

## COMPANY PROFILE

PetroChina Company Limited (the "Company") was established as a joint stock company with limited liability under the Company Law of the People's Republic of China (the "PRC") on November 5, 1999 as part of the restructuring of China National Petroleum Corporation (the "CNPC Group"). In the restructuring, the CNPC Group injected into the Company most of the assets and liabilities of the CNPC Group relating to its exploration and production, refining and marketing, chemicals and natural gas businesses.

The Company, one of the largest companies in the PRC in terms of sales, is engaged in a broad range of petroleum and natural gas-related activities, including:

- the exploration, development, production and sale of crude oil and natural gas;
- the refining, transportation, storage and marketing of crude oil and petroleum products;
- the production and sale of basic petrochemical products, derivative chemical products and other chemical products; and
- the transmission of natural gas and crude oil and sale of natural gas.

The American Depositary Shares ("DSs") and H shares of the Company were listed on The New York Stock Exchange and The Stock Exchange of Hong Kong Limited on April 6, 2000 and April 7, 2000, respectively.
