企業管治報告

CORPORATE GOVERNANCE PRACTICE

The Group commits to maintaining and ensuring a high level of corporate governance standards and continuously reviews and improves our corporate governance and internal controls practices. Set out below are the principles of corporate governance as adopted by the Company during the reporting year.

DISTINCTIVE ROLE OF CHAIRMAN AND CHIEF EXECUTIVE OFFICER (“CEO”)

The Chairman of the Board is responsible for leading the Board of Directors in establishing and monitoring the implementation of strategies and plans to create values for shareholders.

The CEO is responsible for managing the operation of the Group's businesses, proposing strategies to the Board and the effective implementation of the strategies and policies adopted by the Board.

THE BOARD

As of 31 December 2005, there were ten members on the Board, which are the Chairman, the CEO, three other Executive Directors, two Non-Executive Directors (“NED”) and three Independent Non-Executive Directors (“INEDs”).

The INEDs are considered by the Board to be independent of the management and free of any relationship that could materially interfere with the exercise of their independent judgments. The Board considered that each of the INEDs brings his /her own relevant expertise to the Board and its deliberations.

None of the INEDs has any business or financial interests with the Group nor has any relationship with other directors and confirmed their independences to the Group.

The Board met regularly during the year and on ad hoc basis as required by business needs. The Board's primary purpose is to set and review the overall strategic development of the Group and to oversee the achievement of the plans to enhance shareholders' value. Daily operational decisions are delegated to the Executive Directors. The Board met four times during the year and the Directors' attendance is shown in the table on page 37. The NED and INEDs may take independent professional advice at the Company's expense in carrying out their functions.
