- (c) as at the date hereof, the Conversion Price is HK\$3.44 per Unit. With effect from the Adjustment Date, the Conversion Price will be HK\$3.40 per Unit;

Please note that both Champion REIT and Fair Vantage have published an announcement in relation to an Invitation to Eligible Bondholders to convert their Bonds as detailed in the attached announcement dated 13 August 2012. If the invitation is accepted in full, we expect the conversion price to remain unchanged at HK\$3.44 per Unit on the Adjustment Date.

MANAGEMENT DISCUSSION AND ANALYSIS

Overview

Gross Revenue for the six months ended 30 June 2012 was HK\$1,011 million, an increase of 6.4% compared to the same period a year ago. This improvement was driven by a steadier performance of Citibank Plaza and the continued growth at Langham Place Mall. While Central District office rents have been weakening due to the contraction of the banking sector, reduced average vacancy resulted in a HK\$27 million increase in revenue at Citibank Plaza. Income from Langham Place continued to grow as it maintained very high occupancy levels in both the Office Tower and the Mall. At the same time, turnover rental income from the Mall increased significantly on the back of strong sales growth of the tenants. Revenue contributed by Langham Place increased by HK\$33 million. Over the same period, Operating Expenses of the REIT decreased 2.7% to HK\$181 million mainly because of the smaller amount of leases expiring this year and hence lower leasing commissions. Consequently, Net Property Income grew more than Gross Revenue, increasing 8.5% to HK\$830 million.

The appraised value of the Trust's properties as of 30 June 2012 increased 1.7% from 31 December 2011 to HK\$55,800 million. As a result of this increase, the Gearing Ratio saw a corresponding improvement from 25.0% to 24.5%. Net Asset Value was HK\$7.94 per Unit as compared to HK\$7.82 per Unit at the end of 2011.

Profit After Tax was HK\$1,267 million for the Period, a drop of HK\$2,610 million or 67.3%, mainly due to lower net revaluation gains of only HK\$882 million as compared to HK\$3,636 million for the first half of last year. Excluding revaluation gains and other items that are non-cash in nature, Distributable Income for the Period was HK\$642 million, up 12.8% from the first half of 2011. The Distribution Amount, at a 90% distribution ratio, is HK\$577 million. The Distribution per Unit ("DPU") for the Period will be HK\$0.1161, up 11.1% from a year ago. An invitation has been issued to convert some of the REIT's outstanding convertible bonds. Upon conversion of these bonds, the number of unit outstanding will be increased by as much as 16%, resulting in a proportional reduction in DPU for 2012. Please refer to the Outlook section for further elaboration.

Citibank Plaza

The office leasing market in Central has remained soft in the first half of 2012. The European debt crisis remains a source of financial uncertainty at a time when banks are facing tightening capital requirements from the ongoing implementation of Basel III. This has resulted in the downsizing of space requirements by many major banks. While demand waned in the District, there continued to be no significant new supply of premium-grade office space. Thus incremental demand from new and upgrading Mainland-based Chinese companies, international mining companies and law firms building a presence in Hong Kong, has moderated the fall in overall occupancy in Central, which was around 95% at mid-year, although it has slipped below 90% for some individual buildings. Competition among landlords for tenants has intensified and rents have corrected by about 15% from the levels of year end 2011.

Occupancy at Citibank Plaza decreased from 90.4% at the beginning of the year to 88.7% as of 30 June 2012, following the relocation of some government departments to the new Government Headquarters and downsizing of several financial and legal tenants. Outstanding lease expiries in the second half of 2012 now stand at 5.7% of the total floor area.

Average Monthly Office Passing Rents at Citibank Plaza
(HK\$ per sq. ft. of lettable area)

Dec 11	Jan 12	Feb 12	Mar 12	Apr 12	May 12	Jun 12
85.15	85.36	85.83	85.83	85.98	85.68	86.10

Spot rents at Citibank Plaza are currently priced around HK\$85 per sq. ft. to support occupancy. While the average rent for leases expiring in 2012 of HK\$97.71 per sq. ft. is higher than the spot rent, there were a number of leases that commenced in the first half but were negotiated in 2011 when rent levels were still above HK\$100 per sq. ft. That has allowed the average passing rent at 30 June 2012 to rise slightly to HK\$86.10 per sq. ft.

Net Property Income at Citibank Plaza increased 7.7% year-on-year to HK\$499 million. Revenue increased from HK\$570 million for the first half of 2011 to HK\$597 million for 2012. This was largely driven by the increase in average occupancy, which increased from 86.6% to 88.5% for the first half. Rental commissions fell from HK\$21.8 million to HK\$6.1 million due to the lower volume of new leasing done during the Period which allowed total property operating expenses decrease by 8.4% year-on-year.

Langham Place Office Tower

The occupancy rate increased from 96.8% as of 31 December 2011 to 98.0% at mid-year 2012. The resilience of the economy outside of the financial sector has sustained demand for office space across all office districts on the Kowloon Peninsula. The vacant stock in East Kowloon has been largely absorbed and rents there have firmed up significantly. Consequently, rents in other parts of Kowloon have continued to move up in the first half of 2012.

Average Monthly Office Passing Rents at Langham Place
(HK\$ per sq. ft. of gross floor area)

Dec 11	Jan 12	Feb 12	Mar 12	Apr 12	May 12	Jun 12
27.43	27.48	27.51	27.57	28.06	28.06	28.09

Spot rents at the Langham Place Office Tower have been kept steady at the HK\$32-38 per sq. ft. range, though recent transactions have been done closer to the upper end of that range. Passing rents have been rising steadily since 2010 and continued to do so during the Period as lower rents previously contracted reverted to the market.

Revenue at the Office Tower was HK\$129 million, compared to HK\$126 million for the corresponding period in 2011. Operating expenses were stable at HK\$25 million and Net Property Income grew in line with revenue, from HK\$101 million to HK\$104 million.

Langham Place Mall

The Mall continued to enjoy very high levels of foot traffic and remained virtually fully let at mid-year 2012. The focus of the Mall on mid-price fashion has allowed it to outperform the HK-wide retail market during the Period. The Mall has so far not been affected by the recent slowdown in spending on luxury items by mainland visitors. Driven by a constantly improving mix of quality retailers, average sales per sq. ft. for tenants at the Mall for the first half grew 16.4% year-on-year. The leading segment within the mall was Beauty and Skincare which saw sales growth of 27.4%.

Average Monthly Retail Passing Rents at Langham Place
(HK\$ per sq. ft. of lettable area, excluding turnover rent)

Dec 11	Jan 12	Feb 12	Mar 12	Apr 12	May 12	Jun 12
100.77	100.77	100.97	102.02	102.12	102.56	102.65

Demand for retail space from new tenants has remained strong, giving the landlord considerable pricing power. The average Passing Rent Rate increased from HK\$100.77 at the end of 2011 to HK\$102.65 per sq. ft. as of June 2012. A year ago in June 2011, the passing rent rate was HK\$98.48 per sq. ft. In spite of increases in base rents for some tenants upon lease renewal, there has been little erosion in turnover rents. To the contrary, turnover rents for the first half of 2012 increased by 75% year-on-year from HK\$22.6 million to HK\$39.5 million. That was an indication that tenant sales growth has outpaced the increase in base rents. Turnover rents for the first half of 2012 were an additional HK\$20.64 per sq. ft. on top of the passing rent, as compared to HK\$11.82 per sq. ft. a year ago.

Revenue increased by 12.2% from HK\$254 million to HK\$285 million. This was a reflection of the follow-on effect of rent rate increases on leases rolled over in the second half of 2011. A 20% increase in roadshow and other rental related income also contributed HK\$9 million to the improvement. Operating expenses were up HK\$4.4 million to HK\$58.2 million for the Period but the increase of 8.3% was lower than the revenue growth. Net Property Income as a result increased by 13.2% from HK\$200 million to HK\$227 million.

Outlook

The remainder of 2012 will continue to pose challenges for our leasing activities at Citibank Plaza. The debt crisis in Europe has shown no signs of early resolution and will continue to dampen global economic growth. At the same time growth in China has been slowing at a faster than expected pace. Over the coming months, reduced space requirements and decentralization by the banking industry will continue to affect the Central office market. The dearth in supply of new office space in Central and incremental demand from smaller users should however help to lessen the impact. Though less than 6% of the floor area in Citibank Plaza will see their leases expire over the rest of the year, we will continue our flexibility with leasing terms to upkeep occupancy in an increasingly competitive market.

Outside of Central rents have remained firm so far. At Langham Place we expect continued high levels of occupancy for the Office Tower. While there exists a gap between passing and market rents that can be closed over time, there is minimal space expiring for the rest of 2012 and rental income from the office portion of Langham Place is expected to remain relatively steady in the second half of the year. Next year, 51% of the floor area will be expiring in addition to a further 10% undergoing rent review. By then, we should begin to see the monetization of the rental gap into higher revenue. Nonetheless, there is always the possibility that the slow pace of economic growth in China may eventually curtail demand for office space from the non-financial sectors. We will therefore maintain a prudent pricing strategy to safeguard the occupancy at the Office Tower.

