SHARE ISSUE MANDATE

Resolution 5 to be proposed at the Annual General Meeting ("**Resolution 5**") relates to the granting of a general mandate which will empower the Directors of the Company to issue new Shares not exceeding 20 per cent of the aggregate nominal amount of the share capital of the Company in issue at the date of passing of the resolution (including making and granting offers, agreements and options which would or might require Shares to be issued, allotted or disposed of) during the period up to the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation of Resolution 5 by an ordinary resolution of the shareholders at general meeting, whichever is the earliest.

As at the Latest Practicable Date, there were 1,941,160,000 Shares in issue. Therefore, subject to the passing of the proposed Resolution 5 at the Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to issue a maximum of 388,232,000 Shares.

REPURCHASE OF SHARES

The Company is allowed by its Memorandum and Articles of Association and the applicable laws and regulations of the Cayman Islands to repurchase its own Shares. The Listing Rules permit shareholders to grant a general mandate to the directors to repurchase shares of such company that are listed on the Stock Exchange. Such mandate is required to be given by way of an ordinary resolution passed by shareholders in general meeting.

Set out below the “Explanatory Statement” in respect of such mandate as required under Rule 10.06(1)(b) of the Listing Rules:

EXPLANATORY STATEMENT

(a) Shareholders’ approval

All proposed repurchases of Shares must be approved in advance by an ordinary resolution of the shareholders in general meeting, either by way of general mandate or by specific approval of a particular transaction.

Resolution 6 to be proposed at the Annual General Meeting (“**Resolution 6**”) relates to the granting of a general mandate to the Directors of the Company to repurchase, on the Stock Exchange, the Shares up to a maximum of 10 per cent of the issued share capital of the Company as at the date of the proposed resolution (“**the Repurchase Proposal**”) during the period up to the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation of Resolution 6 by an ordinary resolution of the shareholders at general meeting, whichever is the earliest.

(b) Number of shares to be repurchased

The Shares to be repurchased by the Company must be fully paid-up.

As at the Latest Practicable Date, there were 1,941,160,000 Shares in issue. Therefore, subject to the passing of the proposed Resolution 6 at the Annual General Meeting and on the assumption that no additional Shares will be issued and that prior to the date of the proposed resolution, no Shares will be repurchased by the Company, the Company would be allowed under the mandate to repurchase a maximum of 194,116,000 Shares.

The listing of all Shares which are repurchased by the Company will be automatically cancelled upon repurchase. The documents of title of repurchased shares will be cancelled and destroyed as soon as reasonably practicable following settlement of any such repurchase.

(c) Reason for the repurchase

The existing mandate to repurchase shares will expire on the date of the next annual general meeting. Given trading conditions on the Stock Exchange have sometimes been volatile in recent months and there have been occasions when Shares were trading at a substantial discount to their underlying net asset value, repurchases of the Shares may enhance the Company’s net asset value per Share and earnings per Share. In these circumstances, the ability of the Company to repurchase the Shares can be beneficial to those shareholders who retain their investment in the Company since their percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company. Furthermore, exercise of the mandate granted under the

Repurchase Proposal by the Directors of the Company would increase the trading volume of the Shares on the Stock Exchange. As such, the Directors of the Company believe that the Repurchase Proposal is in the interests of the Company and its shareholders.

(d) Source of funds

Repurchases by the Company must be funded out of funds legally available for the purpose in accordance with the Articles of Association and the applicable laws and regulations of the Cayman Islands. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

Any repurchase of Shares will be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Law, out of capital and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company, or if authorised by the Articles of Association and subject to the Companies Law of the Cayman Islands, out of capital.

The Directors of the Company do not expect there to be any material adverse impact on the working capital or gearing position of the Company, as compared with the position disclosed in the latest audited financial statements of the Company for the year ended 31 December 2012, as a result of repurchases made under the Repurchase Proposal even if the mandate is exercised in full. However, no repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements) unless the Directors of the Company consider that such repurchases would be in the best interests of the Company notwithstanding such material adverse impact.

(e) Trading restrictions

The total number of Shares which the Company may repurchase is up to 10% of the total number of the Shares in issue as at the date of passing Resolution 6.

The Company shall not repurchase its shares on the Stock Exchange

- a. if the repurchase price is higher by 5% or more than the average closing market price for the 5 preceding trading days on which its shares were traded on the Stock Exchange; or
- b. for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

The Company shall not knowingly repurchase its shares from a connected person and a connected person shall not knowingly sell shares to the Company, on the Stock Exchange.

