ISSUE MANDATE AND EXTENSION OF ISSUE MANDATE

At the annual general meeting of the Company held on 27 June 2012, a general mandate was given by the Company to the Directors to exercise the powers of the Company to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of the passing of the relevant resolution and such general mandate was extended by adding to it the aggregate nominal amount of any Shares repurchased by the Company under the authority to repurchase Shares granted on that date. Such general mandate will also lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant the Issue Mandate to the Directors in order to ensure flexibility to the Directors to issue new Shares. As at the Latest Practicable Date, a total of 1,586,391,450 Shares was in issue. Subject to the passing of the proposed ordinary resolution approving the Issue Mandate and on the basis that there are no further changes in the issued share capital of the Company from the Latest Practicable Date up to the date of convening the AGM, the Directors would be allowed under the Issue Mandate to issue a maximum of 317,278,290 Shares, representing 20% of the total number of Shares in issue as at the date of passing of the relevant resolution at the AGM. LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that (1) the grant of the Issue Mandate; (2) the grant of the Repurchase Mandate; (3) the extension of the Issue Mandate by the addition of the number of Shares repurchased pursuant to the Repurchase Mandate; and (4) the re-election of the retiring Directors are in the interests of the Group and the Shareholders as a whole and accordingly recommend all the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

Yours faithfully,

ZHU Yu Guo

Chairman

This Appendix serves as an explanatory statement as required under the Listing Rules, to provide the requisite information to you for consideration of the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the Company had an issued share capital of HK\$158,639,145 comprising 1,586,391,450 Shares. Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate at the AGM and on the basis that there are no further changes in the issued share capital of the Company from the Latest Practicable Date up to the date of convening the AGM, the Directors would be allowed under the Repurchase Mandate to repurchase a maximum of 158,639,145 Shares, representing 10% of the total number of Shares in issue as at the date of passing of the relevant resolution at the AGM.

REASONS FOR SHARE REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING OF SHARE REPURCHASES

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

IMPACT OF SHARE REPURCHASES

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2012) in the event that the Repurchase Mandate is to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as this would, in the circumstances, have a material adverse effect on the working capital requirements or gearing levels of the Company.

SHARE PRICES

The highest and lowest prices at which the Shares traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Price per Share

* *Trading in the Shares on the Stock Exchange has been suspended since 9:00 a.m. on 30 March 2011. The closing price per Share as quoted on the Stock Exchange prior to the aforesaid date of suspension was HK\$2.180.*

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

To the best of their knowledge having made all reasonable enquiries, none of the Directors nor any of their respective associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

No connected persons of the Company have notified the Company that they have a present intention to sell any Shares to the Company nor have undertaken not to sell any of the Shares held by them to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If, as a result of share repurchase made by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, the Shareholder, or a group of the Shareholders acting in concert with him (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholders' interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Boom Instant Limited, a substantial shareholder of the Company, together with its associates, are interested in an aggregate of 1,075,207,218 Shares, representing approximately 67.78% of the then issued share capital of the Company (and 75.31% of the issued share capital of the Company if the Repurchase Mandate is exercised in full). On the basis of the shareholding interest of Boom Instant Limited in the Company, an exercise of the Repurchase Mandate in full would not result in it becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Board will ensure that the Company will maintain a 25% public float as required under Rule 8.08 of the Listing Rules.

Save as disclosed above, the Board is not aware of any consequences which would arise under the Takeovers Code as a result of any repurchases pursuant to the Repurchase Mandate.

The Company had not purchased any shares, whether on the Stock Exchange or otherwise, in the six months preceding the Latest Practicable Date.
