AND  
(2) NOTICE OF EGM AND UNITHOLDER REGISTER CLOSURE**

Reference is made to the announcement dated 30 November 2010 by the REIT Manager in relation to the proposed extension of the 2008 CPT Waiver in respect of the Connected Party Transactions and the proposed New Annual Caps. The purposes of this Circular are to (a) provide you with information on the proposed Waiver Extension and the

New Annual Caps; (b) provide you with further information as is necessary to enable you to make an informed decision on whether to vote for or against the Ordinary Resolution to be proposed at the EGM relating to the Waiver Extension and the New Annual Caps; (c) set out the recommendation of the Independent Board Committee relating to the Waiver Extension and the New Annual Caps; (d) set out the recommendation of the Independent Financial Adviser to the Independent Board Committee, the independent Unitholders and the Trustee relating to the Waiver Extension and the New Annual Caps; and (e) serve notice of the EGM.

### **1. THE WAIVER EXTENSION**

#### **(i) Background to the 2008 CPT Waiver**

As disclosed in the 2008 Circular, the REIT Manager had obtained the 2008 CPT Waiver from strict compliance with the disclosure requirements and the requirements for approval of Unitholders, under Chapter 8 of the REIT Code, in respect of certain categories of connected party transactions between Champion REIT and (i) Great Eagle Connected Persons Group and/or (ii) the SFK Connected Persons Group.

Details of the Connected Party Transactions and the 2008 CPT Waiver are set out in the section headed “2008 Continuing Connected Transactions” in the 2008 Circular.

#### **(ii) Expiration of 2008 CPT Waiver**

The 2008 CPT Waiver will expire on 31 December 2010. In accordance with the terms of the 2008 CPT Waiver, the 2008 CPT Waiver may be extended beyond 31 December 2010, and/or the conditions of the 2008 CPT Waiver may be modified from time to time, provided that:

- (a) the approval of independent Unitholders (see the voting restrictions set out in paragraph 4 below) is obtained by way of an ordinary resolution passed in a general meeting of Unitholders;
- (b) disclosure of details of the proposed extension and/or modification (as the case may be) is made by way of an announcement by the REIT Manager of such proposal, and a circular and notice is issued to Unitholders in accordance with Chapter 10 of the REIT Code; and
- (c) any extension of the period of the waiver is, on each occasion of such extension, for a period which will expire not later than the third full financial year-end date of Champion REIT after the date on which the approval in (a) above is obtained.

#### **(iii) Extension of the 2008 CPT Waiver**

The REIT Manager has made a submission to the SFC to seek an extension of the 2008 CPT Waiver for three financial years ending 31 December 2013. The REIT Manager confirms that, save for the proposed revisions to the annual caps, the waiver conditions of the 2008 CPT Waiver will continue to apply to Champion REIT for the three financial years ending 31 December 2013 subject to the approval by the SFC.

## LETTER FROM THE BOARD

### 2. PROPOSED NEW ANNUAL MONETARY LIMITS FOR THE CONNECTED PARTY TRANSACTIONS

#### (i) New Annual Caps

##### *Revenue transactions*

The types of transactions that fall in the category of revenue transactions is described in the section headed “2008 Continuing Connected Party Transactions – Revenue Transactions” in the 2008 Circular. The REIT Manager confirms that the types of revenue transactions in respect of which the Waiver Extension is sought are the same as those described in the 2008 Circular.

It is proposed that the New Annual Caps for the financial years ending 31 December 2011, 31 December 2012 and 31 December 2013 for the revenue transactions shall not exceed the respective annual limits set out in the following table:

	<b>For the year ending 31 December 2011 <i>(Rounded to nearest HK\$'000)</i></b>	<b>For the year ending 31 December 2012 <i>(Rounded to nearest HK\$'000)</i></b>	<b>For the year ending 31 December 2013 <i>(Rounded to nearest HK\$'000)</i></b>
Rental income	49,619	64,505	83,856
Building management fee	<u>8,436</u>	<u>9,280</u>	<u>10,208</u>
<b>TOTAL</b>	<b><u>58,055</u></b>	<b><u>73,785</u></b>	<b><u>94,064</u></b>

The above caps have been determined with general reference to the latest available data as at 30 September 2010, and are based on the anticipated aggregate value of such transactions during the relevant financial years, with an appropriate provision for contingencies such as changes in rental or other market conditions.