With its excellent location, its ever-improving tenant mix and successful marketing campaigns, Langham Place Mall has remained a location of choice for popular cosmetics brands and mid-priced fashion and accessory retailers. The Mall's emphasis on the younger demographic with increasing spending power has allowed tenant sales to continue expanding at a respectable pace in spite of a general deceleration in HK retail sales growth. All leases

expiring in 2012 have been rolled over but as leases are renewed ahead of time, new contracts with generally higher rents covering 18% of the floor area have yet to come into effect in the first half. Their positive impact on income will be seen in the second half. Revenue should also be higher in the second half when turnover rents are usually higher because of seasonality. Thus we should continue to see growth in rental income at the Mall in the second half.

In the past 18 months, the liquidity in the Hong Kong syndicated bank lending market has tightened considerably and financing costs have increased. In view of the volatility of the global financial markets, it would be prudent for us to plan early for an anticipated refinancing requirement of HK\$8,161 million in 2013. Part of this debt due in 2013 is a principal amount of HK\$4,605 million of convertible bonds. After factoring in the redemption premium at maturity that bondholders are entitled to, these bonds would not normally convert below a unit price of HK\$4.27. To optimize Champion REIT's capital structure, an invitation has been issued to bondholders to convert up to a principal amount of HK\$2,750 million in exchange for an incentive payment of HK\$2,215 for each HK\$10,000 in principal amount of the Bonds converted under the invitation. The invitation will cost approximately HK\$609 million if it is fully accepted but will reduce overall debt and raise equity for the REIT, reducing gearing from 24.5% to 19.9%. In particular, the quantum required for refinancing debt maturing in 2013 will be significantly reduced, placing Champion REIT in a better position to secure more favourable borrowing terms in 2013. However, the number of unit outstanding will be increased by approximately 16%, resulting in a proportional reduction in DPU for 2012. This impact to DPU is immediate, but savings in interest expense will only be felt in 2013 and after. For further details, please refer to the separate announcement regarding the invitation issued on the same date as this announcement.

The present problems in the world financial markets could create uncertainties in the Hong Kong office and retail markets. However, based on the low level of office expiries for the remainder of 2012 and the relatively bright prospects of Langham Place Mall, we expect the property income of the REIT to show further improvement in the second half of the year.

VALUATION OF PROPERTIES

According to the Property Valuation Reports issued by Savills Valuation and Professional Services Limited on 26 July 2012, the valuation of the properties of Champion REIT broken down by usage as of 30 June 2012 is as follows:

	Citibank Plaza	Langham Place	Sub-total
Jun 2012 Valuation	HK\$ mil	HK\$ mil	HK\$ mil
Office	35,267	6,648	41,915
Retail	407	12,546	12,953
Car Park	281	225	506
Miscellaneous	300	126	426
Total	36,255	19,545	55,800

Champion REIT's property portfolio is now valued at HK\$55.8 billion, an increase of HK\$0.94 billion from the December 2011 valuation of HK\$54.86 billion. The capitalization rate used to value Citibank Plaza has been decreased from 4.0% to 3.5% based on recent transactions of Grade A office properties in Central. However, projected rents of Citibank Plaza have been reduced since the last valuation largely offsetting the change in capitalization rate, resulting in 0.5% decrease in the appraised value of Citibank Plaza. The capitalization rate used to value the Langham Place Office Tower was reduced from 4.2% to 4.1% resulting in a 2.4% increase in appraised value. The capitalization rate used to value the Langham Place Mall remained unchanged at 4.1%, but rental assumptions have improved resulting in an 8.1% increase in appraised value.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
FOR THE SIX MONTHS ENDED 30 JUNE 2012

1. GENERAL

Champion Real Estate Investment Trust ("Champion REIT") is a Hong Kong collective investment scheme authorised under section 104 of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and its units are listed on The Stock Exchange of Hong Kong Limited. Champion REIT is governed by the deed of trust dated 26 April 2006, as amended from time to time (the "Trust Deed"), entered into between Eagle Asset Management (CP) Limited (the "Manager") and HSBC Institutional Trust Services (Asia) Limited (the "Trustee"), and the Code on Real Estate Investment Trusts (the "Code") issued by the Securities and Futures Commission of Hong Kong.

The principal activity of Champion REIT and its controlled entities (the "Group") is to own and invest in income-producing commercial properties in Hong Kong with the objective of producing stable and sustainable distributions to unitholders and to achieve long term growth in the net asset value per unit.

The condensed consolidated financial statements are presented in Hong Kong dollars, which is the same as the functional currency of Champion REIT.

2. PRINCIPAL ACCOUNTING POLICIES

Basis of preparation

The condensed consolidated financial statements have been prepared in accordance with the applicable disclosure requirements of Appendix 16 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules"), Hong Kong Accounting Standard 34 "Interim Financial Reporting" and the Code.

Principal accounting policies

The condensed consolidated financial statements have been prepared on the historical cost basis, except for investment properties and certain financial instruments, which are measured at fair values.

