Upon completion of the Disposal, Mr. Ko shall deliver to the Company a duly executed share pledge agreement (in a form to the satisfaction of the Company) to pledge the entire issued shares of China Windpower Group Limited to the Company until full payment of the consideration.

The consideration was arrived at after arm's-length negotiation between the parties, having regard to the assets and liabilities of the NPH Group, the recent financial performance of the NPH Group and market environment.

After the Disposal, the Company will cease to hold any equity interest in the NPH Group and the members of the NPH Group will cease to be subsidiaries of the Company.

INFORMATION REGARDING THE NPH GROUP

The NPH Group is principally engaged in the trading and retail sale of Chinese medicine, dried seafood and health products, and provision of Chinese clinical services in Hong Kong. Set out below are the consolidated profit/loss before and after tax of the NPH Group for the two years ended 31 March 2008 and for the six months ended 30 September 2008:

	For the six months ended 30 September 2008	For the year ended 31 March 2008	2007
	(Unaudited)	(Audited)	(Audited)
	<i>HK\$'000</i>	<i>HK\$'000</i>	<i>HK\$'000</i>
Profit/(loss) before tax	(664)	2,687	(2,304)
Profit/(loss) after tax	(664)	2,687	(2,304)

The NPH Group had unaudited consolidated net assets attributable to the Group of approximately HK\$31.7 million as at 30 September 2008. The above financial information has been prepared based on the Group's accounting policies in accordance with the Hong Kong Financial Reporting Standards.

For illustrative purposes only, the Group would record a gain of approximately HK\$2.3 million as a result of the Disposal based on the unaudited consolidated assets and liabilities of the NPH Group attributable to the Group as at 30 September 2008.

REASONS FOR AND BENEFIT OF THE DISPOSAL

The Group is at present, and will after the Disposal continue to be, principally engaged in the wind power business and industry, investing in various wind farm projects and providing wind power engineering and construction services in the PRC.

The business of the NPH Group only represents a minor portion of the Group's business and is neither in line with nor complements the Group's major business focus. For the year ended 31 March 2008, the net profit of the NPH Group only represented approximately 2.5% of the Group's total profit after tax. The Company believes that the Disposal will allow the Group to focus its management, financial and other resources on wind power business. The Company intends to use the net proceeds from the Disposal as working capital for the development of the Group's wind power business. Given the current difficult trading and retail conditions in the market, streamlining the business of the Group by selling the trading and retail business of the NPH Group may possibly help the Company to achieve an overall better market valuation.

The Directors (except the independent non-executive Directors who will opine on the Disposal after considering the advice of the independent financial adviser) consider that the terms of the Disposal are fair and reasonable, and the Disposal is in the interests of the Company and its Shareholders as a whole.

GENERAL

As the result of the revenue test under Rule 14.07 of the Listing Rules exceeding 25%, the Disposal constitutes a major transaction for the Company under the Listing Rules. Mr. Ko is a substantial Shareholder and the Chairman of the Company and thus is a connected person of the Company. The Disposal accordingly constitutes a connected transaction for the Company. The Disposal is subject to the relevant announcement and independent shareholders' approval requirements under Chapters 14 and 14A of the Listing Rules. A special general meeting of the Company will be convened and held with a view to seeking approval from the Independent Shareholders voting by way of poll. Mr. Ko and his associates, who together are interested in 2,000,000,000 Shares (representing approximately 31.98% of the issued share capital of the Company) will abstain from voting at the special general meeting.

An independent board committee will be established to advise the Independent Shareholders regarding the Disposal. An independent financial adviser will be appointed to advise the independent board committee and the Independent Shareholders regarding the fairness and reasonableness of the Disposal. A circular containing, amongst other things, further information in respect of the Disposal, a letter from the independent board committee to the Independent Shareholders and a letter from the independent financial adviser to the independent board committee and the Independent Shareholders, together with a notice to convene a special general meeting to seek approval from the Independent Shareholders will be dispatched to the shareholders of the Company as soon as practicable.