The proposed cap for the year ending 31 December 2011 has been determined by applying an increment (30% increment in relation to the rental income component and 10% increment in relation to the building management fee component) to the full year 2010 figures (i.e., annualised from the amount of actual revenue received for the relevant Connected Party Transactions for the nine months ended 30 September 2010), with an appropriate provision (25% provision in relation to the rental income component and 20% provision in relation to the building management fee component) for contingencies.

The proposed caps for each of the years ending 31 December 2012 and 31 December 2013 have been determined by applying an increment (30% in relation to the rental income component and 10% in relation to the building management fee component) to the figure for the immediately preceding calendar year, with some minor rounding up of figures.

---

## LETTER FROM THE BOARD

---

The REIT Manager believes that the use of an assumed annual growth rate of 30% for determining the proposed caps for rental income is based principally on the following factors: (a) general inflation; (b) additional leases that may be entered into during the period of the Waiver Extension; and (c) the high volatility of rentals of properties in Hong Kong. As for the building management fees, since no material growth of building management fee income is expected, the use of an estimated 10% growth rate is based mainly on the general inflation factor.

### *Expenditure transactions*

The types of transactions that fall in the category of expenditure transactions is described in the section headed “2008 Continuing Connected Party Transactions – Expenditure Transactions” in the 2008 Circular. The REIT Manager confirms that the types of expenditure transactions in respect of which the Waiver Extension is sought are the same as those described in the 2008 Circular, except that the insurance agency arrangement referred to in the section “2008 Continuing Connected Party Transactions” in the 2008 Circular will not continue as from 1 January 2011. Accordingly, no annual caps are proposed in respect of the insurance agency arrangement.

It is proposed that the New Annual Caps for the financial years ending 31 December 2011, 31 December 2012 and 31 December 2013 for the estate management transactions shall not exceed the respective annual limits set out in the following table:

	<b>For the year ending 31 December 2011</b>	<b>For the year ending 31 December 2012</b>	<b>For the year ending 31 December 2013</b>
	<i>(Rounded to nearest HK\$'000)</i>	<i>(Rounded to nearest HK\$'000)</i>	<i>(Rounded to nearest HK\$'000)</i>
Estate management transactions	77,694	85,463	94,010

The above caps have been determined with general reference to the latest available data for the nine-month period ended 30 September 2010 and based on the anticipated aggregate value of such transactions during the relevant financial years, with an appropriate provision for contingencies such as changes in market conditions and possible occasional increase in expenses.

The proposed cap for the year ending 31 December 2011 has been determined by applying an increment of 10% to the full year 2010 figures (i.e., annualised from the figures for the nine-month period to 30 September 2010), with an appropriate buffer for contingencies. The REIT Manager believes that a buffer of 20% provides ample contingency to accommodate changes in market conditions and possible occasional increase in expenses.

The REIT Manager believes that the use of an incremental increase factor of 10% is based on expected inflationary increases in building management and tenancy works expenses.

---

## LETTER FROM THE BOARD

---

The incremental increase has also been applied in respect of the proposed caps for each of the years ending 31 December 2012 and 31 December 2013 to the figure for the immediately preceding calendar year, with some minor rounding up of figures.

### *PMA Transactions*

The REIT Manager confirms that there has been no variation to the terms and conditions governing the PMA Transactions, whether during the term of the Property Management Agreement or upon any renewal thereof. On this basis and pursuant to the 2008 CPT Waiver, the fees payable under the Property Management Agreement will not be subject to the annual limits referred to therein, and the renewal of the Property Management Agreement will be exempt from all reporting, disclosure and unitholders' approval requirements under Chapter 8 of the REIT Code. Accordingly, the value of the fees payable under the Property Management Agreement has not been taken into account in calculating the proposed annual caps above.

### **3. DISCLOSURE AND INDEPENDENT UNITHOLDERS' APPROVAL REQUIREMENTS**

Pursuant to the 2008 CPT Waiver, the REIT Manager is required to issue an announcement and to issue a circular and notice to Unitholders in accordance with Chapter 10 of the REIT Code to seek independent Unitholders' approval to extend the 2008 CPT Waiver beyond 31 December 2010 and to increase one or more of the annual limits set out in the 2008 CPT Waiver. Accordingly, the REIT Manager intends to seek the independent Unitholders' approval for the Waiver Extension and the New Annual Caps at the EGM.