The accounting policies used in the condensed consolidated financial statements for the six months ended 30 June 2012 are the same as those followed in the preparation of the Group's annual financial statements for the year ended 31 December 2011.

In prior year, the Group early adopted the Amendments to HKAS 12 "Income Taxes" in respect of the recognition of deferred tax on investment properties that are measured using the fair value model in accordance with HKAS 40 "Investment Property" and are presumed to be recovered through sale. In the current interim period, the Group has applied, for the first time, other amendments to Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") that are mandatorily effective for current interim period.

2. PRINCIPAL ACCOUNTING POLICIES - continued

The application of the amendments to HKFRSs in the current interim period has had no material effect on the amounts reported in these condensed consolidated financial statements and/or disclosures set out in these condensed consolidated financial statements.

The Group has not early applied other new and revised HKFRSs that have been issued but not yet effective. The following new or revised standards have been issued after the date the consolidated financial statements for the year ended 31 December 2011 were authorised for issuance and are not yet effective:

Amendments to HKFRSs	Annual Improvements to HKFRSs 2009-2011 Cycle ¹
Amendments to HKFRS 1	Government Loans ¹
Amendments to HKFRS 10, HKFRS 11 and HKFRS 12	Consolidated Financial Statements, Joint Arrangements and Disclosures of Interests in Other Entities: Transition Guidance ¹

¹ Effective for annual periods beginning on or after 1 January 2013

The Manager anticipates that the application of these new and revised HKFRSs will have no material impact on the results and the financial position of the Group.

Earnings		
Profit for the period, before distribution to unitholders for the purpose of basic earnings per unit	1,266,677	3,877,175

(1) INVITATION TO ELIGIBLE BONDHOLDERS TO CONVERT THEIR 1% GUARANTEED CONVERTIBLE BONDS DUE 2013

AND

(2) CONNECTED PARTY TRANSACTION RELATING TO THE ACCEPTANCE BY BRIGHT FORM INVESTMENTS LIMITED OF SUCH INVITATION

This announcement is made by Champion REIT to Unitholders (pursuant to chapter 8 and paragraphs 10.3(a) to 10.3(c) of the REIT Code) and by Fair Vantage Limited to Bondholders.

The Issuer has today issued an Invitation Memorandum to all Eligible Bondholders (including the GE Bondholder, a connected person of Champion REIT) inviting them to submit Applications to convert their Bonds during the Invitation Period and to receive the Incentive Payment (being an amount equal to HK\$2,215 for each HK\$10,000 in principal amount of the Bonds so converted) on the Settlement Date.

The Eligible Bondholders exclude any Bondholder to whom the Invitation is not extended on account of legal restrictions under the laws and regulations of the place where such Bondholder is located or resident. In Hong Kong, only Bondholders who are Professional Investors are eligible to participate in the Invitation.

As at the date hereof, the aggregate principal amount of Bonds outstanding is approximately HK\$4,605 million. The Issuer is making the Invitation in respect of up to the Maximum Invitation Amount of HK\$2,750 million in aggregate principal amount of the Bonds, which represents approximately 60% of the outstanding Bonds. The Invitation Memorandum dated 13 August 2012 sets out, among other things, the terms and conditions of the Invitation. In the event the Issuer receives valid Applications that in aggregate

exceed the Maximum Invitation Amount, the Issuer will allocate the Maximum Invitation Amount to those Applications on a *pro rata* basis. Any Application for the conversion of Bonds exceeding the allocated amounts will not be converted into Conversion Units pursuant to the Invitation and no Incentive Payment shall be payable in respect thereof.

Assuming that the Eligible Bondholders accept the Invitation up to the Maximum Invitation Amount, the total number of Conversion Units issuable (based on the Conversion Price of HK\$3.44 per Unit) will be approximately 799,418,605 Units (representing approximately 16.07% of the Units in issue as at the date of this announcement and approximately 13.85% of the Units on an enlarged basis immediately after the issue of Conversion Units under the Invitation) and the total Incentive Payment payable by the Issuer will be approximately HK\$609.1 million.

The Invitation Period for Eligible Bondholders to submit their Applications will commence at 6:00 a.m. (Hong Kong time) on 14 August 2012 and will expire at 11:00 p.m. (Hong Kong time) on 17 August 2012, unless extended, re-opened or earlier terminated, as provided in the Invitation Memorandum.

The REIT Manager intends to fund the Incentive Payment by using funds from Champion REIT's cash balance that are available for such purposes in accordance with the REIT Trust Deed, the REIT Code, the guidelines issued by the Securities and Futures Commission of Hong Kong from time to time and the laws of Hong Kong.

