NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

For the six months ended 30 September 2006

1. BASIS OF PREPARATION

(i) Going concern basis

The Group sustained a loss attributable to equity holders of the Company of approximately HK\$110 million for the 6 months ended 30 September 2006 (12 months ended 31 December 2005: profit of approximately HK\$117 million). As at 30 September 2006, the Group had net current liabilities of approximately HK\$1,788 million (31 March 2006: HK\$1,679 million) and net liabilities of approximately HK\$1,788 million (31 March 2006: HK\$1,679 million). These conditions indicate the existence of material uncertainty which may cast significant doubt about the Group's ability to continue as a going concern.

A writ of summons to demand petitions for the winding-up of the Company and its certain subsidiaries had been filed. Following the petitions, the Company applied to the court for the appointment of the provisional liquidators. Messrs. Joseph Kin Ching Lo and Lai Kar Yan (also known as Lai Kar Yan, Derek), both of Deloitte Touche Tohmatsu ("**Deloitte**"), have been appointed as the joint and several provisional liquidators of the Company (the "**Provisional Liquidators**") on 24 July 2006.

On 23 April 2008, the Company announced that an agreement for the proposed restructuring of the Group, involving capital reorganisation, debt restructuring, subscription of new shares and subscription of preference shares, was entered into on 20 December 2007 among the Company, Goldstar Success Limited (the "**Investor**"), the Provisional Liquidators and Deloitte (the "**Restructuring Agreement**"). On 26 February 2009, 4 January 2010 and 12 April 2011, the Company, the Investor, the Provisional Liquidators and Deloitte entered into supplemental agreements to extend the long stop date of the Restructuring Agreement to 31 December 2009, 31 December 2010 and 31 December 2011 respectively. On 1 August 2011, the Company, the Investor, the Provisional Liquidators and Deloitte entered into a supplementary agreement to make amendments to the term of Restructuring Agreement.

Golden Beach Enterprises Limited ("**Golden Beach**"), a new wholly owned subsidiary of the Company, was incorporated in the British Virgin Islands. Golden Beach is an investment holding company which beneficially owns 100% interest in Fast Excel Limited ("**FEL**") and Parkson Trade Services Limited ("**Parkson**"). FEL and Parkson were incorporated in Hong Kong. The Company has reactivated its trading of the aluminium products through Parkson and supply of aluminium products to construction companies through FEL since June 2008 and December 2009 respectively.

On 30 September 2010, the Group acquired entire equity interest in Tak Lee Metal Manufactory (Hong Kong) Company Limited and its subsidiary namely Zhongshan City Minzhong Deli Metal Co., Ltd through FEL.

In addition, on 20 July 2010, the Group entered into an agreement with a company to establish a joint venture for manufacturing aluminium extrusion products.

On 29 November 2010, Fast Excel Gold Mountain Zhongshan Aluminium Products (Hong Kong) Limited, a subsidiary of the Company, was incorporated in Hong Kong for the purpose of the establishment of joint venture.

Save for Golden Beach, FEL, Parkson, Tak Lee Metal Manufactory (Hong Kong) Company Limited, Zhongshan City Minzhong Deli Metal Co., Ltd and Fast Excel Gold Mountain Zhongshan Aluminium Products (Hong Kong) Limited and the proposed joint venture, the issued shares of all other subsidiaries directly or indirectly held by the Company (the "**Excluded Subsidiaries**"), will be transferred to the Scheme administrators or their nominees for the benefit of the creditors at a nominal consideration of HK\$1 as a term of the Scheme which was sanctioned by the High Court of Hong Kong on 15 April 2008. Modification to the Scheme were subsequently approved by the High Court on 30 June 2011.

The Company was placed into the third stage of delisting procedures on 13 March 2008. Having reviewed and considered the revitalised operations and affairs of the Group and the Company, the directors concluded that the proposed restructuring represents the best means available for the Company to be returned to solvency and to continue the development and enhancement of its business. The directors are therefore of the opinion that it is appropriate to prepare the condensed consolidated financial statements on a going concern basis.

