Notes:

1. Subsequent to the reduction of interests in Asia Standard International Group Limited to below 50% in January 2005, Asia Standard changed from a subsidiary to an associated company and accordingly its results and assets and liabilities are consolidated up to December 2004 and equity accounted for thereafter.
2. Over the past five years, the Group has changed some of its accounting policies following changes in the accounting standards in Hong Kong. However, certain prior year figures have not been restated as explained below since the Director consider that this would involve undue delay and expense.

The Group has changed certain of its accounting policies following its adoption of new/revised Hong Kong Financial Reporting Standards ("HKFRS") which are effective for accounting periods commencing on or after 1st January 2005. HKFRS was adopted in 2006 with 2003, 2004 and 2005 figures restated in accordance with the relevant requirements of the new/revised HKFRS. The figures prior to 2003 have not been restated.
