NOTICE OF ANNUAL GENERAL MEETING**

**INTRODUCTION**

The Directors wish to seek the approval of shareholders to re-elect the retiring directors, to obtain general mandates to the Directors of the Company to issue and repurchase shares of US\$0.01 each in the share capital of the Company (the “Share(s)”).

\* For identification purpose only

This circular is to provide the shareholders with the explanatory statement as required under the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) (the “**Listing Rules**”) and all other information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolutions as mentioned herein and which, inter alia, will be dealt with at the annual general meeting of the Company to be held at Vinson Room, Pacific Place Conference Centre, Level 5, One Pacific Place, 88 Queensway, Hong Kong on Thursday, 18 June 2009 at 2:00 p.m. (the “**Annual General Meeting**”).

## **RE-ELECTION OF RETIRING DIRECTORS**

In accordance with the Articles of Association of the Company, Messrs ZHU Mingyao and YAN Ronghua who have been longest in office since their last election, will retire by rotation at the Annual General Meeting and being eligible, offer themselves for re-election. Ordinary Resolutions will therefore be proposed at the Annual General Meeting to re-elect Messrs ZHU Mingyao and YAN Ronghua as Executive Directors of the Company. Pursuant to Rule 13.74 of Listing Rules, the details of such Executive Directors are set out below:

**Mr. ZHU Mingyao**, aged 53, is an Executive Director of the Group. Prior to joining the Group, he worked for Qianxiang Village. In 1995, he joined the Group as the head of the sales division and factory manager of the smelting factory. From July 1997 to August 2006, he acted as an executive director and deputy general manager of Jiangsu Tiangong Tools Company Limited. He is currently in charge of the production, operation and management of TG Aihe.

**Mr. YAN Ronghua**, aged 40, is an Executive Director of the Group. He graduated from the Economic and Management Department of Jiangsu Radio and TV University. He joined the Group in 1994. He was appointed as the head of office administration and subsequently as the assistant general manager of the Group. Mr. Yan is currently in charge of human resources management, external relations, secretarial and office administration of the Group.

Save as disclosed above and as at the Latest Practicable Date, each of Messrs ZHU Mingyao and YAN Ronghua has not held any directorship in any listed public companies in the last three years and does not hold any position in any member of the Group nor does he have any relationship with any other Directors, senior management, substantial shareholders or controlling shareholders of the Company and any interests in the shares of the Company within the meaning of Part XV of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

Each of Messrs ZHU Mingyao and YAN Ronghua has entered into a service contract with the Company for an initial term of three years commencing on 26 July 2007, the listing date of the Company unless terminated by not less than three months’ notice in writing served by either the Executive Directors or the Company. In certain other circumstances, the contract can also be terminated by the Company, including but not limited to serious breaches of the Directors’ obligations under the agreement or serious misconduct. The Executive Directors officially stationed in the PRC, but may be required to work in Hong

Kong or in other places, as may be determined by the board of Directors from time to time. The service contracts further provide that during the term of the service contract and within two years upon the termination of service, each Executive Director cannot engage in any business which is competing or is likely to compete, either directly or indirectly, with the business of the Group.

The director's annual emoluments of RMB70,000 and RMB110,000 were paid to ZHU Mingyao and YAN Ronghua during the year ended 31 December 2008 according to the terms of their respective service contract. In determining of the remuneration, market rates and factors such as the Director's workload and required commitment have been taken into account.

In relation to the re-election of the above Directors, there is no information to be disclosed pursuant to any of the requirements of the provisions of Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules, and there is no other matter which needs to be brought to the attention of the shareholders of the Company.

## **SHARE ISSUE MANDATE**

Resolution 4 to be proposed at the Annual General Meeting ("**Resolution 4**") relates to the granting of a general mandate which will empower the Directors of the Company to issue new Shares not exceeding 20 per cent of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of the resolution (including making and granting offers, agreements and options which would or might require Shares to be issued, allotted or disposed of) during the period up to the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation of Resolution 4 by an ordinary resolution of the shareholders at general meeting, whichever is the earliest.

As at the Latest Practicable Date, there were 419,500,000 Shares in issue. Therefore, subject to the passing of the proposed Resolution 4 at the Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to issue a maximum of 83,900,000 Shares.

## **REPURCHASE OF SHARES**

The Company is allowed by its Memorandum and Articles of Association and the applicable laws and regulations of the Cayman Islands to repurchase its own Shares. The Listing Rules permit shareholders to grant a general mandate to the directors to repurchase shares of such company that are listed on the Stock Exchange. Such mandate is required to be given by way of an ordinary resolution passed by shareholders in general meeting.

### **(a) Shareholders' approval**

All proposed repurchases of Shares must be approved in advance by an ordinary resolution of the shareholders in general meeting, either by way of general mandate or by specific approval of a particular transaction.

Resolution 5 to be proposed at the Annual General Meeting (“**Resolution 5**”) relates to the granting of a general mandate to the Directors of the Company to repurchase, on the Stock Exchange, the Shares up to a maximum of 10 per cent of the issued share capital of the Company as at the date of the proposed resolution (“**the Repurchase Proposal**”) during the period up to the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation of Resolution 5 by an ordinary resolution of the shareholders at general meeting, whichever is the earliest.

**(b) Number of shares to be repurchased**

The Shares to be purchased by the Company must be fully paid-up.

As at the Latest Practicable Date, there were 419,500,000 Shares in issue. Therefore, subject to the passing of the proposed Resolution 5 at the Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to repurchase a maximum of 41,950,000 Shares.

The listing of all Shares which are repurchased by the Company will be automatically cancelled upon repurchase. The documents of title of repurchased shares will be cancelled and destroyed as soon as reasonably practicable following settlement of any such purchase.

