The address of its registered office is Clarendon House, 2 Church Street, Hamilton HM11, Bermuda. The principal place of business is 35th Floor, One Pacific Place, 88 Queensway, Hong Kong. The Company’s shares are listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) and have been suspended for trading since 17 September 2008.

The Company is an investment holding company. The Group’s principal activities are trading and retailing of fashion garments, textiles and leathers.

2. Winding-up petition and appointment of provisional liquidators

On 6 October 2008, Deutsche Bank A.G., Hong Kong Branch (the “Petitioner”) presented petitions (the “Petitions” and each referred to as “Petition”) to the High Court (the “High Court”) of the Hong Kong Special Administrative Region (“Hong Kong”) for the winding up of each of the Company and Uni-Capital Limited (In Liquidation) (“Uni-Capital”), an indirectly wholly-owned subsidiary of the Company, as the Company and Uni-Capital could not meet demands made against the Company and Uni-Capital for the repayment of outstanding debts. Upon the application of the Petitioner, Messrs. LAI Kar Yan Derek and YEUNG Lui Ming of Deloitte Touche Tohmatsu were appointed jointly and severally as provisional liquidators of the Company (the “Provisional Liquidators”) and Uni-Capital pursuant to the orders both dated 6 October 2008 made by the High Court.

The Provisional Liquidators are empowered, inter alia, to take possession of the assets of the Group, to close or cease or operate all or any part of the business operations of the Group, to take control of such of the subsidiaries of the Company, joint ventures, associated companies or other entities in which the Company or any of its subsidiaries holds an interest and to consider if thought to be in the best interests of creditors of the Company, to enter into discussions and negotiations for and on behalf of the Company for the purpose of, but not limited to, restructuring of the Company’s business, operations, or indebtedness or to implement a scheme of arrangement between the Company and its creditors and/or shareholders for such restructuring.

After the appointment of the Provisional Liquidators on 6 October 2008, the then management of the Company together with the Provisional Liquidators used their best endeavours to maintain the business of the Group both in Hong Kong and the People’s Republic of China (the “PRC”). Notwithstanding the subsequent changes in personnel as the Provisional Liquidators gradually replaced the management team, the total revenue achieved by the Group according to the financial statements of the Group for the year ended 31 March 2011 was approximately HK\$331.08 million.

The hearing of the Petition against the Company was originally scheduled on 10 December 2008 and the High Court adjourned the hearing of the Petition against the Company to 26 September 2011. A winding up order against Uni-Capital was granted by the High Court on 9 November 2009.

3. Basis of preparation

Suspension of trading in shares of the Company

At the request of the Company, trading in shares of the Company had been suspended since 17 September 2008.

On 6 October 2008, the Company was petitioned for winding-up as the Company could not meet demands for the repayment of outstanding debts. Upon the application of the Petitioner, on 6 October 2008, the Provisional Liquidators were appointed by the High Court.

On 16 May 2009, the Provisional Liquidators, Advance Lead International Limited (the “Investor”), the Company and an escrow agent, entered into an escrow agreement (as supplemented by the three supplementary agreements and hereinafter collectively referred as to the “Escrow Agreement” unless otherwise specified) for the implementation of the restructuring proposal. Pursuant to the Escrow Agreement, the Provisional Liquidators granted the Investor an exclusive right for a period up to 30 June 2010 (as subsequently extended to 31 March 2012) to negotiate a legally binding restructuring agreement for the implementation of the restructuring proposal.

On 30 July 2009, the Stock Exchange issued a letter to place the Company in the second stage of the delisting procedures under Practice Note 17 of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”).

On 26 February 2010, the Company was placed in the third stage of the delisting procedures pursuant to Practice Note 17 of the Listing Rules and that the Company was required to submit a viable resumption proposal which demonstrates its compliance with the requirement stipulated under Rule 13.24 of the Listing Rules.

On 6 August 2010, a directly wholly-owned subsidiary of the Company, UR Group Limited (“UR Group”) and the Investor entered into a secured loan facility agreement, pursuant to which the Investor agreed to provide a working capital facility up to HK\$15,000,000 to UR Group. The advance of HK\$4,800,000 has already been received from the Investor prior to the date of the said agreement. On the same day, a directly wholly-owned subsidiary of the Company, Alfreda Limited (“Alfreda”) and the Investor entered into another secured loan facility agreement, pursuant to which the Investor agreed to provide a facility up to HK\$20,000,000 to Alfreda as part of the consideration of the acquisition (“Acquisition”) of the entire interest in Sino Hill Group Limited. Two advances of HK\$10,000,000 and of HK\$5,000,000 were drawn down from the Investor on 15 September 2010 and on 31 January 2011 respectively in respect of the second loan facility agreement.

