

# Corporate Profile

## 公司簡介

Vedan is a leading producer of fermentation-based amino acids, food additive products and cassava starch-based industrial products in Asia. Our products are sold to food distributors, international trading companies, and producers of food, paper, textile, and chemical products in Vietnam and other ASEAN countries, the PRC, Japan, Taiwan and several European countries. Most of our products are marketed under the VEDAN brand name.

Since the 1970s, our products have been sold in Vietnam, the PRC, and other ASEAN countries. To facilitate market expansion, the Group established Vietnam Vedan in 1991 as our major production base, and in 1995 Vedan acquired a factory in Xiamen to focus on developing the PRC market. Vedan was listed on the Main Board of the Stock Exchange of Hong Kong in 2003. And in 2004, the Group acquired the assets and MSG business of Shanghai Vedan Foods Company Limited as its operation centre in the PRC, signifying its commitment to developing the PRC market.

Leveraging on our excellent location of production facilities in Vietnam and China, our possessing of advanced fermentation production technology and other biochemical processing technology, coupled with the experienced management team, the Group enjoys high level of competitiveness among its peers.

味丹國際是亞洲區域內以醱酵技術生產氨基酸產品、食品添加劑及澱粉工業產品的領先生產製造商。味丹國際的產品銷售予越南及其他東盟國家、中國、日本、台灣以及一些歐洲國家的食品分銷商、國際貿易公司，以及食品、紙類加工、紡織和化學產品生產商，本集團大部份產品均以「味丹」品牌銷售。

自七十年代起，我們的味精產品已銷售到越南、中國及其他東盟國家。為加快開拓市場，本集團於一九九一年成立越南味丹作為主要的生產基地，並於一九九五年收購廈門茂泰廠以專注於發展中國市場。味丹國際於二零零三年在香港聯交所主板上市。二零零四年，本集團收購上海味丹食品有限公司之資產及味精業務作為其中國區營運中心，務求全力開發中國市場。

憑藉我們位於越南和中國的生產設施、所擁有的高級醱酵工藝技術以及其他高級生化加工技術，加上管理層團隊的豐富經驗和知識，本集團對所從事的行業享有優勢競爭力。