**(c) Reason for the repurchase**

The existing mandate to repurchase shares will expire on the date of the next annual general meeting. Given trading conditions on the Stock Exchange have sometimes been volatile in recent months and there have been occasions when Shares were trading at a substantial discount to their underlying net asset value, repurchases of the Shares may enhance the Company’s net asset value per Share and earnings per Share. In these circumstances, the ability of the Company to repurchase the Shares can be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company. Furthermore, exercise of the mandate granted under the Repurchase Proposal by the Directors of the Company would increase the trading volume of the Shares on the Stock Exchange. As such, the Directors of the Company believe that the Repurchase Proposal is in the interests of the Company and its shareholders.

**(d) Source of funds**

Repurchases by the Company must be funded out of funds legally available for the purpose in accordance with the Articles of Association and the applicable laws and regulations of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Any repurchase of Shares will be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the purchase or, if authorised by the Articles and subject to the Companies Law, out of capital and, in the case of any premium payable on the purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company, or if authorised by the Articles and subject to the Companies Law, out of capital.

The Directors of the Company do not expect there to be any material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the latest audited financial statements of the Company for the year ended 31 December 2008, as a result of repurchases made under the Repurchase Proposal even if the mandate is exercised in full. However, no purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements) unless the Directors of the Company consider that such purchases would be in the best interests of the Company notwithstanding such material adverse impact.

**(e) Trading restrictions**

The total number of Shares which the Company may repurchase is up to 10% of the total number of the Shares in issue as at the date of passing Resolution 5.

The Company shall not repurchase its shares on the Stock Exchange

- a. if the repurchase price is higher by 5% or more than the average closing market price for the 5 preceding trading days on which its shares were traded on the Stock Exchange; or
- b. for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

The Company shall not knowingly purchase its shares from a connected person and a connected person shall not knowingly sell shares to the Company, on the Stock Exchange.

The Company shall procure that any broker appointed by the Company to effect the purchase of its shares shall disclose to the Exchange such information with respect to purchases made on behalf of the Company as the Exchange may request.

The Company shall not repurchase its shares on the Stock Exchange at any time after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information is made publicly available. In particular, during the period of one month immediately preceding the earlier of:

- a. the date of the board meeting (as such date is first notified to the Exchange in accordance with the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and

- b. the deadline for the Company to publish an announcement of its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Exchange Listing Rules),

and ending on the date of the results announcement, the Company may not purchase its shares on the Stock Exchange, unless the circumstances are exceptional.

The Company shall not repurchase its shares if that repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange, currently, 25% of the total issued share capital of the Company.

The Company may not make a new issue of shares or announce a proposed new issue of shares for a period of 30 days, after any repurchase, whether on the Stock Exchange or otherwise (other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the Company to issue securities, which were outstanding prior to that purchase of its own securities), without the prior approval of the Exchange.

**(f) Procedure and reporting**

The Company will submit for publication to the Stock Exchange through HKEx-EPS not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the Company makes a purchase of Shares (whether on the Stock Exchange or otherwise), the total number of Shares purchased by the Company the previous day, the purchase price per Share or the highest and lowest prices paid for such purchases, where relevant, and shall confirm that those purchases which were made on the Stock Exchange were made in accordance with the Listing Rules and that there have been no material changes to the particulars contained in this circular. The Company should make arrangements with its brokers to ensure that they provide to the Company in a timely fashion the necessary information to enable the Company to make the report to the Stock Exchange.

In addition, the Company's annual report is required to disclose details regarding repurchases of Shares made during the financial year, including a monthly analysis of the number of shares repurchased, the purchase price per Share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate prices paid.

**(g) Undertaking**

The Directors of the Company have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Resolution 5 in accordance with the Listing Rules and all applicable laws.

**(h) Disclosure of Interests**

None of the Directors of the Company nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell the Shares to the Company under the Repurchase Proposal in the event that the Repurchase Proposal is approved by shareholders at the Annual General Meeting.

Meanwhile, the Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them to the Company, in the event that the Repurchase Proposal is approved by shareholders at the Annual General Meeting.

**(i) Takeover Code Implication and Public Float**

If, on the exercise of the powers granted under the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of rule 32 of the Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). As a result, a shareholder or a group of shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of such increase, may obtain or consolidate control of the Company and thereby obliged to make a mandatory general offer in accordance with rule 26 of the Takeovers Code.

As at 24 April 2009, the latest practicable date for ascertaining information for inclusion in this circular (the "**Latest Practicable Date**") and insofar the Directors of the Company are aware of, persons having interest in 10% or more of the issued share capital of the Company are as follows:

Name of shareholder	Capacity	No. of Shares held	% of shareholding	
			Current	Assuming the Repurchase Proposal is exercised in full
Zhu Xiaokun ( <i>Note 2</i> )	Interest in controlled corporations	220,183,000	52.49%	58.32%
Yu Yumei	Spouse interest	210,000,000	50.06%	55.62%
Tiangong Holdings Company Limited ( <i>Note 1</i> )	Beneficial owner	210,000,000	50.06%	55.62%
American International Group, Inc. ( <i>Note 3</i> )	Interest in controlled corporations	60,000,000	14.30%	15.89%
United States Treasury ( <i>Note 4</i> )	Interest in controlled corporations	60,000,000	14.30%	15.89%

*Notes:*

1. Tiangong Holdings Company Limited (“THCL”) was owned as to approximately 89.02% and 10.98% by Mr. Zhu Xiaokun and Madam Yu Yumei, respectively. Mr. Zhu was deemed to be interested in Shares held by THCL and other companies held as to not less than one-third interests by him.

The Directors of the Company consider that such increase would not give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code. The number of Shares held by the public would not fall below 25% of the issued share capital of the Company.
