

SUMMARY

- The Offer Price has been determined at HK\$2.88 per Offer Share (exclusive of brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%).
- Based on the Offer Price of HK\$2.88 per Offer Share, the net proceeds from the Global Offering to be received by the Company, before exercise of the Over-allotment Option, and after deducting the underwriting fees and commissions and estimated expenses payable by the Company in relation to the Global Offering, is estimated to be approximately HK\$866.2 million.
- The Offer Shares initially offered under the Hong Kong Public Offer have been very significantly over-subscribed. A total of 13,635 valid applications have been received pursuant to the Hong Kong Public Offering on **white** and **yellow** Application Forms and through giving **electronic application instructions** to HKSCC via CCASS and to the **HK eIPO White Form** Service Provider under the **HK eIPO White Form** service (www.hkeipo.hk) for a total of 6,510,708,000 Hong Kong Offer Shares, equivalent to approximately 194.93 times of the total number of 33,400,000 Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering.
- Due to the very significant oversubscription in the Hong Kong Public Offering, the reallocation procedures as described in the section “Structure of the Global Offering — The Hong Kong Public Offering — Reallocation and clawback” in the Prospectus has been applied. As the number of Offer Shares validly applied for under the Hong Kong Public Offering is more than 100 times of the initial number of the Hong Kong Offer Shares, a total number of 133,600,000 International Placing Shares have been reallocated from the International Placing to the Hong Kong Public Offering. As a result of such reallocation, the number of Hong Kong Offer Shares has been increased to 167,000,000 Offer Shares, representing approximately 50% of the total number of Offer Shares initially available under the Global Offering (before any exercise of the Over-allotment Option).
- The Offer Shares initially offered under the International Placing have been significantly over-subscribed. As a result of the reallocation, the final number of the International Placing Shares is 167,000,000, representing approximately 50% of the total number of the Offer Shares available under the Global Offering (before any exercise of the Over-allotment Option). There has been an over-allocation of 50,100,000 Shares in the International Placing and such over-allocation will be covered by exercising the Over-allotment Option, which will be exercisable by the Joint Global Coordinators (on behalf of the International Underwriters), or by purchasing Shares in the secondary market at prices that do not exceed the Offer Price, or through stock borrowing arrangements or by a combination of these means.

- The Directors confirm that no Offer Shares have been allocated to applicants who are connected persons, directors or existing shareholders of the Company or their associates within the meaning of the Listing Rules. The International Placing is in compliance with the placing guidelines for equity securities as set out in Appendix 6 to the Listing Rules (the “**Placing Guidelines**”). No Offer Shares placed by or through the Joint Global Coordinators and the Underwriters under the Global Offering have been placed with any connected person (as such term is defined in the Listing Rules) of the Company or, save as disclosed in this announcement to any connected clients (as set out in paragraph 5(1) of the Placing Guidelines) or persons set out in paragraph 5(2) of the Placing Guidelines, whether in their own names or through nominees. No placee will, individually, be placed more than 10% of the enlarged issued share capital of the Company immediately after the Global Offering (before any exercise of the Over-allotment Option). None of the placees under the International Placing will become a substantial shareholder (as defined in the Listing Rules) of the Company after the International Placing and the number of Shares to be held by the public will satisfy the minimum percentage prescribed by Rule 8.08 of the Listing Rules. The Directors confirm that the three largest public shareholders of the Company do not hold more than 50% of the Shares held in public hands at the time of the Listing in compliance with Rules 8.08(3) and 8.24 of the Listing Rules.
- Based on the Offer Price of HK\$2.88 per Offer Share and pursuant to the cornerstone investment agreements with our Cornerstone Investors, the number of Offer Shares subscribed for by the Cornerstone Investors has now been determined. Pursuant to the cornerstone investment agreements with the Cornerstone Investors, the following table set out the number of Shares to be subscribed by the Cornerstone Investors:

		Approximate percentage of the Offer Shares offered pursuant to the Global Offering	Approximate percentage of the total issued share capital immediately following the completion of the Capitalization Issue and the Global Offering*

International Finance Corporation	25,500,000	7.6%	1.9%

Total		<u>22.9%</u>	<u>5.7%</u>

* Before any exercise of the Over-allotment Option

To the best of the Directors' knowledge, information and belief having made all reasonable enquires, each of the Cornerstone Investors and their respective ultimate beneficial owners is an Independent Third Party not connected with the Company and will not be a substantial shareholder of the Company upon Listing and during the period of six months following the Listing Date. Accordingly, the shareholdings of such Cornerstone Investors in the Company will be counted towards the public float of the Shares. Further, each of the Cornerstone Investors will be subject to restrictions on disposals of their Offer Shares during the period of six months following the Listing Date.

