On 30 June 2011, AkzoNobel N.V., Salvador AG and Schramm Holding AG (the "Company") announced a pre-conditional voluntary conditional cash offer (the "Joint Announcement") regarding the proposed acquisition of all issued shares in the Company. (the “IU”). Under the terms of the IU, SSCP agreed to be bound by Re-enforced CCT Arrangements pursuant to which certain agreements will be entered into by and between SSCP and the Company to replace Existing CCT Arrangements after the acquisition of the Company by Salvador AG. Any adjustment of the price shall be dependent on the price development of raw materials relating to a basket consisting of the top five (with regard to value) raw materials needed for the manufacturing of the products classes 'solvents', 'resins' and 'pigments' and in any event not exceeding the lowest price that SSCP offered to other customers at the same time for the same product and for comparable volumes and adjusted for currency differences.

3. Resolution on the entering of the Disposal Agreement to effect the Carve-out Arrangement

Under the terms of the Irrevocable Undertaking, SSCP agrees to cause the Company to enter into the Carve-out Arrangement, pursuant to which SSCP causes the Company to sell its Non-Coating Business prior to the Transfer Date. Hence, Schramm Hong Kong Co., Ltd., a wholly-owned subsidiary of the Company, and Ecoyarn Co., Ltd. entered into the Disposal Agreement to effect the Carve-out Arrangement. (ii) Bravo Capital Group Ltd. is the holding entity of Lumii Tech, a stock corporation incorporated under the Law of State of Maine, USA. Lumii Tech is a company which is involved in the development of non-coatings related business of the Company. A loan amounting to a total sum of USD500,000.00 was provided by Schramm Hong Kong Co. “That the terms and conditions of the Disposal Agreement entered into by Schramm Hong Kong Co. Ltd. and Ecoyarn Co. Ltd., and all transactions contemplated under the Disposal Agreement are hereby approved, confirmed and ratified.”

4. Resolution on the entering of the KC Transaction

The term of the service agreement between Mr. Kyung Seok Chae (“Mr. Chae”), member of the Management Board of the Company, and the Company was extended for two more years as agreed between Mr. Chae, Mr. Jung Hyun Oh (“Mr. Oh”) and the controlling shareholders by way of settlement agreement dated 17 June 2011 and by way of approval by the shareholders in the annual general meeting of the Company held on 30 June 2011.

Under the service agreement with Mr. Chae, the Company was required to make severance payments and other compensations to Mr. Chae if there was a sale of the Company. The Offer made by Salvador AG regarding the acquisition of all the issued shares in the Company would constitute such a sale of the Company for the above purpose. Details of the compensation mechanism of the original service agreements of Mr. Chae have been disclosed in the Prospectus of the Company dated 15 December 2009, and circulars of the Company dated 23 July 2010 and 30 May 2011, respectively.

In order to reduce the severance and compensation obligations of the Company against Mr. Chae as set out above Mr. Chae has entered into a settlement agreement with (i.a.) the Company and the controlling shareholders pursuant to which Mr. Chae agrees to waive and forfeit his right to receive payments arising from a sale of the Company subject to the payment of a lump sum gross payment of EUR3.5 million being paid to Mr. Chae by the Company.

The extension arrangement relating to the extension of Mr. Chae's service agreement as set out in the settlement agreement dated 17 June 2011 (i.e. the KC Transaction) constitutes a special deal under Rule 25 of the Takeovers Code and therefore requires the consent of the Executive.

The relevant documents are available for inspection at the premises of the Company and will be provided upon request.

The Management Board and Supervisory Board have resolved to submit the KC Transaction to the EGM for its approval, and propose to put the following resolution for shareholders' approval:

“That the terms and conditions of the KC Transaction, and all transactions contemplated under the KC Transaction, which constitutes a special deal under Rule 25 of the Takeovers Code, are hereby approved, confirmed and ratified.”

Those shareholders who are physically present at the actual Extraordinary General Meeting in Munich or at the venue in Hong Kong in which the Extraordinary General Meeting is broadcasted live by video screen are entitled to vote in person.

Shareholders who do not participate in person at the Extraordinary General Meeting in Munich nor view the Extraordinary General Meeting at the Hong Kong venue may exercise their voting right via an authorised representative, e.g. a credit institution, a shareholder association, a proxyholder nominated by Schramm Holding AG or any other authorised third party. If the proxyholders are not the persons nominated by Schramm Holding AG, nor credit institution(s) (as defined in section 135 German Stock Corporation Act), nor professional agent(s) (as defined in section 135 German Stock Corporation Act), the failure to give clear instructions as to how to cast the vote(s) will entitle the proxyholders to cast the vote(s) at their discretion.