The issue of the Bonds to the GE Bondholder, and the conversion of those Bonds into Conversion Units on the terms and conditions thereof, was approved by independent Unitholders at the extraordinary general meeting of Unitholders held on 6 March 2008.

The Invitation is intended to optimise Champion REIT's capital structure at a time when the global economic outlook is uncertain. The REIT Manager believes that conversion of the Bonds pursuant to the Invitation is a prudent course of action that will reduce overall debt while raising incremental equity for Champion REIT. In the past 18 months, the liquidity in the Hong Kong syndicated lending market has tightened considerably and financing costs have increased. The conversion of the Bonds pursuant to the Invitation, will serve to reduce the quantum required for refinancing debt (including the Bonds) maturing in 2013, placing Champion REIT in a better position to secure more favourable borrowing terms. The REIT Manager therefore believes the Incentive Payment is an optimal use of funds initially earmarked for redemption of the Bonds.

In support of the Invitation, Great Eagle Holdings Limited has confirmed to the REIT Manager that it intends to submit an Application in respect of all or some of the Bonds held by the GE Bondholder. The GE Bondholder is a wholly-owned subsidiary of Great Eagle Holdings Limited, who is a substantial Unitholder interested in approximately 51.85% of all Units in issue as at the date of this announcement. The GE Bondholder is therefore a connected person of Champion REIT within the meaning of the REIT Code, and the: (a) payment of the Incentive Payment by the Issuer to the GE Bondholder; and (b) issuance of Conversion Units to the GE Bondholder, constitute connected party transactions under Chapter 8 of the REIT Code.

The maximum Incentive Payment payable, and the maximum number of Conversion Units issuable, to the GE Bondholder pursuant to the Invitation is approximately HK\$518.3 million and 680 million Conversion Units, respectively, and coincides with all the Bonds held by the GE Bondholder being converted pursuant to the Invitation at the Conversion Price of HK\$3.44 per Unit. As the maximum Incentive Payment receivable by the GE Bondholder is less than 5% of the net assets attributable to Unitholders as at 31 December 2011, the payment of the Incentive Payment is only subject to the reporting and announcement requirements, and exempt from the unitholders' approval requirements, under Chapter 8 of the REIT Code.

This announcement is made by Champion REIT to Unitholders (pursuant to chapter 8 and paragraphs 10.3(a) to 10.3(c) of the REIT Code) and by Fair Vantage Limited to Bondholders.

BACKGROUND

Reference is made to the circular issued by Champion REIT dated 16 February 2008 and the announcements issued by Champion REIT dated 14 February 2008, 6 March 2008, 28 May 2008 and 3 June 2008.

The Issuer issued the Bonds in June 2008. The Bonds are guaranteed by Champion REIT, listed on the Stock Exchange and convertible into Units pursuant to the terms and conditions of the Bonds.

THE INVITATION

The Issuer issued an Invitation Memorandum to all Eligible Bondholders (including the GE Bondholder, a connected person of Champion REIT) today, inviting them to submit Applications to convert their Bonds during the Invitation Period and to receive the Incentive Payment (being an amount equal to HK\$2,215 for each HK\$10,000 in principal amount of the Bonds so converted) on the Settlement Date.

The Eligible Bondholders exclude any Bondholder to whom the Invitation is not extended on account of legal restrictions under the laws and regulations of the place where such Bondholder is located or resident. In Hong Kong, only Bondholders who are Professional Investors are eligible to participate in the Invitation.

As of today, the aggregate principal amount of Bonds outstanding is approximately HK\$4,605 million. The Issuer is making the Invitation in respect of up to the Maximum Invitation Amount of HK\$2,750 million in aggregate principal amount of the Bonds, which represents approximately 60% of the outstanding Bonds. The Invitation Memorandum dated 13 August 2012 sets out, among other things, the terms and conditions of the Invitation. In the event the Issuer receives valid Applications that in aggregate exceed the Maximum Invitation Amount, the Issuer will allocate the Maximum Invitation Amount to those Applications on a *pro rata* basis. Any Application for the conversion of Bonds exceeding the allocated amounts will not be converted into Conversion Units pursuant to the Invitation and no Incentive Payment shall be payable in respect thereof.

