
STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This prospectus is published in connection with the Hong Kong Public Offering as part of the Global Offering. Guosen Securities and ABCI Capital Limited are the Joint Global Coordinators of the Global Offering.

The Global Offering consists of (subject to reallocation and the Over-allotment Option):

- the Hong Kong Public Offering of 20,000,000 Shares (subject to reallocation as mentioned below) in Hong Kong as described below under the paragraph headed “Structure and Conditions of the Global Offering — The Hong Kong Public Offering”; and
- the International Placing of 180,000,000 Shares (subject to reallocation and the Over-allotment Option as mentioned below) outside the United States in reliance on Regulation S of the U.S. Securities Act as described below under the paragraph headed “Structure and Conditions of the Global Offering — The International Placing”.

Investors may apply for the Offer Shares under the Hong Kong Public Offering or indicate an interest, if qualified to do so, for the Offer Shares under the International Placing, but may not do both. The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. The International Placing will involve selective marketing of the Offer Shares to institutional and professional investors and other investors outside the United States in reliance on Regulation S of the U.S. Securities Act. The International Placing Underwriters are soliciting from prospective investors indications of interest in acquiring the Offer Shares in the International Placing. Prospective investors will be required to specify the number of Offer Shares under the International Placing they would be prepared to acquire either at different prices or at a particular price.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Placing respectively may be subject to reallocation as described in the paragraph headed “Structure and Conditions of the Global Offering — Pricing and allocation”.

PRICING AND ALLOCATION

Offer Price

The Offer Price will be not more than HK\$3.08 per Offer Share and is expected to be not less than HK\$2.46 per Offer Share, unless otherwise announced not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, as explained below. Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the indicative Offer Price range stated in this prospectus.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

Price payable on application

Applicants under the Hong Kong Public Offering must pay, on application, the maximum indicative Offer Price of HK\$3.08 per Hong Kong Offer Share plus a 1% brokerage fee, a 0.0027% SFC transaction levy and a 0.005% Stock Exchange trading fee. Each Application Form includes a table showing the exact amount payable on certain numbers of Offer Shares. If the Offer Price as finally determined in the manner described below, is less than HK\$3.08, appropriate refund payments (including the brokerage fee, the SFC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants without interest. See the paragraph headed “How to Apply for the Hong Kong Offer Shares — Refund of application monies” in this prospectus.

Determining the Offer Price

The International Placing Underwriters are soliciting from prospective investors indications of interest in acquiring the Offer Shares in the International Placing. Prospective investors will be required to specify the number of Offer Shares under the International Placing they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or about Monday, 6 July 2015.

The Offer Price is expected to be fixed by agreement between the Joint Global Coordinators (on behalf of the Underwriters) and our Company on the Price Determination Date, when market demand for the Offer Shares will be determined. The Price Determination Date is expected to be on or about Monday, 6 July 2015 and in any event, no later than Thursday, 9 July 2015.

If, for any reason, our Company and the Joint Global Coordinators (on behalf of the Underwriters) are unable to reach agreement on the Offer Price at or before 6:00 p.m. on Thursday, 9 July 2015, the Global Offering will not proceed and will lapse.

Reduction in the indicative Offer Price range and/or number of Offer Shares

If, based on the level of interest expressed by prospective institutional, professional and other investors during the book-building process, the Joint Global Coordinators (on behalf of the Underwriters) consider it appropriate and together with our consent, the indicative Offer Price range and/or the number of Offer Shares may be reduced below that stated in this prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offering.

In such a case, our Company will, as soon as practicable following the decision to make any such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published in The Standard (in English) and the Hong Kong Economic Times (in Chinese) notice of the reduction in the indicative Offer Price range and/or number of Offer Shares. Such notice will also include confirmation or revision, as appropriate, of the offering statistics as currently set out in the “Summary” section and any other financial information which may change as a result of such reduction. The Offer Price, if agreed

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

upon, will be fixed within such revised Offer Price range. In the absence of the publication of any such notice, the Offer Price shall under no circumstances be set outside the Offer Price range indicated in this prospectus.

