## PROFIT WARNING

This announcement is made by China Ecological Land Management Holdings Group Limited (the "**Company**" and together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2) of the Rules (the "**GEM Listing Rules**") Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and its potential investors that, based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group's accounts (the "**2026 Interim Management Accounts**") for the six months ended 30 September 2026 (the "**Period**") and the information currently available, the Group expects to record a loss attributable to the owners of the Company of not more than HK$8.0 million for the Period, as compared to a profit attributable to the owners of the Company of approximately HK$4.4 million for the six months ended 30 September 2025.

The expected turnaround for the Period was primarily driven by (i) revenue compression under macroeconomic headwinds, with persistently high inflation and sustained high interest rates severely dampening consumer purchasing power, coupled with the Group's strategic shift towards higher-margin customers, resulting in an overall decline in gross profit notwithstanding improvement in gross profit margin; and (ii) the increase in operating expenses, reflecting the Group's stepped-up investment in talent and leased office premises in support of its strategy and long-term competitiveness amid the challenging operating environment.

The information contained in this announcement is only based on the preliminary review by the Board of the preliminary assessment of the 2026 Interim Management Accounts and the information currently available and may be subject to adjustments. The consolidated interim results of the Group for the Period have not yet been finalised, and the information in this announcement has not been reviewed by the audit committee of the Company. The unaudited consolidated interim results of the Group for the Period may be different from the information disclosed in this announcement. Shareholders and potential investors are advised to read carefully the Group's interim results announcement for the six months ended 30 September 2026, which is expected to be published by the end of November 2026 in accordance with the GEM Listing Rules.