The Invitation Period for Eligible Bondholders to submit their Applications will commence at 6:00 a.m. (Hong Kong time) on 14 August 2012 and will expire at 11:00 p.m. (Hong Kong time) on 17 August 2012, unless extended, re-opened or earlier terminated, as provided in the Invitation Memorandum. The indicative timetable of the Invitation is as set out below:

Notice of the Invitation given to Eligible Bondholders	13 August 2012
Invitation Period commences	14 August 2012, 6:00 a.m. (Hong Kong time)
Invitation Period ends	17 August 2012, 11:00 p.m. (Hong Kong time)
Announcement of allocations under the Invitation and delivery of settlement notices to Eligible Bondholders whose Applications have been accepted (in whole or in part)	20 August 2012
Settlement Date	24 August 2012

Applications may only be made by submission of a valid electronic block instruction through the Clearing Systems and submission of a valid Invitation conversion notice to the Tabulation, Principal Paying and Conversion Agent. The electronic block instruction and the Invitation conversion notice must be received by the Tabulation, Principal Paying and Conversion Agent by no later than 11:00 p.m. (Hong Kong time) on 17 August 2012. All Applications will be made on the basis of the terms and conditions set out in the Invitation Memorandum.

The Tabulation, Principal Paying and Conversion Agent will send electronic copies of the Invitation Memorandum to Eligible Bondholders after they have confirmed to the agent that they are, among other things, not subject to any offer restrictions (including, in respect of Bondholders located or resident in Hong Kong, that they are Professional Investors).

Citigroup Global Markets Asia Limited, an independent third party of Champion REIT and a licensed corporation under the SFO to carry out types 1, 4 and 6 regulated activities, has been appointed as Dealer Manager in connection with the Invitation.

Pursuant to the Invitation Memorandum, the Issuer may, in its sole discretion, waive, amend, extend, terminate or withdraw the Invitation (including making any variation to the Maximum Invitation Amount) at any time on or before the date on which the settlement notices are to be delivered (but not after the settlement notices have been delivered). Each Eligible Bondholder who has submitted an Application has a right to rescind its Application if the Issuer varies the amount of Incentive Payment or otherwise varies the terms of the Invitation in a way materially prejudicial to Bondholders.

Eligible Bondholders should read this announcement in conjunction with the Invitation Memorandum. This announcement and the Invitation Memorandum contain important information which should be read carefully before any decision is made with respect to the Invitation. If Eligible Bondholders are in any doubt as to the action they should take, they are recommended to seek their own financial advice from an independent financial adviser. Any individual or company whose Bonds are held on its behalf by a broker, dealer, bank, custodian, trust company or other nominee must contact such entity if it wishes to participate in the Invitation.

None of the Issuer, Champion REIT, the REIT Manager, the Dealer Manager, the Bond Trustee or the Tabulation, Principal Paying and Conversion Agent makes any recommendation whether Bondholders should participate in the Invitation. The Dealer Manager is acting for the Issuer and no one else in connection with the Invitation and will not be responsible to Bondholders for providing the protections afforded to customers or for giving advice or other investment services in relation to the Invitation. The Dealer Manager and/or its associates may have a holding in or may from time to time provide advice or other investment services in relation to, or engage in transactions involving, the Bonds and/or the Units.

The Invitation is not being made, directly or indirectly, in or into, or by use of the mails, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, internet, email and other forms of electronic transmission) of interstate or foreign commerce, or of any facility of a national securities exchange, of the United States and Applications may not be submitted, and the Bonds may not be tendered in the Invitation by any such use, means, instrumentality or facility from or within the United States or by persons located or resident in the United States.

As stated in the Invitation Memorandum and above, the Invitation is only open to Bondholders who may legally participate. In Hong Kong, only Bondholders who are Professional Investors are eligible to participate in the Invitation. Each Bondholder located or resident in Hong Kong must first confirm to the Tabulation, Principal Paying and Conversion Agent that it is a Professional Investor before it can receive a copy of the Invitation Memorandum, and will represent and warrant, among other things, that it is a Professional Investor in the Application submitted by it.

THE INCENTIVE PAYMENT

The Incentive Payment was determined by the REIT Manager after taking into consideration:

- (a) the sum of the maturity redemption amount and remaining coupon payments in respect of the Bonds, which represents the amount that would otherwise have been payable to the Bondholders for the remaining term of the Bonds had they not been converted (the “**Remaining Bond Payments**”), being HK\$12,494 for each HK\$10,000 principal amount of Bonds;

- (b) the notional value of the Conversion Units issued upon conversion (the “**Notional Conversion Units Value**”) being HK\$10,279 for each HK\$10,000 in principal amount of the Bonds, which has been calculated based on: (i) the Conversion Price of HK\$3.44 per Unit, being the current conversion price of the Bonds into Conversion Units (which is at a 1.2% discount to the closing Unit price of HK\$3.48 on the Last Trading Day); and (ii) the average closing price of the Units of HK\$3.536 for the 5 consecutive trading days prior to and including the Last Trading Day); and
- (c) the sum of the Incentive Payment and the Notional Conversion Units Value, which, assuming the price of the Units on the Settlement Date is equal to HK\$3.536, represents the aggregate value to be received by a Bondholder upon conversion (the “**Conversion Value**”), being approximately HK\$12,494 for each HK\$10,000 in principal amount of the Bonds,

and having regard to the offer price of the Bonds as quoted on Bloomberg at 4:00 p.m. on the Last Trading Day, being HK\$12,426 for each HK\$10,000 in principal amount of the Bonds.