The Company shall procure that any broker appointed by the Company to effect the repurchase of its shares shall disclose to the Stock Exchange such information with respect to repurchases made on behalf of the Company as the Stock Exchange may request.

The Company shall not repurchase its shares on the Stock Exchange at any time after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information is made publicly available. In particular, during the period of one month immediately preceding the earlier of:

- a. the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and
- b. the deadline for the Company to publish an announcement of its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules),

and ending on the date of the results announcement, the Company may not repurchase its shares on the Stock Exchange, unless the circumstances are exceptional.

The Company shall not repurchase its shares if that repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange, currently, 25% of the total issued share capital of the Company.

The Company may not make a new issue of shares or announce a proposed new issue of shares for a period of 30 days, after any repurchase, whether on the Stock Exchange or otherwise (other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the Company to issue securities, which were outstanding prior to that repurchase of its own securities), without the prior approval of the Stock Exchange.

(f) Procedure and reporting

The Company will submit for publication to the Stock Exchange through HKEx-EPS not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the Company makes a repurchase of Shares (whether on the Stock Exchange or otherwise), the total number of Shares repurchased by the Company the previous day, the purchase price per Share or the highest and lowest prices paid for such repurchases, where relevant, and shall confirm that those repurchases which were made on the Stock Exchange were made in accordance with the Listing Rules and that there have been no material changes to the particulars contained in this circular. The Company should make arrangements with its brokers to ensure that they provide to the Company in a timely fashion the necessary information to enable the Company to make the report to the Stock Exchange.

In addition, the Company's annual report is required to disclose details regarding repurchases of Shares made during the financial year, including a monthly analysis of the number of shares repurchased, the purchase price per Share or the highest and lowest price paid for all such repurchases, where relevant, and the aggregate prices paid.

(g) Undertaking

The Directors of the Company have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the proposed Resolution 6 in accordance with the Listing Rules and all applicable laws.

(h) Disclosure of Interests

None of the Directors of the Company nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell the Shares to the Company under the Repurchase Proposal in the event that the Repurchase Proposal is approved by shareholders at the Annual General Meeting.

Meanwhile, the Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them to the Company, in the event that the Repurchase Proposal is approved by shareholders at the Annual General Meeting.

(i) Takeover Code Implication and Public Float

If, on the exercise of the powers granted under the Repurchase Proposal, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of rule 32 of the Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). As a result, a shareholder or a group of shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of such increase, may obtain or consolidate control of the Company and thereby obliged to make a mandatory general offer in accordance with rule 26 of the Takeovers Code.

As at 17 April 2013, being the latest practicable date for ascertaining information for inclusion in this circular (the “**Latest Practicable Date**”), and insofar the Directors of the Company are aware of, persons having interest in 10% or more of the issued share capital of the Company are as follows:

Name of shareholder	Capacity	No. of Shares held	% of shareholding	
			Current	Assuming the Repurchase Proposal is exercised in full
Zhu Xiaokun (<i>Note 2</i>)	Interest in controlled corporations	783,086,000	40.34%	44.82%
	Beneficial owner	400,000	0.02%	0.02%
		783,486,000	40.36%	44.85%
Yu Yumei	Spouse interest	783,486,000	40.36%	44.85%
Tiangong Holdings Company Limited (<i>Note 1</i>)	Beneficial owner	742,354,000	38.24%	42.49%

Notes:

1. Tiangong Holdings Company Limited (“THCL”) was owned as to approximately 89.02% and 10.98% by Mr. Zhu Xiaokun and Madam Yu Yumei, respectively. Mr. Zhu was deemed to be interested in Shares held by THCL and other companies held as to not less than one-third interests by him.
2. Silver Power (HK) Ltd., which was wholly-owned by Mr. Zhu Xiaokun, held 40,732,000 Shares.

In the event that the Directors of the Company shall exercise in full such powers under the Repurchase Proposal and on the basis that there is no other change in the then issued share capital of the Company, the interest of the above substantial shareholders would be increased to approximately the percentage shown in the last column above. The Directors in exercising the powers under the Repurchase Mandate will take into consideration of such increase so as not to give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code. The number of Shares held by the public would not fall below 25% of the issued share capital of the Company.

(j) Repurchase in the previous six months

The Company has not repurchased any Shares pursuant to the mandate to repurchase Shares granted by shareholders of the Company on 23 May 2012.

(k) Trading prices of the Shares

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each month from April 2012 and up to the Latest Practicable Date were as follows:
