References are made to the announcement of Cosway Corporation Limited (the “**Company**”) dated 18 July 2011 advising that the Board has been informed by CCB, the controlling shareholder of the Company, that it was considering the Possible Privatisation, the announcements dated 18 August 2011, 16 September 2011 and 18 October 2011 in which the status of the Possible Privatisation were updated, and the announcement dated 19 September 2011 advising that the Board has been informed by BCorp that it was considering the Proposed BCorp Rights Issue (collectively, the “**Announcements**”). Unless otherwise defined, terms used in this announcement shall have the same meanings as those defined in the Announcements.

This announcement is made pursuant to Rule 3.7 of the Takeovers Code and includes information required under Rules 3.7 and 3.8 of the Takeovers Code.

The Board wishes to update Shareholders and ICULS Holders on the status of the Possible Privatisation.

After enquiry with CCB, the Company has been informed that BCorp, the ultimate holding company of CCB and the Company, is still progressing towards getting its shareholders’ approval for the Possible Privatisation at the same extraordinary general meeting of BCorp to be convened for the Proposed BCorp Rights Issue. BCorp, which is listed on the Main Market of Bursa Malaysia Securities Berhad, and its advisors have been working on the deal issues arising out of the concurrent exercises, including the relevant Malaysian regulatory approvals required and the timing implications, in order to ensure that the Possible Privatisation and the Proposed BCorp Rights Issue would be implemented in compliance with all applicable regulatory requirements in both Hong Kong and Malaysia. As the issues are still be considered and worked on, BCorp is not yet in a position to set down a definite timetable for these exercises at this stage. Further announcement will be made by BCorp and/or the Company regarding any further development in compliance with the Takeovers Code as and when appropriate.

Shareholders and ICULS Holders will be informed of any further development with regard to the Possible Privatisation as and when necessary and on a monthly basis by way of progress announcement(s) under Rule 3.7 of the Takeovers Code until an announcement of a firm intention to make an offer or of a decision not to proceed with an offer is made in compliance with the Takeovers Code.

The Possible Privatisation may or may not materialize. Shareholders, ICULS Holders and potential investors are advised to exercise extreme caution when dealing in the securities of the Company.

DEALING DISCLOSURE

The respective associates (as defined in the Takeovers Code) (including, among others, persons holding 5% or more of a class of relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code)) of the Company and CCB are reminded to disclose their dealings in the securities of the Company under Rule 22 of the Takeovers Code.

RESPONSIBILITIES OF STOCKBROKERS, BANKS AND OTHER INTERMEDIARIES

In accordance with Rule 3.8 of the Takeovers Code, the full text of Note 11 to Rule 22 of the Takeovers Code is reproduced below and the terms used therein shall have the same meaning as those ascribed to them in the Takeovers Code:

“Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates and other persons under Rule 22 of the Takeovers Code and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant rules of the Takeovers Code. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7-day period is less than HK\$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive Director of the Corporate Finance Division of the Securities and Futures Commission or any of its delegate (the “Executive”) in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