### **4. RESTRICTIONS ON VOTING**

Paragraph 8.11 of the REIT Code provides that where a Unitholder has a material interest in a connected party transaction tabled for approval at a general meeting, and that interest is different from that of all other Unitholders, such Unitholder shall abstain from voting.

Further, under Paragraph 3.2 of Schedule 1 to the Trust Deed, where a Unitholder has a material interest in the transaction tabled for approval at a general meeting of Champion REIT, and that interest is different from the interests of other Unitholders, such Unitholder shall be prohibited from voting its Units at, or being counted in the quorum for, the general meeting.

Pursuant to the REIT Code and the Trust Deed, by virtue of Great Eagle's material interest or deemed material interest in the Waiver Extension, the GE/SFK Connected Persons shall abstain from voting on the Ordinary Resolution to approve the Waiver Extension and the New Annual Caps. Great Eagle has agreed that it will abstain, and will procure each of the GE Entities to abstain, from voting at the EGM on the Ordinary Resolution to approve the Waiver Extension and the New Annual Caps.

---

## LETTER FROM THE BOARD

---

So far as the REIT Manager is aware, as at the Latest Practicable Date: (a) Great Eagle was interested or deemed to be interested in 3,170,160,946 Units, of which 2,536,014,605 Units carried voting rights representing approximately 51.43% of the Units in issue (the remaining 634,146,341 Units are underlying Units in relation to certain convertible bonds due 2013 that Great Eagle is deemed to be interested in); and (b) SFK, a connected person of Champion REIT pursuant to the REIT Code, was not interested or deemed to be interested in any Units.

As at the Latest Practicable Date, to the best of the REIT Manager's knowledge, information and belief, after having made reasonable enquiries, the REIT Manager takes the view that, save as disclosed above, no other Unitholder is required to abstain from voting at the EGM in respect of the Waiver Extension and the New Annual Caps.

### **5. OPINION OF THE BOARD**

The Board (including all the independent non-executive Directors) confirms that:

1. in its opinion, the Waiver Extension and the New Annual Caps, and the basis for the New Annual Caps, are fair and reasonable having regard to the interests of Champion REIT and the independent Unitholders as a whole;
2. in its opinion, each of the Connected Party Transactions subsisting as at the date of this Circular has been entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm's length and are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole; and
3. in its opinion, each of the Connected Party Transactions to be entered into after the date of this Circular will have been entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm's length and are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole.

---

## LETTER FROM THE BOARD

---

### 7. RECOMMENDATIONS

The Independent Board Committee has been established by the Board to advise the independent Unitholders on the Waiver Extension and the New Annual Caps. Tanrich Capital Limited has been appointed as Independent Financial Adviser to provide its opinion to the Independent Board Committee, the independent Unitholders and the Trustee on whether: (1) the Waiver Extension and the New Annual Caps, and the basis for the New Annual Caps, are fair and reasonable having regard to the interests of Champion REIT and the independent Unitholders as a whole; and (2) each of the Connected Party Transactions are entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm's length and are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole.

This view is being furnished for the sole purpose of complying with Clause 10.10(o) of the REIT Code, and is not to be taken as a recommendation or representation by the Trustee of the merits of the Waiver Extension and the New Annual Caps.

---

## LETTER FROM THE BOARD

---

The Trustee has not made any assessment of the merits or impact of the Waiver Extension and the New Annual Caps, other than for the purposes of fulfilling its fiduciary duties set out in the Trust Deed and the REIT Code. *To: The independent Unitholders*

Dear Sirs/Madam,

**EXTENSION OF EXISTING CONNECTED PARTY TRANSACTION  
WAIVER AND PROPOSED NEW ANNUAL LIMITS FOR CERTAIN  
CONNECTED PARTY TRANSACTIONS**

We have been appointed as members of the Independent Board Committee to advise you in connection with the Waiver Extension and the New Annual Caps, details of which are set out in the “Letter from the Board” in the circular dated 30 November 2010 (the “**Circular**”) from the REIT Manager to the Unitholders, of which this letter forms a part. Terms defined in the Circular shall have the same meanings when used in this letter unless the context otherwise requires.