On 9 August 2010, an indirectly wholly-owned subsidiary of the Company, Right Season Limited (“Right Season”), entered into a sale and purchase agreement (the “S&P Agreement”) for the Acquisition, at a consideration of HK\$40 million by way of cash and the promissory note. Details of the S&P Agreement are set out in the Company’s announcement dated 31 August 2010.

On 9 August 2010, the Provisional Liquidators, with the assistance of the financial advisor of the Company, Veda Capital Limited, submitted the resumption proposal to the Stock Exchange and the resumption proposal is currently under review by the Stock Exchange.

On 31 December 2010, Right Season entered into the first supplemental agreement to the S&P Agreement to extend the long stop date to 31 March 2011 and amend certain terms and conditions as set out in the S&P Agreement.

By an order of the High Court dated 30 March 2011, the hearing of the Petition to the High Court for the winding-up of the Company was further adjourned to 26 September 2011.

On 4 April 2011, Right Season entered into the second supplemental agreement to the S&P Agreement to further extend the long stop date to 30 September 2011 as more time is needed for the fulfillment of the conditions precedent of the S&P Agreement.

After the resumption proposal of the Company was submitted to the Stock Exchange on 9 August 2010, the Stock Exchange had made certain queries on the resumption proposal. The Company had replied the Stock Exchange’s queries and the resumption proposal is currently under review by the Stock Exchange which the Stock Exchange has not indicated or confirmed that approval (with or without further conditions) may be granted.

The Provisional Liquidators and (amongst others) the Investor entered into the third supplemental agreement to the Escrow Agreement and further extended the exclusivity period to 31 March 2012.

Going concern basis

As at 31 March 2011 the Group had net current liabilities of approximately HK\$1,597,231,000 (2010: HK\$1,600,277,000) and net liabilities of approximately HK\$1,597,198,000 (2010: HK\$1,600,277,000) respectively. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

To address the issues above, the Provisional Liquidators have been in discussion and negotiation with the Investor to explore the possibility of injecting new funds into the Group through the proposed restructuring.

The consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring as mentioned above, or alternatively under other available options of restructuring, and therefore be unable to continue its business as a going concern, adjustments might have to be made to the carrying amounts of the Group's assets to state them at their recoverable amounts, to provide for any further liabilities which might arise, and to reclassify non-current assets and liabilities to current assets and liabilities, respectively.

4. Application of new and revised Hong Kong Financial Reporting Standards

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants that are relevant to its operations and effective for its accounting year beginning on 1 April 2010. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group's accounting policies, presentation of the Group's financial statements and amounts reported for the current year and prior years.

The Group has not applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

Accordingly, a provision for financial guarantee liabilities of approximately HK\$1,118,325,000 as at 31 March 2011 (2010: HK\$1,118,325,000) for the Company has been made against the probable uncovered exposures to be borne by the Company under those guarantees at the end of the reporting period.

BUSINESS REVIEW

The principal activity of the Company is investment holding and the principal activities of its subsidiaries are wholesale and retail of fashion garments and trading of garment materials.

After the appointment of the Provisional Liquidators on 6 October 2008, the then management of the Company together with the Provisional Liquidators used their best endeavours to maintain the business of the Group both in Hong Kong and the PRC. Notwithstanding the subsequent changes in personnel as the Provisional Liquidators gradually replaced the management team, the total revenue achieved by the Group according to the financial statements of the Group for the year ended 31 March 2011 was approximately HK\$331.08 million.

The hearing of the Petition against the Company was originally scheduled on 10 December 2008 and the High Court adjourned the hearing of the Petition against the Company to 26 September 2011. A winding up order against Uni-Capital was granted by the High Court on 9 November 2009.

It is expected that the Petition against the Company will be withdrawn upon the successful implementation of the restructuring of the Company as referred to in the section headed "Restructuring of the Group" below.