The condensed consolidated financial statements have been prepared on a going concern basis on the assumption that the proposed restructuring of the Company will be successfully completed, and that, following the restructuring the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the condensed consolidated financial statements to adjust the value of assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

(ii) Deconsolidation of subsidiaries and a subsidiary not consolidated

The condensed consolidated financial statements have been prepared based on the available books and records as maintained by the Company and its subsidiaries. The results, assets and liabilities of the following significant subsidiaries, small-sized or inactive subsidiaries set out in (a) and (b) below were deconsolidated (“**Deconsolidated Subsidiaries**”) from the condensed consolidated financial statements of the Group since 1 January 2005.

- (a) Due to (1) all the shares in the capital of Toowomba Holdings Limited and Successful Gold Profits Limited, wholly owned subsidiaries of the Company, were charged under a share charge agreement to The Bank of New York, as a trustee, for and on behalf of the holders of the US\$125 million and US\$35 million 9.25% guaranteed notes issued by the Company in December 2005 and March 2006, or (2) liquidation of certain significant subsidiaries or their immediate holding companies; or (3) the major assets and production facilities of the significant subsidiaries were subject to freezing orders obtained by the creditors in the PRC, the directors have not been able to obtain access to the books and records of these subsidiaries and considered that controls have been lost. In the opinion of the directors, consolidating the results, assets and liabilities of the following significant subsidiaries into the condensed consolidated financial statements will only provide a misleading picture of the state of affairs of the Group and will be no value to the members of the Company.

- (b) In addition, the results, assets and liabilities of the following small-sized or inactive subsidiaries were also deconsolidated from the condensed consolidated financial statements since 1 January 2005. The directors considered that the exclusion of the results, assets and liabilities of these subsidiaries from the condensed consolidated financial statements for the 6 months ended 30 September 2006 would not significantly affect the results of the Group for the current period as the cost of obtaining these information would exceed the value of these information to the members of the Company.

Jinbocho Holdings Limited
Ocean Grand (China) Limited
Ocean Grand Finance Limited
Ocean Grand Services Limited
Ocean Grand Technology Company Limited

- (c) OG Aluminium Australia Pty Ltd (“OGA”), indirectly owned subsidiary of the Company, was incorporated in Australia on 19 May 2006. The current directors do not have any accounting books and records on OGA and considered that the exclusion of the results, assets and liabilities of OGA into the condensed consolidated financial statements would not significantly affect the results of the Group for the six months ended 30 September 2006.

Thus, in the opinion of directors, the condensed consolidated financial statements for the 6 months ended 30 September 2006 prepared on the aforementioned basis present more fairly the results and state of affairs of the Group as a whole.

(iii) Potential accounting irregularities

Pursuant to the announcement dated 24 July 2006, the Company has been unable to contact or locate the finance manager of OG Aluminium (Sanshui) Company Limited (“**OG Sanshui**”), an indirectly owned subsidiary of the Company, since 17 July 2006. Certain accounting books and records in respect of OG Sanshui are unknown and related electronic records have apparently been erased. In the course of the investigation into certain PRC subsidiaries, the Hong Kong management team and Deloitte have also found that the details of the cash and bank balances of most of PRC subsidiaries as shown to Deloitte by the financial personnel of the PRC subsidiaries are material different to those shown in their management accounts as at 31 March 2006.

Following the potential accounting irregularities uncovered by the Provisional Liquidators, the Commercial Crime Bureau of the Hong Kong Police Force conducted a number of searches at the Group’s premises, seized documents and records and interviewed staff of the Group. Therefore, the current directors were unable to satisfy themselves as to the validity, completeness and genuineness of the financial information on the Group’s subsidiaries.

(iv) Insufficient information provided by the directors

Due to the potential accounting irregularities described in the note 1(iii) above and all of the former accounting personnel of the Group had left, the current directors were unable to obtain sufficient documentary information to satisfy themselves regarding the genuineness of certain books and records and treatment of various balances of the Group as at 30 September 2006 and have formed the following opinion.

