents agreed upon by the parties. In determining the amount of the Consideration, the Purchaser has made reference to the original purchase prices of the Leaseback Assets, and determined the amount through arm's length negotiation with Shaowu Guojian.
Payment of Consideration:	Subject to the fulfilment of certain conditions, including, among others, the receipt by the Purchaser from Shaowu Guojian of (i) a complete set of documents or documentary proof relating to the ownership of the equipment and any other documents requested by the Purchaser; (ii) evidence of due payments of management fee, security deposit and other fees under the Finance Lease Agreement; and (iii) Shaowu Guojian's declaration that it has legal ownership over the Leaseback Assets and that no encumbrance has been created in respect thereof, the Purchaser shall pay to Shaowu Guojian the Consideration within 7 business days after the fulfilment of the aforesaid conditions. The Consideration will be financed by the Group's internal resources and bank borrowings.
Ownership of the Leaseback Assets:	The Purchaser will be entitled to the Leaseback Assets upon the signing of the Finance Lease Agreement.
Lease term:	The Leaseback Assets shall be leased by the Purchaser to Shaowu Guojian for a term of 36 months commencing from 23 September 2026 and ending on 23 September 2029.

The interest rate was determined by the Purchaser and Shaowu Guojian through arm's length negotiation, and in determining the interest rate, the Purchaser has taken into account the prevailing bank lending rate, creditability of Shaowu Guojian with reference to its credit track record, as well as the interest rate payable by companies comparable to Shaowu Guojian.
Security deposit:	A security deposit of RMB1,250,000 (equivalent to approximately HK\$1,462,500)) shall be payable by Shaowu Guojian within 3 days after the signing of the Finance Lease Agreement to secure the performance of its obligations under the Finance Lease Agreement. In addition, the Purchaser may (i) apply the security deposit to settle the final outstanding amount of the Lease Payments; or (ii) pay it back to Shaowu Guojian without interest after Shaowu Guojian has fully discharged its payment obligation under the Finance Lease Agreement; or (iii) apply the security deposit to offset the amount of consideration for the early buyback of the Leaseback Assets by Shaowu Guojian provided that Shaowu Guojian has fulfilled its obligations under the Finance Lease Agreement and there is no default on the part of Shaowu Guojian (or has there been any default, such default has been cured and the liquidated damages have been duly paid).
Liquidated damages:	If Shaowu Guojian fails to pay any amount of the Lease Payments due or any other amount payable under the Finance Lease Agreement, Shaowu Guojian shall pay liquidated damages from the payment due date, which is equivalent to the product of (i) the amount of late payment; (ii) a daily default rate of 0.05%; and (iii) the number of days from the payment due date to the full settlement date.

Retention consideration:	Subject to the fulfilment of all of Shaowu Guojian's obligations under the Finance Lease Agreement and the payment of the last instalment for the Lease Payments, Shaowu Guojian may repurchase the Leaseback Assets from the Purchaser upon the retention payment at the consideration of RMB100 (equivalent to approximately HK\$117).
