8. Extension of Closing Date

Pursuant to Rule 22.6 of the Code, after an Offer has become or is declared unconditional as to acceptances, the Offer must remain open for acceptance for not less than 14 days after the date on which the Offer would otherwise have closed.

Accordingly, the closing date of the Offer has been extended from 5.30 p.m. (Singapore time) on 26 May 2014 to **5.30 p.m. (Singapore time) on 9 June 2014**, or such later date(s) as may be announced from time to time by or on behalf of the Offeror ("**Closing Date**").

10. Confirmation of Financial Resources

The Joint Financial Advisers confirm that sufficient financial resources are available to the Offeror to satisfy full acceptances of the Offer on the basis of the Final Offer Price.

11. Compulsory Acquisition

Pursuant to Section 215(1) of the Companies Act, in the event that the Offeror receives valid acceptances of the Offer or acquires such number of Offer Shares during the Offer period otherwise than through valid acceptances of the Offer in respect of not less than 90% of the total number of Shares in issue as at the close of the Offer (other than those already held by the Offeror, its related corporations or their respective nominees as at the date of the Offer), the Offeror would be entitled to exercise the right to compulsorily acquire all the Offer Shares of the Shareholders who have not accepted the Offer as at the close of the Offer ("**Dissenting Shareholders**").

As stated in the Offer Document, the Offeror, when entitled, intends to exercise its right of compulsory acquisition under Section 215(1) of the Companies Act and thereafter proceed to delist CMA from the SGX-ST.

Dissenting Shareholders have the right under and subject to Section 215(3) of the Companies Act, to require the Offeror to acquire their Shares in the event that the Offeror, its related corporations or their respective nominees acquire, pursuant to the Offer or otherwise, such number of Shares which, together with the Shares held by the Offeror, its related corporations or their respective nominees, comprise 90% or more of the total number of issued Shares as at the close of the Offer. Dissenting Shareholders who wish to exercise such right are advised to seek their own independent legal advice.

12. Delisting

The Offeror and CapitaLand intend to make CMA a wholly-owned subsidiary of CapitaLand and do not intend to preserve the listing status of CMA.

Under Rule 1303(1) of the Listing Manual, if the Offeror and its Concert Parties succeed in holding more than 90% of the Shares in issue, whether through acceptances of the Offer or otherwise, the SGX-ST will suspend trading of the Shares on the SGX-ST at the close of the Offer.

Separately, Rule 723 of the Listing Manual requires CMA to ensure that at least 10% of all the Shares in issue be held by the public ("**Free Float Requirement**"). If the Free Float Requirement is not met, the SGX-ST may allow CMA a period of three months, or such longer period as the SGX-ST may agree, to raise the percentage of Shares in public hands to at least 10%, failing which CMA may be delisted from the SGX-ST.

As stated in the Offer Document, in the event that the Free Float Requirement is not satisfied at the close of the Offer, and the trading of the Shares on the SGX-ST is suspended at the close of the Offer, the Offeror and CapitaLand do not intend to support any action or take any steps to maintain the listing status of CMA or to restore the free float of the Shares consistent with their intention to delist CMA from the SGX-ST.
