About Champion Technology (stock code: 0092)

Champion Technology (www.championtechnology.com) is a global technology group offering innovative solutions in the areas of communications software, wireless, telematics, e-commerce, security, online entertainment and e-gaming. The Group's solutions are dedicated to bettering the lives of people, enriching lifestyles, promoting health consciousness, preventing accidents, saving lives, as well as promoting probity and responsibility in the conduct of the on-line industry. Such solutions include software-enhanced wireless messaging, radio products and systems, spark proof intrinsically safe communications systems, responsible gaming solutions, as well as networking and Internet access products for customers, network operators, and commercial, government and industrial clients.

With total assets of over \$5.5 billion, the Group has a presence in more than 50 countries through a network of regional offices and distributors. It includes 3 Hong Kong listed companies, namely Champion Technology Holdings Limited and Kantone Holdings Limited, whose shares are traded on the main board of The Stock Exchange of Hong Kong Limited ("HKSE"), and DIGITALHONGKONG.COM, whose shares are traded on the Growth Enterprise Market ("GEM") of the HKSE. The Group also includes a UK subsidiary, which was previously listed on the London Stock Exchange.