Tanrich Capital Limited has been appointed by the REIT Manager to advise us, the independent Unitholders and the Trustee as to whether: (1) the Waiver Extension and the New Annual Caps, and the basis for the New Annual Caps, are fair and reasonable having regard to the interests of Champion REIT and the independent Unitholders as a whole; and (2) each of the Connected Party Transactions are entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm’s length and are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole. Details of their opinion, together with the principal factors taken into consideration, and assumptions and qualifications in arriving at such opinion, are set out in the “Letter from the Independent Financial Adviser” the text of which is contained in the Circular.

30 November 2010

*To: The Independent Board Committee, Independent Unitholders and the Trustee*

Dear Sirs,

### **EXTENSION OF EXISTING CONNECTED PARTY TRANSACTION WAIVER AND PROPOSED NEW ANNUAL LIMITS FOR CERTAIN CONNECTED PARTY TRANSACTIONS**

#### **INTRODUCTION**

We refer to our appointment as the independent financial adviser to advise the Independent Board Committee, independent Unitholders and the Trustee on the Waiver Extension and New Annual Caps, details of which are set out in the “Letter from the Board” contained in the circular to Unitholders dated 30 November 2010 (the “**Circular**”), of which this letter forms part. Capitalised terms used in this letter shall have the same meanings as defined in the Circular unless the context requires otherwise.

As disclosed in the 2008 Circular, the REIT Manager had obtained the 2008 CPT Waiver from strict compliance with the disclosure requirements and the requirements for approval of Unitholders, under Chapter 8 of the REIT Code, in respect of certain categories of connected party transactions between Champion REIT and (i) Great Eagle Connected Persons Group and/or (ii) the SFK Connected Persons Group.

The 2008 CPT Waiver will expire on 31 December 2010. In accordance with the terms of the 2008 CPT Waiver, the 2008 CPT Waiver may be extended beyond 31 December 2010, and/or the conditions of the 2008 CPT Waiver may be modified from time to time, provided that:

- (a) the approval of independent Unitholders is obtained by way of an ordinary resolution passed in a general meeting of Unitholders;

---

## LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

---

- (b) disclosure of details of the proposed extension and/or modification (as the case may be) is made by way of an announcement by the REIT Manager of such proposal, and a circular and notice is issued to Unitholders in accordance with Chapter 10 of the REIT Code; and
- (c) any extension of the period of the waiver is, on each occasion of such extension, for a period which will expire not later than the third full financial year-end date of Champion REIT after the date on which the approval in (a) above is obtained.

As the REIT Manager expects that the Connected Party Transactions will continue after the 2008 CPT Waiver period, the REIT Manager intends to seek the independent Unitholders' approval for the Waiver Extension and the New Annual Caps at the EGM. Pursuant to the REIT Code and the Trust Deed, by virtue of Great Eagle's material interest or deemed material interest in the Waiver Extension, the GE/SFK Connected Persons shall abstain from voting on the Ordinary Resolution to approve the Waiver Extension and the New Annual Caps. Great Eagle has agreed that it will abstain, and will procure each of the GE Entities to abstain, from voting at the EGM on the Ordinary Resolution to approve the Waiver Extension and the New Annual Caps.

The REIT Manager has made a submission to the SFC to seek an extension of the 2008 CPT Waiver for three financial years ending 31 December 2013 (the "**New Waiver Period**"). The REIT Manager confirms that, save for the proposed revisions to the annual caps, the waiver conditions of the 2008 CPT Waiver will continue to apply to Champion REIT, subject to the approval by the SFC, for the three financial years ending 31 December 2013.

We are independent from, and are not associated with (i) Champion REIT; (ii) the Trustee; (iii) the REIT Manager; (iv) Great Eagle, the significant Unitholder, and its subsidiaries (including GE Entities); and (v) the GE/SFK Connected Persons. Apart from normal professional fees payable to us in connection with this appointment and other similar engagements, no arrangement exists whereby we will receive any fees or benefits from the aforementioned parties.

### **INDEPENDENT BOARD COMMITTEE**

The Independent Board Committee, comprising all the independent non-executive Directors, namely Mr. Cha Mou Sing, Payson, Mr. David Gordon Eldon and Mr. Shek Lai Him, Abraham, has been established by the Board to advise the independent Unitholders on the Waiver Extension and the New Annual Caps. We have been appointed to advise the Independent Board Committee, independent Unitholders and the Trustee in the same regard.

### **BASIS OF OUR OPINION**

In formulating our opinion and recommendations, we have relied on the statements, information, opinions, facts and representations contained or referred to in the Circular and the information and representations as provided to us by the Directors and the REIT Manager. We have assumed that all information and representations that have been provided by the Directors and REIT Manager, for which they are solely and wholly responsible, are true and accurate in all material respects as at the date of the Circular.

---

We have also assumed that all statements of belief, opinion, expectation and intention made by the Directors and the REIT Manager in the Circular were reasonably made after due enquiry and careful consideration. We have no reason to suspect that any material facts or information have been withheld or to doubt the truth, accuracy and completeness of the information and facts contained in the Circular, or the reasonableness of the opinions expressed by the Directors, its advisers and/or the REIT Manager, which have been provided to us.

The Directors and the REIT Manager have collectively and individually accepted full responsibility for the accuracy of the information contained in the Circular and have confirmed, having made all reasonable enquiries, which to the best of their knowledge and belief, there are no other facts the omission of which would make any statement in the Circular misleading.

We consider that we have reviewed sufficient information to reach an informed view, to justify reliance on the accuracy of the information contained in the Circular and to provide a reasonable basis for our recommendation.

### PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion to the Independent Board Committee, the independent Unitholders and the Trustee in relation to the Waiver Extension and the New Annual Caps, we have taken the following principal factors and reasons into consideration:

#### **Terms of the Connected Party Transactions**

##### *Revenue Transactions*

The types of transactions that fall in the category of revenue transactions are described in the section headed “2008 Continuing Connected Party Transactions – Revenue Transactions” in the 2008 Circular. The REIT Manager has confirmed that the types of revenue transactions in respect of which the Waiver Extension is sought are the same as those described in the 2008 Circular.

The REIT Manager has furnished us with a comparison of the terms of: (i) all existing tenancy agreements and licensing agreements entered into with GE/SFK Connected Persons; and (ii) certain randomly selected existing tenancy agreements and licensing agreements entered into in 2008 to 2010 with third parties independent of Champion REIT and its connected persons (the “**Independent Third Parties**”).

The REIT Manager has also provided us with the independent valuation reports (prepared by the principal valuers) with regards to the existing tenancy agreements and licensing agreements entered into in 2008 to 2010 with the GE/SFK Connected Persons, as an independent valuation report has been conducted for each connected transaction except where they are conducted on standard or published rates. According to the REIT Manager, all renewals or future tenancy agreements or licensing agreement entered into with the GE/SFK Connected Persons will continue to be managed in the same way.

---

---

### *Expenditure Transactions*

The types of transactions that fall in the category of expenditure transactions are described in the section headed “2008 Continuing Connected Party Transactions – Expenditure Transactions” in the 2008 Circular. The REIT Manager has confirmed that the types of expenditure transactions in respect of which the Waiver Extension is sought are the same as those described in the 2008 Circular, except that the insurance agency arrangement referred to in the section “2008 Continuing Connected Party Transactions” in the 2008 Circular will not continue as from 1 January 2011.

To avoid any doubt and for consistence with the 2008 CPT Waiver, all payments to be made by Champion REIT to the Langham Place Mall Estate Manager and the CAF Estate Manager (both of which are GE/SFK Connected Persons) during the New Waiver Period to reimburse them for their costs and out of pocket expenses properly incurred in the course of performing the management functions under the Langham Place Mall Estate Management Agreement and CAF Management Agreement will be subject to the New Annual Caps for estate management transactions.

The REIT Manager has furnished us with randomly selected copies of: (i) the existing estate management services contracts entered into with the GE/SFK Connected Persons; and (ii) the existing estate management services contracts entered into in 2008 to 2010 with Independent Third Parties. Each services contract is very unique as it depends on the nature and the scope of services provided and no irregularities of the terms and conditions have been found from our review. We consider that there is no meaningful way to make direct comparison between the terms and fees charged by GE/SFK Connected Persons and Independent Third Parties.

### *Analysis*

We share the view of the REIT Manager that the Connected Party Transactions subsisting as at the date of this Circular have been entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm’s length and are fair and reasonable and in the interests of Champion REIT and independent Unitholders as a whole. After taking into account that:

- (i) the key terms of the existing tenancy agreements and licence agreements entered into with GE/SFK Connected and entered into with Independent Third Parties, such as rentals and building management fees, are generally similar and are comparable to each other;
- (ii) an independent valuation report is required for all the tenancy agreements and licensing agreements entered into with GE/SFK Connected Persons, except where they are conducted on standard or published rates, and that the independent valuation reports confirm that the rentals of the subject lettings were at or above market levels as of their respective tenancy agreement dates and other commercial terms in the tenancies such as tenure, rental deposits and break clauses are in normal terms; and

---

## LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

---

- (iii) the reimbursement payments made pursuant to the Langham Place Mall Management Agreement and CAF Management Agreement are comprised of actual costs and out-of-pocket expenses properly and actually incurred in the course of performing the management functions under the respective agreements,

we consider that the terms of the Connected Party Transactions are on normal commercial terms at arm's length, and are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole.

### New Annual Caps

#### *Revenue transactions*

It is proposed that the New Annual Caps for the financial years ending 31 December 2011, 31 December 2012 and 31 December 2013 for the revenue transactions shall not exceed the respective annual limits set out in the following table:

Categories of connected party transactions	Annualised figures for the year ending 31 December 2010 <i>(Rounded to the nearest HK\$'000)</i>	Proposed Annual Limits		
		For the year ending 31 December 2011 <i>(Rounded to the nearest HK\$'000)</i>	For the year ending 31 December 2012 <i>(Rounded to the nearest HK\$'000)</i>	For the year ending 31 December 2013 <i>(Rounded to the nearest HK\$'000)</i>
<b>Revenue Transactions</b>				
Rental income	30,535	49,619	64,505	83,856
Building management fee	6,391	8,436	9,280	10,208
Total	36,926	58,055	73,785	94,064

Based on our discussion with the REIT Manager, we understand that the proposed cap for the year ending 31 December 2011 has been determined by applying an increment (30% increment in relation to the rental income component and 10% increment in relation to the building management fee component) to the full year 2010 figures (i.e., annualised from the amount of actual revenue received for the relevant Connected Party Transactions for the nine months ended 30 September 2010), with an appropriate provision (25% provision in relation to the rental income component and 20% provision in relation to the building management fee component) for contingencies. We also understand that the proposed caps for each of the years ending 31 December 2012 and 31 December 2013 have been determined by applying an increment (30% in relation to the rental income component and 10% in relation to the building management fee component) to the figure for the immediately preceding calendar year, with some minor rounding up of figures.

Regarding the use of recent (nine month) data to determine the proposed caps, we understand that the property market of Hong Kong is a very buoyant and fast-changing market. As we observed in statistics from some market reports, third quarter overall Grade A office market rental growth increased by approximately 10.5% over the second

---

quarter. Based on such observations, we concur with the REIT Manager's view that the historical data of rental income for a long time span becomes relatively irrelevant whereas the use of the recent growth pattern of rental income or expenditures trend for the nine months ended 30 September 2010 is more appropriate.

According to the REIT Manager, the use of an assumed annual growth rate of 30% for determining the proposed caps for rental income is based principally on the following factors: (a) general inflation; (b) additional leases that may be entered into during the period of the Waiver Extension; and (c) the high volatility of rentals of properties in Hong Kong. We consider that the assumed annual rental growth rate is justifiable having taken into account:

- (a) additional leases may be entered into with the GE/SFK Connected Persons during the New Waiver Period which will result in further income growth of Champion REIT; and
- (b) our observations and professional property market reports which suggest that rents can be expected to remain on the uptrend in 2011.

According to the REIT Manager, since no material growth of building management fee income is expected, the use of an estimated 10% growth rate for the building management fees is based mainly on the general inflation factor. We concur with their view and consider an annual growth rate of 10% is justifiable.

