Hong Kong Exchanges and Clearing Limited 香港交易所有限公司

CHIEF EXECUTIVE OFFICER

Hong Kong Exchanges and Clearing Limited (HKEX) is the holding company of The Stock Exchange of Hong Kong Limited, Hong Kong Futures Exchange Limited and Hong Kong Securities Clearing Corporation Limited.

HKEX provides a comprehensive range of pre- and post-trade investment services. Business units serving the key functions of capital markets, derivatives market, electronic business and information services, information technology and clearing and settlement are geared to provide services that will deliver the maximum market contribution and best value.

The Chief Executive Officer (CEO) will have full management responsibility for the performance of HKEX in implementing its strategy of becoming and retaining the leading regional securities and futures market in terms of size, liquidity and product range, and for ensuring HKEX's continuous development of leading-edge facilities with its other corporate functions such as market regulation and support role of Hong Kong's market operators in the wider economy. The successful candidate should also be able to contribute to HKEX's special projects in the Hong Kong Financial Community.

- The successful candidate is likely to possess the following skills and experience:
- A recognised degree in the global economy of securities and future markets
 - Expertise in market regulation
 - Global perspective in the areas of market development of exchanges and clearing houses
 - Understanding of Hong Kong, Hong Kong and China needs
 - Ability to deal with multiple stakeholders, i.e. global players as well as local industry
 - A track record in the area of working with regulatory bodies
 - High quality professional and personal integrity that can be relied on
 - Leadership and communication skills of a high order
 - Broad experience in the application of information technology in management and operation of exchange and clearing houses
 - An ability to provide strategic management in a global context
 - An experience in leading Hong Kong's exchange, clearing and settlement for the Asian & Euro region
 - Ability to act as the primary and international liaison to regulatory and securities bodies which place HKEX in the context of the development of capital markets in China and globally.
- Applicants with full details of qualifications and experience, as well as contact information should be addressed to:
