## APPENDIX

### EXPLANATORY STATEMENT

The following is the Explanatory Statement required to be sent to the Shareholders under the Listing Rules which provides requisite information in connection with the proposed general mandate for repurchase of shares and also constitutes the Memorandum required under section 49BA of the Companies Ordinance. References in this Statement to "Share(s)" mean ordinary share(s) of HK\$0.20 each in the capital of the Company:

- (i) It is proposed that the general repurchase mandate will authorise the repurchase by the Company of up to 10 per cent. of the Shares in issue at the date of passing the resolution to approve the general repurchase mandate. As at 13 July 2007, being the Latest Practicable Date, the number of Shares in issue was 2,069,637,125 Shares. On the basis of such figure (and assuming no new Shares will be issued or no Share will be repurchased after the Latest Practicable Date and up to the date of passing such resolution), exercise in full of the general repurchase mandate would result in the repurchase by the Company of up to 206,963,712 Shares.
- (ii) The Directors believe that the general authority from Shareholders to enable repurchase of Shares is in the best interests of the Company and the Shareholders. Repurchases may, depending on the circumstances and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share. The Directors are seeking the grant of a general mandate to repurchase Shares to give the Company the flexibility to do so if and when appropriate. The number(s) of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.
- (iii) The funds required for any repurchase would be derived from the distributable profits of the Company legally available for such purpose in accordance with the Company's constitutive documents and the laws of Hong Kong.
- (iv) There could be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent audited financial statements for the year ended 31 March 2007 being forwarded to all the Shareholders together with this circular) in the event that the general repurchase mandate were exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the general repurchase mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing level which in the opinion of the Directors is from time to time appropriate for the Company.
- (v) There are no Directors or (to the best of the knowledge of the Directors, having made all reasonable enquiries) any associates (as defined in the Listing Rules) of the Directors of the Company who have a present intention, in the event that the general repurchase mandate is granted by the Shareholders, to sell Shares to the Company.

- (vi) The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the general repurchase mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.
- (vii) As at the Latest Practicable Date, as recorded in the register required to be kept by the Company under Part XV of the SFO, Wheelock and Company Limited, being the controlling shareholder of the Company, was interested in more than 50% of the issued share capital of the Company. The Directors are not aware of any consequences which would arise under the Hong Kong Code on Takeovers and Mergers (the "Takeovers Code") as a consequence of any purchases pursuant to the general repurchase mandate. However, if as a result of a repurchase of Shares a Shareholder's proportionate interest in the voting rights of the Company increases, such increase would be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.
- (viii) No purchase has been made by the Company of Shares in the six months prior to the Latest Practicable Date.
- (ix) No connected persons (as defined in the Listing Rules) of the Company have notified the Company of a present intention to sell Shares to the Company and no such persons have undertaken not to sell Shares to the Company in the event that the general repurchase mandate is granted by the Shareholders.
- (x) The highest and lowest prices at which Shares were traded on the Stock Exchange in each of the previous twelve months before the Latest Practicable Date and from 1 July 2007 to the Latest Practicable Date are as follows:

	<b>Highest (HK\$)</b>	<b>Lowest (HK\$)</b>
July 2006	6.10	5.55
August 2006	6.17	5.97
September 2006	6.00	5.85
October 2006	7.05	5.85
November 2006	7.08	6.62
December 2006	7.40	6.95