- In connection with the Global Offering, the Company has granted the Over-allotment Option to the International Underwriters, exercisable by the Joint Global Coordinators (on behalf of the International Underwriters). Pursuant to the Over-allotment Option, the Joint Global Coordinators have the right, exercisable at any time from the Listing Date until December 21, 2014, being the 30th day after the last day for lodging of applications under the Hong Kong Public Offering, to require the Company to allot and issue up to an aggregate of 50,100,000 additional Shares, representing approximately 15% of the Offer Shares initially available under the Global Offering, at the Offer Price to cover over-allocation in the International Placing, if any. As at the date of this announcement, the Over-allotment Option has not been exercised. In the event that the Over-allotment Option is exercised, an announcement will be made.

The Offer Price has been determined at HK\$2.88 per Offer Share (exclusive of brokerage of 1.0%, SFC transaction levy of 0.0027% and Stock Exchange trading fee of 0.005%).

NET PROCEEDS FROM THE GLOBAL OFFERING

Based on the Offer Price of HK\$2.88 per Offer Share, the net proceeds from the Global Offering to be received by the Company, before exercise of the Over-allotment Option, and after deducting the underwriting fees and commissions and estimated expenses payable by the Company in relation to the Global Offering, is estimated to be approximately HK\$866.2 million. The Company currently intends to apply such net proceeds as follows:

- approximately 30% (approximately HK\$259.9 million) to apply towards the expansion of our school network, in particular by developing new schools on our own in major cities in China;
- approximately 10% (approximately HK\$86.6 million) to apply towards the maintenance, renovation and upgrade of our existing schools, such as the boys’ schools on our Dalian campus;

- approximately 26% (approximately HK\$225.2 million) to apply towards the acquisition of schools, except for foreign national schools and preschools, in major cities in China to supplement our school network. We will consider various factors in selecting acquisition targets, including, among other things, the general socio-economic condition of the city in which a target school is located, the demand for international education in such city and its neighboring areas and the level of government support in promoting international education. We plan to open new schools using the premises and land acquired from the target schools. We do not intend to jointly operate such new schools with the relevant original school operators. We expect to be the sole sponsor of each of these new schools and have exclusive rights to operate each new school. We expect to consolidate the new schools into our Group using the same Contractual Arrangements. As of the Latest Practicable Date, we had not identified any specific acquisition target or confirmed the number and type of schools to be acquired or the timeframe for incurring the acquisition expenditure;
- approximately 24% (approximately HK\$207.9 million) to repay our bank loans as follows:

Bank	Amount (RMB)	Interest rate (per annum)	Maturity date	Usage
Bank of China	20.0 million	6.44%	December 19, 2014	Working capital purposes
Bank of Shanghai	45.0 million	6.00%	December 30, 2014	Working capital purposes
Hankou Bank	30.0 million	6.00%	April 18, 2015	Working capital purposes
Hankou Bank	58.5 million	6.77%	January 18, 2015	Working capital purposes

- approximately 10% (approximately HK\$86.6 million) as our working capital.

APPLICATIONS AND INDICATIONS OF INTEREST RECEIVED

The Company announces that the Offer Shares initially offered under the Hong Kong Public Offering have been very significantly over-subscribed. At the close of the application lists at 12:00 noon on Friday, November 21, 2014, a total of 13,635 valid applications including application on **white** and **yellow** Application Forms and through giving **electronic application instructions** to HKSCC via CCASS and to the **HK eIPO White Form** Service Provider under the **HK eIPO White Form** service (www.hkeipo.hk), for a total of 6,510,708,000 Hong Kong Offer Shares have been received, equivalent to approximately 194.93 times of the total number of 33,400,000 Hong Kong Offer Shares initially available for subscription under the Hong Kong Public Offering.