The Conversion Value is equal to the Remaining Bond Payments and is greater than the offer price of the Bonds as quoted on Bloomberg at 4:00 p.m. on the Last Trading Day.

FUNDING FOR THE INCENTIVE PAYMENT

The REIT Manager intends to fund the Incentive Payment by using funds from Champion REIT’s cash balance that are available for such purposes in accordance with the REIT Trust Deed, the REIT Code, the guidelines issued by the Securities and Futures Commission of Hong Kong from time to time and the laws of Hong Kong.

Taking into account the Incentive Payment and financial resources available to Champion REIT, including its internally generated funds and available banking facilities, the REIT Manager confirms that Champion REIT will have sufficient working capital for its present requirements, that is, for at least the next 12 months from the date of this announcement.

REASONS FOR, AND FINANCIAL IMPACT OF, THE INVITATION

The Invitation is intended to optimise Champion REIT’s capital structure at a time when the global economic outlook is uncertain. The REIT Manager believes that conversion of the Bonds pursuant to the Invitation is a prudent course of action that will reduce overall debt while raising incremental equity for Champion REIT. In the past 18 months, the liquidity in the Hong Kong syndicated lending market has tightened considerably and financing costs have increased. The conversion of the Bonds pursuant to the Invitation, will serve to reduce the quantum required for refinancing debt (including the Bonds) maturing in 2013, placing Champion REIT in a better position to secure more favourable borrowing terms. The REIT Manager therefore believes the Incentive Payment is an optimal use of funds initially earmarked for redemption of the Bonds.

The REIT Manager believes that the Invitation is expected to reduce the interest expenses of Champion REIT. Assuming the Maximum Invitation Amount is converted pursuant to the Invitation and none of the other Bonds are converted before the maturity date:

- (a) the conversion of the Bonds will reduce interest expenses over the next 12 months by approximately HK\$27.5 million, being the amount otherwise payable (in the form of coupon payments) in respect of the Bonds converted pursuant to the Invitation;
- (b) the amount to be refinanced at maturity (being the maturity redemption amount of the Bonds) will be reduced by HK\$3,408 million, and following the maturity date, will result in interest expense savings of approximately HK\$68 million (assuming a refinancing rate of 2%), HK\$102 million (assuming a refinancing rate of 3%) or HK\$136 million (assuming a refinancing rate of 4%) per annum; and

- (c) the reduction in Champion REIT's total refinancing quantum may allow Champion REIT to procure more favourable interest rates. For illustration purposes, Champion REIT's interest expenses may be reduced by approximately HK\$41 million (assuming a 0.5% more favourable interest rate), HK\$82 million (assuming a 1% more favourable interest rate) or HK\$122 million (assuming a 1.5% more favourable interest rate) per annum.

For illustrative purposes, the table below shows the potential interest expense savings per annum that may arise as a result of the Invitation (as expressed in paragraphs (b) and (c) above):

Potential interest expense savings as a result of the Invitation (HK\$ million per annum) ⁽¹⁾		Assumed refinancing rate at Bond maturity ⁽²⁾		
		2%	3%	4%
Potential reduction in interest rates as a result of the reduced refinancing quantum	0.0%	68	102	136
	0.5%	109	143	177
	1.0%	150	184	218
	1.5%	191	225	259

Notes

- (1) Potential interest expense savings represent the aggregate of the savings stated in paragraphs (b) and (c) above, based on the relevant assumed refinancing rate at Bond maturity and the relevant potential reduction in interest rates as a result of the reduced refinancing quantum.
- (2) After taking into account the potential reduction in interest rates as a result of the reduced refinancing quantum.

Based on the aggregate borrowings and total gross asset value of Champion REIT as at 30 June 2012 and assuming the Maximum Invitation Amount is applied for and allocated, the Invitation is expected to improve Champion REIT's gearing ratio from 24.5% to 19.9%.

IMPLICATIONS UNDER THE REIT CODE

The issue of the Bonds to Bondholders (including the GE Bondholder), and the conversion of those Bonds into Conversion Units on the terms and conditions thereof, was approved by independent Unitholders at the 2008 EGM ("**Conversion Units Specific Mandate**").

The settlement of the Incentive Payment is a separate exercise to the conversion of the Bonds, and was not contemplated at the time that the Bonds were issued in 2008 or approved under the Conversion Unit Specific Mandate. Instead, the Incentive Payment is a collateral offer to Eligible Bondholders, agreed between the Issuer and each individual Bondholder pursuant to the terms and conditions of the Invitation Memorandum, which is unrelated to and does not fall within the Conversion Units Specific Mandate. The Incentive Payment payable to the GE Bondholder will be a separate connected party transaction as described below.