RESTRUCTURING OF THE GROUP

On 16 May 2009, the Provisional Liquidators, the Investor, the Company and an escrow agent entered into an escrow agreement (as supplemented by the three supplementary agreements and hereinafter collectively referred as the "Escrow Agreement" unless otherwise specified) in anticipation of the implementation of the restructuring proposal. Pursuant to the Escrow Agreement, the Provisional Liquidators granted the Investor an exclusivity for a period up to 31 December 2010 by undertaking not to offer to any other party the opportunity to negotiate any terms for the restructuring of the outstanding indebtedness and/or share capital of the Company and setting out certain key terms of the debt and capital restructuring of the Company. The exclusivity period was subsequently extended to 31 March 2012 pursuant to the third supplemental agreement to the Escrow Agreement.

On 2 July 2009, UR Group Limited (“UR Group”), a new directly wholly-owned subsidiary of the Company was incorporated in the British Virgin Islands. UR Group is an investment holding company which beneficially owns 100% interest in both U-RIGHT Trading Development Limited (“URTDL”) and Nano Garment Holdings Limited (“NGHL”). URTDL and NGHL were both incorporated in Hong Kong on 17 July 2009. Since August 2009, the Group’s garments trading business has been carried out through URTDL.

On 24 January 2010, URTDL entered into a joint venture contract with 石獅市意利王制衣發展有限公司 (for identification purpose, Shishi City Yiliwang Clothes Development Co., Ltd.) (“Shishi Yiliwang”) and 廈門大騰工貿有限公司 (for identification purpose, Xiamen Dateng Industry Trade Limited) (“Xiamen Dateng”) (collectively the “Joint Venture Partners”) for the establishment of an equity joint venture company, Xiamen U-Right Garment Co. Ltd. (“Xiamen U-Right”) and subscribed to the constitution of Xiamen U-Right, all dated 24 January 2010. The Joint Venture Partners have also agreed all the material terms of, and procured Xiamen U-Right to enter into the subcontracting agreement (as further explained below) when Xiamen U-Right was established.

On 11 February 2010, Xiamen U-Right was established. The subcontracting agreement was entered into between Xiamen U-Right and the Joint Venture Partners on the same date delineating the operations, rights, duties and obligations between Xiamen U-Right and the Joint Venture Partners. Xiamen U-Right is principally engaged in the garment retail and trading business and also trading of garment materials.

On 6 August 2010, the Investor entered into secured loan facility arrangements with UR Group and a directly wholly-owned subsidiary of the Company, Alfreda Limited respectively, for the provision of general working capital and part of the consideration for the acquisition (“Acquisition”) of the entire issued share capital of Sino Hill Group Limited.

On 9 August 2010, an indirectly wholly-owned subsidiary of the Company, Right Season Limited (“Right Season”), entered into a sale and purchase agreement (the “S&P Agreement”) for the Acquisition at a consideration of HK\$40 million by way of cash and the promissory note. Details of the S&P Agreement are set out in the Company’s announcement dated 31 August 2010.

On 31 December 2010, Right Season entered into a supplemental agreement to the S&P Agreement (the “1st Supplemental Agreement”) to extend the long stop date to 31 March 2011 and amend certain terms and conditions as set out in the S&P Agreement.

As more time is needed for the fulfillment of the conditions precedent of the S&P Agreement, on 4 April 2011, Right Season entered into the second supplemental agreement to the S&P Agreement (the “2nd Supplemental Agreement”) to further extend the long stop date to 30 September 2011.

Details of the 1st Supplemental Agreement and the 2nd Supplemental Agreement are set out in the Company’s announcements dated 4 January 2011 and 4 April 2011 respectively.

The principal elements of the Escrow Agreement are, inter alia, as follows:

a) Capital Restructuring

The Company will undergo, inter alia, a capital restructuring, involving a capital cancellation, a share consolidation, a capital reduction, an authorized share capital increase and a full discharge of the existing convertible notes subject to the provisions of a scheme of arrangement (the “Scheme”).

b) Share Subscription

The Company will raise new funds by way of the ordinary share subscription and the issue of the convertible preference shares to the Investor.

c) Provision of Loan Facilities

The Investor will continue to provide secured loan facilities without any interest to the Company as general working capital and part of the consideration for the Acquisition.

d) Scheme and Debt Restructuring

During this reporting period, taking into considerations of the comments made by the Stock Exchange, the Provisional Liquidators and the Investor have further negotiated on the terms of the Escrow Agreement. It is expected that the put options proposed to be granted to the creditors by the Investor in respect of the approximately 5% of issued shares of the Company as enlarged by the share subscription, which was mentioned as part of the Scheme proposed to be implemented by the Provisional Liquidators, will not be part of the Scheme. The Company will issue such number of shares representing about 5% of the issued share capital of the Company on a fully diluted basis (“Creditors Shares”) immediately upon completion of (1) the capital restructuring; and (2) the Scheme and debt restructuring.

The Provisional Liquidators propose to implement the Scheme to settle the debts owed to the creditors by (i) HK\$50 million cash (from the proceeds of subscription for shares by the Investor); and (ii) the Creditors Shares. However, the terms of the Scheme will be subject to further negotiations between the Provisional Liquidators and the Scheme creditors and/or the Investor and subject to final sanction of the Scheme by the High Court and approval by shareholders of the Company.

The Investor would become a controlling shareholder of the Company upon completion of the proposed restructuring of the Group as contemplated under the Escrow Agreement.

EXTRACT OF INDEPENDENT AUDITOR’S REPORT ON THE COMPANY’S CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2011

The Company’s auditor has qualified the report on the Group’s consolidated financial statements for the year ended 31 March 2011, an extract of which is as follows:

Basis for disclaimer of opinion

1. Opening balances and corresponding figures

Our audit opinion on the consolidated financial statements of the Group for the year ended 31 March 2010 (the “2010 Financial Statements”), which form the basis for the corresponding figures presented in the current year’s consolidated financial statements, was disclaimed because of the significance of the possible effect of the limitations on the scope of our audit and the material uncertainty in relation to going concern, details of which are set out in our audit report dated 28 September 2010. Accordingly, we were then unable to form an opinion as to whether the 2010 Financial Statements gave a true and fair view of the state of affairs of the Group as at 31 March 2010 and of the Group’s results and cash flows for the year then ended.

2. Deconsolidation of the subsidiaries

Certain subsidiaries of the Company were deconsolidated from the Group since 1 April 2008. No sufficient evidence has been provided to satisfy ourselves as to whether the Company had lost control of the subsidiaries since 1 April 2008 and throughout the year ended 31 March 2011.

Accordingly, no sufficient evidence has been provided to satisfy ourselves, in relation to the deconsolidated subsidiaries, as to the completeness of the transactions of the Group for the year ended 31 March 2011 and the Group’s financial position as at that date.

3. Financial guarantee liabilities

No direct confirmation and other sufficient evidence have been received by us up to the date of this report in respect of the financial guarantee liabilities of approximately HK\$1,118,325,000 as at 31 March 2011 in the consolidated statement of financial position.

4. *Due to deconsolidated subsidiaries*

No direct confirmation and other sufficient evidence have been received by us up to the date of this report in respect of the amounts due to deconsolidated subsidiaries of approximately HK\$416,323,000 as at 31 March 2011 in the consolidated statement of financial position.

5. *Commitments and contingent liabilities*

No sufficient evidence has been provided to satisfy ourselves as to the existence and completeness of the disclosures of commitments and contingent liabilities as at 31 March 2011.

Any adjustments to the figures as described from points 1 to 5 above might have a significant consequential effect on the Group's results for the two years ended 31 March 2010 and 2011, the Group's cash flows for the two years ended 31 March 2010 and 2011 and the financial positions of the Group as at 31 March 2010 and 2011, and the related disclosures thereof in the consolidated financial statements.

MATERIAL UNCERTAINTY RELATING TO THE GOING CONCERN BASIS

In forming our opinion, we have considered the adequacy of the disclosures made in note 3 to the consolidated financial statements which explains that a proposal for the resumption of trading in the Company's shares and the restructuring of the Group (the "Resumption Proposal") was submitted to The Stock Exchange of Hong Kong Limited on 9 August 2010.

The consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the uncertainty relating to the completion of the restructuring, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis.

DISCLAIMER OF OPINION

Because of the significance of the matters described in the basis for disclaimer of opinion paragraphs and the material uncertainty relating to the going concern basis as described above, we do not express an opinion on the consolidated financial statements as to whether they give a true and fair view of the state of affairs of the Group as at 31 March 2011 and of the Group's results and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards. In all other respects, in our opinion the consolidated financial statements have been properly prepared in accordance with the disclosure requirements of the Hong Kong Companies Ordinance.

SUSPENSION OF TRADING

Trading in the shares of the Company has been suspended since 17 September 2008 and will remain in suspension until further notice.