Of the 13,635 valid applications on **white** and **yellow** Application Forms and by **electronic application instructions** given to HKSCC via CCASS and to the **HK eIPO White Form** Service Provider under the **HK eIPO White Form** service for a total of 6,510,708,000 Hong Kong Offer Shares:

- a total of 13,035 valid applications for a total of 1,429,708,000 Hong Kong Offer Shares were for the Hong Kong Public Offering with an aggregate subscription amount based on the maximum Offer Price of HK\$3.07 (excluding brokerage, SFC transaction levy and Stock Exchange trading fee payable) of HK\$5 million or less, representing approximately 85.61 times of the total number of 16,700,000 Hong Kong Offer Shares initially available for allocation in pool A; and
- a total of 600 valid applications for a total of 5,081,000,000 Hong Kong Offer Shares were for the Hong Kong Public Offering with an aggregate subscription amount based on the maximum Offer Price of HK\$3.07 (excluding brokerage, SFC transaction levy and Stock Exchange trading fee payable) of more than HK\$5 million, representing approximately 304.25 times of the total number of 16,700,000 Hong Kong Offer Shares initially available for allocation in pool B.

25 applications have been rejected due to dishonoured cheques. 13 multiple or suspected multiple applications have been identified and rejected. No invalid application has been identified. No application for more than 50% of the Hong Kong Offer Shares initially available under the Hong Kong Public Offering (that is, more than 16,700,000 Hong Kong Offer Shares) has been identified.

Due to the very significant over-subscription in the Hong Kong Public Offering, the reallocation procedures as described in the section headed “Structure of the Global Offering — The Hong Kong Public Offering — Reallocation and clawback” in the Prospectus have been applied. As the number of Offer Shares validly applied for under the Hong Kong Public Offering is more than 100 times of the initial number of the Hong Kong Offer Shares, a total of 133,600,000 Offer Shares initially available under the International Placing have been reallocated to the Hong Kong Public Offering, so that the total number of the Hong Kong Offer Shares has been increased to 167,000,000 Shares, representing approximately 50% of the total number of the Offer Shares available under the Global Offering (before any exercise of the Over-allotment Option).

INTERNATIONAL PLACING

The Offer Shares initially offered under the International Placing have been significantly over-subscribed. As a result of the reallocation, the final number of Offer Shares available under the International Placing is 167,000,000, representing approximately 50% of the total number of the Offer Shares available under the Global Offering (before any exercise of the Over-allotment Option). There has been an over-allocation of 50,100,000 Shares in the International Placing and such over-allocation will be covered by exercising the Over-allotment Option, which will be exercisable by the Joint Global Coordinators (on behalf of the International Underwriters), or by purchasing Shares in the secondary market at prices that do not exceed the Offer Price, or through stock borrowing arrangements or by a combination of these means.

The Directors confirm that no Offer Shares have been allocated to applicants who are: (i) Directors, chief executive officer or existing beneficial owners of the Company and/or any of its subsidiaries; (ii) connected persons of the Company; or (iii) the associates of (i) or (ii) whether in their own name or through nominees. None of the Joint Sponsors, Underwriters and their respective affiliated companies and connected clients (as set out in the Placing Guidelines) has taken up any Shares for its own benefit under the International Placing. The Directors confirm that the International Placing is in compliance with the Placing Guidelines and no placee will, individually, be placed 10% or more of the enlarged issued share capital of the Company immediately after the Global Offering. As such, the Directors confirm that there will not be any new substantial Shareholder immediately after the Global Offering, and the number of Shares in public hands will satisfy the minimum percentage prescribed by Rule 8.08 of the Listing Rules.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, the Company has granted the Over-allotment Option to the International Underwriters, exercisable by the Joint Global Coordinators (on behalf of the International Underwriters), at any time from the Listing Date until December 21, 2014, being the 30th day after the last day for lodging of applications under the Hong Kong Public Offering, to require the Company to allot and issue up to an aggregate of 50,100,000 additional Shares, representing approximately 15% of the Offer Shares initially available under the Global Offering, at the Offer Price to cover over-allocation in the International Placing, if any.