CONNECTED PARTY TRANSACTION RELATING TO THE ACCEPTANCE OF THE INVITATION BY THE GE BONDHOLDER

As at the date of this announcement, the GE Bondholder holds approximately HK\$2,340 million aggregate principal amount of the Bonds. In support of the Invitation, Great Eagle Holdings Limited has confirmed to the REIT Manager that it intends to submit an Application in respect of all or some of the Bonds held by the GE Bondholder. The GE Bondholder is a wholly-owned subsidiary of Great Eagle Holdings Limited, who is a substantial Unitholder interested in approximately 51.85% of all Units in issue as at the date of this announcement. The GE Bondholder is therefore a connected person of Champion REIT within the meaning of the REIT Code, and the: (a) payment of the Incentive Payment by the Issuer to the GE Bondholder; and

(b) issuance of Conversion Units to the GE Bondholder, constitute connected party transactions under Chapter 8 of the REIT Code.

The maximum Incentive Payment payable, and maximum number of Conversion Units issuable, to the GE Bondholder pursuant to the Invitation is approximately HK\$518.3 million and 680 million Conversion Units, respectively, and coincides with all the Bonds held by the GE Bondholder being converted pursuant to the Invitation at the Conversion Price of HK\$3.44 per Unit. As the maximum Incentive Payment receivable by the GE Bondholder is less than 5% of the net assets attributable to Unitholders as at 31 December 2011, the payment of the Incentive Payment is only subject to the reporting and announcement requirements, and exempt from the unitholders' approval requirements, under Chapter 8 of the REIT Code.

UNITHOLDING AND BONDHOLDING STRUCTURE

As at the date of this announcement, there are 4,973,275,011 Units in issue and approximately HK\$4,605 million aggregate principal amount of Bonds outstanding. Assuming that the Eligible Bondholders accept the Invitation up to the Maximum Invitation Amount, the total number of Conversion Units issuable (based on the Conversion Price of HK\$3.44 per Unit) will be approximately 799,418,605 Units (representing approximately 16.07% of the Units in issue as at the date of this announcement and approximately 13.85% of the Units on an enlarged basis immediately after the issue of Conversion Units under the Invitation) and the total Incentive Payment payable by the Issuer will be approximately HK\$609.1 million.

The following tables below set out the Unitholding and Bondholding structure of Champion REIT (1) as at the date of this announcement; (2) immediately after the issue of Conversion Units pursuant to the Invitation (assuming all the Bonds held by the GE Bondholder are converted pursuant to the Invitation at the Conversion Price and no other Bonds are converted, and no other changes to the bondholding and unitholding from the date of this announcement; and (3) immediately after the issue of Conversion Units pursuant to the Invitation (assuming all Bondholders (including the GE Bondholder) submit an application for all the Bonds held by them, the Maximum Invitation Amount is applied for and allocated (after scale back), and no other changes to the bondholding and unitholding from the date of this announcement):

COMPLIANCE

In compliance with the above, the directors of the REIT Manager (including the independent non-executive Directors) are of the view that the Invitation does not require the approval of Unitholders and/or Bondholders under the REIT Code, the REIT Trust Deed, the applicable Hong Kong laws and regulations and the terms and conditions governing the Bonds.

OPINION OF THE BOARD OF DIRECTORS OF THE REIT MANAGER

The board of directors of the REIT Manager (including the independent non-executive directors of the REIT Manager) confirms that the Invitation (including the quantum of the Incentive Payment) is fair and reasonable, will be conducted on terms which are normal commercial terms at arm's length, and is in the interests of Champion REIT and the independent Unitholders (in their capacity as Unitholders rather than Bondholders) as a whole.

REIT TRUSTEE'S CONFIRMATION TO UNITHOLDERS

Based on the "Reasons for, and Financial Impact, of the Invitation", "Connected Party Transaction relating to the acceptance of the Invitation by the GE Bondholder" and the other information in this announcement, and having taken into account its duties to Unitholders under the REIT Trust Deed and the REIT Code, the REIT Trustee has no objection to the Invitation being made to Eligible Bondholders and carried out in the manner and on the terms and conditions set out in the Invitation Memorandum, and is of the view that the Invitation does not require the approval of Unitholders under the REIT Code, the REIT Trust Deed or applicable Hong Kong laws and regulations. The REIT Trustee has not made any assessment of the merits or impact of the Invitation, other than for the purposes of fulfilling its duties under the REIT Code and the REIT Trust Deed. Accordingly, Unitholders who are in any doubt as to the merits or impact of the Invitation should seek their own financial or other professional advice.
