Certificates

Only certificates for Shares issued by the Hong Kong Share Registrar will be valid for delivery in respect of dealings effected on the Stock Exchange.

Shares held on the Australian Share Registry are in uncertificated form. The Company, through its Australian share register, operates an issuer sponsored sub-register. In addition, the Company participates in the Australian security transfer system known as the Clearing House Electronic Sub-Register System, commonly called CHESS. Shareholders whose Shares are held on the Australian register and who elect to have their shareholding managed by a broker will have their holding recorded by the Australian Share Registry on the CHESS sub-register. All other shareholders whose Shares are held on the Australian register will have their holding recorded on the issuer sponsored sub-register. Within five business days in Sydney after the date of issue of shares held on the Australian register the Australian Share Registry will send Shareholders on the issuer sponsored sub-register a notice advising them of the opening balance of their holdings. Where Shares are to be issued through CHESS, the Share Registry will deliver the Shares to the account specified by the relevant shareholder by no later than five business days in Sydney following the date of issue.

SETTLEMENT

Investors in Hong Kong must settle their trades executed on the Stock Exchange through their brokers directly or through custodians. For an investor in Hong Kong who has deposited his Shares in his stock account or in his designated CCASS Participant’s stock account maintained with CCASS, settlement will be

effected in CCASS in accordance with the CCASS Rules in effect from time to time. For an investor who holds the physical certificates, settlement certificates and the duly executed transfer forms must be delivered to his broker by the settlement date.

An investor may arrange with his broker on a settlement date in respect of his trades executed on the Stock Exchange. Under the Listing Rules and the CCASS Rules, the date of settlement must not be later than the second day following the trade date on which the settlement services of CCASS are open for use by CCASS participants (T+2). For trades settled under CCASS, the CCASS Rules provide that the defaulting broker may be compelled to compulsorily buy-in by HKSCC the day after the date of settlement (T+3), or if it is not practicable to do so on T+3, at any time thereafter. HKSCC may also impose fines from T+2 onwards.

Shunting Registers

The general procedure for shunting shares between the Australian Share Registry and the Hong Kong Share Registrar is as follows:

- the respective share registrar in each country sets up a control account as part of the issued capital for the Company. For example, the Australian Share Registry will establish a holding on the Company’s Australian register with the name “Hong Kong Control Register”, with the initial issued capital of the Hong Kong Share Registrar. This holding would be excluded from any reports concerning largest shareholders and similar matters. The Hong Kong Share Registrar would set up a similar account with the issued capital of the Australian register;
- when a shareholder wishes to shunt shares from one of the two registers (the “home register”) to the other register (the “target register”), the shareholder provides the home registrar with a written direction to that effect. The home registrar then removes the shares from their holding, and places the shares into the control account. A fax or email confirmation is then sent to the target registrar, who removes shares from their control account and places the shares into a holding in the name of the shareholder; and
- periodically (usually at the time of each shunt) the two registrars compare their respective control accounts to confirm that all figures match.

The period of time required to shunt Shares between the Australian Share Registry and the Hong Kong Share Registrar may vary and there is no certainty of when shunted Shares will be available for trading or settlement.
