

A large port crane is silhouetted against a vibrant sunset sky. The crane's long jib extends upwards and outwards, with a hook at the end. The sky transitions from a deep purple at the top to a bright orange near the horizon. In the background, a large cargo ship is docked at a pier, with other cranes visible. The overall scene conveys a sense of industrial activity and infrastructure.

Based in Hong Kong, PYI Corporation Limited focuses on infrastructure investment in and operation of bulk cargo port and logistics facilities in the Yangtze River region in China. It also engages in land and property development in association with port facilities. In addition, PYI provides comprehensive engineering and property-related services through Paul Y. Engineering Group Limited.