- (a) Due to limited books and records available to the current directors, the current directors have been unable to obtain sufficient documentary information to satisfy themselves that the following amounts included in the condensed consolidated financial statements for the 6 months ended 30 September 2006 as to whether the completeness, correctness of identification and the disclosures recorded by the Company:
- turnover of HK\$nil and in note 3;
 - other income of approximately HK\$527,000 and in note 3;
 - impairment loss on amounts due from Deconsolidated Subsidiaries of approximately HK\$49,593,000;
 - general and administrative expenses of approximately HK\$8,572,000;
 - finance costs of approximately HK\$51,871,000;
 - other receivables of approximately HK\$688,000 and in note 8;
 - amounts due from Deconsolidated Subsidiaries of approximately HK\$3,001,000;
 - bank balances and cash of approximately HK\$99,000;
 - short-term borrowings of approximately HK\$1,276,185,000;
 - other payables of approximately HK\$390,077,000 and in note 9;

- amounts due to Deconsolidated Subsidiaries of approximately HK\$125,936,000;
 - deferred taxation;
 - share options; and
 - commitments.
- (b) Due to limited books and records available to the current directors, the following disclosures have not been made in the condensed consolidated financial statements:
- the detail of related party disclosures as required by HKAS 24 “Related Party Disclosures” has not been made in the condensed consolidated financial statements;
 - details of contingent liabilities as required by HKAS 37 “Provisions, Contingent Liabilities and Contingent Assets”; and
 - details of analysis of pledge of assets.

Any adjustments arising from the matters described above might have a significant consequential effect on the loss and cash flows of the Group for the 6 months ended 30 September 2006 and the net liabilities of the Group as at 30 September 2006 and the related disclosures thereof in the condensed consolidated financial statements.

Also, as a result of the matters described above, the comparative figures shown in the condensed consolidated income statement and condensed consolidated cash flow statements for the 12 months ended 31 December 2005 and in the condensed consolidated balance sheet as at 31 March 2006 and related explanatory notes may not be comparable with the figures for the current period.

2. PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard (“**HKAS**”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (the “**HKICPA**”) and the applicable disclosure requirements of Appendix 16 of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”) except for the non-compliance as mentioned in note 1 above.

The principal accounting policies adopted in the condensed consolidated financial statements are consistent with those adopted in the preparation of the Group’s annual financial statements for the 15 months ended 31 March 2006.

In the current period, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the HKICPA that are relevant to its operations and effective for accounting periods beginning on 1 April 2006. The adoption of these new and revised HKFRSs did not result in substantial changes to the Group’s accounting policies and amounts reported for the current and prior accounting periods.

The Group has not early applied the new HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of these new HKFRSs but is not yet in a position to state whether these new HKFRSs would have a material impact on its results of operations and financial position.

EXTRACT OF REPORT ON REVIEW ON INTERIM FINANCIAL INFORMATION

In the report on review on interim financial information, the auditors have included the following paragraphs in the auditors' conclusion:

Basis for Disclaimer of Conclusion

1. Our report on the consolidated financial statements of the Company for the 15 months ended 31 March 2006 was disclaimed in view of the pervasive nature of the limitation on the scope of our audit resulting from the inability of the directors to locate sufficient documentary information and material uncertainty in relation to the going concern of the Company. Accordingly, we were unable to form an opinion as to whether the net liabilities of the Group as at 31 March 2006 and the related disclosures in the notes to the condensed consolidated financial statements for the 15 months ended 31 March 2006 were fairly stated.
2. As explained by the directors of the Company in notes 1(ii) to (iv) to the condensed consolidated financial statements, certain subsidiaries of the Company were deconsolidated from the condensed consolidated financial statements since 1 January 2005 and all of the former accounting personnel of the Group had left and there are potential accounting irregularities. Accordingly, the current directors of the Company have been unable to obtain sufficient documentary information to satisfy themselves regarding the genuineness of certain books and records and treatment of various balances of the Group as at 30 September 2006 and have formed the conclusion as follows:
 - (a) as explained by the directors of the Company in note 1(ii)(c) to the condensed consolidated financial statements, OG Aluminium Australia Pty limited, a new indirectly owned subsidiary, was not included into the condensed consolidated financial statements because the current directors do not have any financial information on this subsidiary.
 - (b) as explained in note 1(iv)(a) to the condensed consolidated financial statements, due to limited books and records available to the current directors, the current directors of the Company were unable to obtain sufficient documentary evidence to satisfy themselves that the following amounts included in the condensed consolidated financial statements for the six months ended 30 September 2006 as to whether the completeness, correctness of identification and the disclosures recorded by the Company:
 - turnover of HK\$nil and in note 3;
 - other income of approximately HK\$527,000 and in note 3;
 - impairment loss on amounts due from Deconsolidated Subsidiaries (defined in note 1(ii)) of approximately HK\$49,593,000;
 - general and administrative expenses of approximately HK\$8,572,000;

