Disclaimer

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events.

The information contained in this presentation has not been independently verified. No representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaMall Trust Management Limited (the "Manager") or any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use, reliance or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaMall Trust ("CMT") is not indicative of the future performance of CMT. Similarly, the past performance of the Manager is not indicative of the future performance of the Manager.

The value of units in CMT ("Units") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors should note that they will have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the Singapore Exchange Securities Trading Limited (the "SGX-ST"). It is intended that unitholders of CMT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for Units.

CMT's Issuer Rating ⁽⁷⁾		"A2"

(1) Due to the change in accounting policy, with effect from 1 January 2014, the key financial indicators except for gearing ratio (please see Note 2) are computed using consolidated results of CMT Group based on equity accounting method. The financial indicators as at 31 December 2013 have been restated accordingly.

(2) In accordance to Property Funds Appendix, CMT's proportionate share of its joint ventures borrowings and total deposited property are included when computing its gearing ratio.

(3) Funds raised ahead of the maturity of the existing borrowings of CMT are excluded from both borrowings and total deposited property for the purpose of computing the gearing ratio as the funds are set aside solely for the purpose of repaying the existing borrowings of CMT.

(4) Net Debt comprises Gross Debt less temporary cash intended for refinancing and capital expenditure and EBITDA refers to earnings before interest, tax, depreciation and amortisation.

(5) Ratio of net investment income at CMT Group before interest and tax over interest expense from 1 January 2014 to 31 March 2014.
