Unitholders should note the following:-

- (i) **any Unitholder who shall request for a distribution in USD should note that the dividend amount per Unit shall be rounded down to the nearest 2 decimal places, i.e., with any amount less than USD 0.01 rounded downwards and disregarded from the payment, and the total dividend amount actually received by such Unitholder (i.e., the dividend amount per Unit multiplied by the number of Unit(s) held by such Unitholder) shall further be rounded down to the nearest US cent upon payment thereof,**