Further, in view of the high volatile nature of the Hong Kong property market, we consider that the 25% provision in relation to the rental income component and 20% provision in relation to the building management fee component, are reasonable to accommodate any unforeseen fluctuations in market conditions and rental prices.

### *Expenditure transactions*

It is proposed that the New Annual Caps for the financial years ending 31 December 2011, 31 December 2012 and 31 December 2013 for the estate management transactions shall not exceed the respective annual limits set out in the following table:

Categories of connected party transactions	Annualised figures for the year ending 31 December 2010 <i>(Rounded to the nearest HK\$'000)</i>	<u>Proposed Annual Limits</u>		
		For the year ending 31 December 2011 <i>(Rounded to the nearest HK\$'000)</i>	For the year ending 31 December 2012 <i>(Rounded to the nearest HK\$'000)</i>	For the year ending 31 December 2013 <i>(Rounded to the nearest HK\$'000)</i>
<b>Expenditure Transactions</b>				
Estate Management Transactions	<u>58,859</u>	<u>77,694</u>	<u>85,463</u>	<u>94,010</u>

---

## LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

---

The above caps have been determined with general reference to the latest available data for the nine-month period ended 30 September 2010 and based on the anticipated aggregate value of such transactions during the relevant financial years, with an appropriate provision for contingencies such as changes in market conditions and possible occasional increase in expenses.

The proposed cap for the year ending 31 December 2011 has been determined by applying an increment of 10% to the full year 2010 figures (i.e. annualised from the figures for the nine-month period to 30 September 2010), with a 20% buffer for contingencies. The incremental increase has also been applied in respect of the proposed caps for each of the years ending 31 December 2012 and 31 December 2013 to the figure for the immediately preceding calendar year, with some minor rounding up of figures.

As discussed with the REIT Manager, the expenses payable by Champion REIT to the GE/SFK Connected Persons pursuant to the expenditure transactions mainly refer to renovation works, repair, cleaning and maintenance works which are carried out from time to time. We are advised by the REIT Manager that (i) there is no seasonal pattern on such estate management services expenditures since most of the repair and renovation works will be required as and when needed on demand without a planned schedule; and (ii) the expenses payable to the Langham Place Mall Estate Manager and the CAF Estate Manager mainly comprise of the utilities expenses, salaries of guards and cleaning workers (after taken into consideration the minimum wage law which will take effect on 1 May 2011) and administration staffs and other routine maintenance works, fluctuations of which are generally driven by inflation. As such, the annual growth rate assumed in calculating the respective annual caps will mainly cover general inflation and allow any possible occasional increase in expenses. On this basis, we consider that the assumed growth rate of 10% is reasonable.

The REIT Manager has applied a buffer rate of 20% in respect of the proposed expenditure transaction annual caps, which we consider to be reasonable to accommodate changes in market conditions and possible occasional increase in expenses.

### *Property Management Transactions*

The REIT Manager confirms that there has been no variation to the terms and conditions governing the PMA Transactions, whether during the term of the Property Management Agreement or upon any renewal thereof. On this basis and pursuant to the 2008 CPT Waiver, the fees payable under the Property Management Agreement will not be subject to the annual limits referred to therein, and the renewal of the Property Management Agreement will be exempt from all reporting, disclosure and unitholders' approval requirements under Chapter 8 of the REIT Code. Accordingly, the value of the fees payable under the Property Management Agreement has not been taken into account in calculating the proposed annual caps above.

We are of the view that the New Annual Caps are fair and reasonable and in the interests of Champion REIT and the independent Unitholders as a whole.

### RECOMMENDATION

Having taken into consideration the principal factors and reasons set out above, we consider that (1) the Waiver Extension and the New Annual Caps, and the basis for the New Annual Caps, are fair and reasonable having regard to the interests of the Champion REIT and independent Unitholders as a whole; and (2) each of the Connected Party Transactions are entered into: (a) in the ordinary and usual course of business of Champion REIT; and (b) on terms which are normal commercial terms at arm's length and are fair and reasonable and in the interests of the Champion REIT and independent Unitholders as a whole. We therefore recommend the Independent Board Committee to advise the independent Unitholders, and we ourselves also recommend the independent Unitholders, to vote in favour of the Ordinary Resolution to approve the Waiver Extension and New Annual Caps at the EGM.

Yours faithfully,