- finance costs of approximately HK\$51,871,000;
- other receivables of approximately HK\$688,000 and in note 8;
- amounts due from Deconsolidated Subsidiaries of approximately HK\$3,001,000;
- bank balances and cash of approximately HK\$99,000;
- short-term borrowings of approximately HK\$1,276,185,000;
- other payables of approximately HK\$390,077,000 and in note 9;
- amounts due to Deconsolidated Subsidiaries of approximately HK\$125,936,000;
- deferred taxation;
- share options; and
- commitments.

(b) as explained in note 1(iv)(b) to the condensed consolidated financial statements, due to limited books and records available to the current directors, the following disclosures have not been made in the condensed consolidated financial statements:

- the detail of related party disclosures as required by HKAS 24 “Related Party Disclosures” has not been made in the condensed consolidated financial statements;
- details of contingent liabilities as required by HKAS 37 “Provisions, Contingent Liabilities and Contingent Assets”; and
- details of analysis of pledge of assets.

3. We have not been able to obtain all necessary information for us to complete our review of subsequent events from the balance sheet date up to the date of this report. Such procedures might have resulted in the identification of adjustments to the amounts reported in and/or disclosed as notes to the condensed consolidated financial statements of the Group as at 30 September 2006.

However, as a result of the matters described above, we were unable to obtain sufficient reliable evidence to satisfy ourselves as to whether the condensed consolidated financial statements are free from material misstatement. Any adjustments that might have been found to be necessary in respect of the above would have a significant effect on the Group’s results and cash flows for the six months ended 30 September 2006 and for the twelve months ended 31 December 2005 and on the state of the Group’s affairs as at 31 March 2006 and 30 September 2006 and the related disclosures thereof in the condensed consolidated financial statements.

Material Uncertainty Relating to the Going Concern Basis

In forming our conclusion, we have considered the adequacy of the disclosures in note 1(i) to the condensed consolidated financial statements concerning the adoption of the going concern basis on which the condensed consolidated financial statements have been prepared. The Company has entered into a conditional agreement with, among others, an investor for the purpose of restructuring of the Company's indebtedness and revitalising the Group's business. The condensed consolidated financial statements have been prepared on a going concern basis on the assumption that the restructuring agreement will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future. The condensed consolidated financial statements do not include any adjustments that would result from a failure to complete the restructuring. We consider that the disclosures are adequate. However, in view of the extent of the material uncertainty relating to the completion of the restructuring, we disclaimed our review conclusion in respect of the material uncertainty relating to the going concern basis.

Disclaimer of Conclusion

Because of the significance of the matters described in the basis for disclaimer of conclusion paragraphs and the material uncertainty relating to the going concern basis paragraph, we are unable to and do not express any conclusion as to whether the condensed consolidated financial information for the six months ended 30 September 2006 is prepared, in all material respects, in accordance with HKAS 34.

We draw attention to the fact that the comparative condensed consolidated income statement, the condensed consolidated statement of changes in equity and the condensed consolidated cash flow statements for the twelve months ended 31 December 2005 and the relevant explanatory notes disclosed in the interim financial information have not been reviewed in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity".

At a special general meeting of the Company held on 23 November 2011, the establishment of the joint venture was duly approved by the shareholders.

PROSPECTS

It is anticipated that the financial position of the Group will be substantially improved upon completion of the Restructuring Agreement (“**Completion**”) as all the liabilities of the Company will be compromised and discharged through the scheme of arrangement between the Company and its scheme creditors.

Further, upon Completion, the Company’s shares will resume trading on the Stock Exchange of Hong Kong Limited (“Stock Exchange”) subject to the fulfillment of conditions imposed by the Listing Appeals Committee of the Stock Exchange.

The Company is confident that, with the Investor’s strong support in the business and financial aspects, the Group will be able to gain a strong foothold in the aluminium business and achieve more substantial level of operations within a reasonable period of time after the resumption of trading in its shares on the Stock Exchange.