Before submitting applications for Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the indicative Offer Price range and/or number of Offer Shares may not be made until the day which is the last day for lodging applications under the Hong Kong Public Offering.

Allocation

The Shares to be offered in the Hong Kong Public Offering and the International Placing may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Global Coordinators.

Allocation of the Offer Shares pursuant to the International Placing will be determined by the Joint Global Coordinators and will be based on a number of factors including the level and timing of demand, total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further, and/or hold or sell the Shares after Listing. Such allocation may be made to professional, institutional and corporate investors and is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a stable shareholder base to the benefit of our Company and our Shareholders as a whole.

Allocation of the Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. The allocation of Hong Kong Offer Shares could, where appropriate, consist of balloting, which would mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

Announcement of final Offer Price and basis of allocations

The applicable final Offer Price, the level of indications of interest in the International Placing and the basis of allocations of the Hong Kong Offer Shares are expected to be announced on Friday, 10 July 2015 in The Standard (in English) and the Hong Kong Economic Times (in Chinese).

Results of allocations in the Hong Kong Public Offering, including the Hong Kong identity card/passport/Hong Kong business registration numbers of successful applicants (where applicable) and the number of Hong Kong Offer Shares successfully applied for under **WHITE** and **YELLOW** Application Forms, or by giving **electronic application instructions** to HKSCC or by applying

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

online through the **HK eIPO White Form** Service Provider under the **HK eIPO White Form** service, will be made available through a variety of channels as described in the paragraph headed “How to Apply for the Hong Kong Offer Shares — Publication of results” in this prospectus.

CONDITIONS OF THE HONG KONG PUBLIC OFFERING

Acceptance of all applications for the Offer Shares pursuant to the Hong Kong Public Offering will be conditional upon, among other things:

- the Listing Committee granting listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including the Shares which may be made available pursuant to the Capitalisation Issue and the exercise of the Over-allotment Option and any Shares which may fall to be issued upon the exercise of the options which may be granted under the Share Option Scheme);
- the Offer Price having been duly agreed on or about the Price Determination Date;
- the execution and delivery of the International Placing Underwriting Agreement on or around the Price Determination Date; and
- the obligations of the Underwriters under the International Placing Underwriting Agreement and the Hong Kong Underwriting Agreement having become unconditional and not having been terminated in accordance with their respective terms,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are waived on or before such dates and times) and in any event not later than 30 days after the date of this prospectus.

The consummation of each of the Hong Kong Underwriting Agreement and the International Placing Underwriting Agreement is conditional upon, among other things, the other becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived, prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will cause to be published by us in *The Standard* (in English) and the *Hong Kong Economic Times* (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the paragraph headed “How to Apply for the Hong Kong Offer Shares — Refund of application monies” in this prospectus. In the meantime, the application monies will be held in separate bank account(s) with the receiving bank or other bank(s) in Hong Kong licensed under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong) (as amended).

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

Share certificates for the Offer Shares are expected to be issued on Friday, 10 July 2015 but will only become valid certificates of title at 8:00 a.m. on the Listing Date, provided that (i) the Global Offering has become unconditional in all respects and (ii) the right of termination as described in the paragraph headed “Underwriting — Underwriting arrangements and expenses — The Hong Kong Public Offering — Grounds for termination” in this prospectus has not been exercised.

THE HONG KONG PUBLIC OFFERING

Number of Shares initially offered

Our Company is initially offering 20,000,000 Shares at the Offer Price, representing 10% of the 200,000,000 Shares initially available under the Global Offering, for subscription by the public in Hong Kong. Subject to adjustment as mentioned below, the number of Shares offered under the Hong Kong Public Offering will represent 2.5% of the total issued share capital of our Company immediately after completion of the Global Offering assuming the Over-allotment Option is not exercised. Completion of the Hong Kong Public Offering is subject to the conditions set out in the paragraph headed “Structure and Conditions of the Global Offering — Conditions of the Hong Kong Public Offering” above.

Allocation

For allocation purposes only, the Hong Kong Offer Shares initially being offered for subscription under the Hong Kong Public Offering (after taking into account any adjustment in the number of Offer Shares allocated between the Hong Kong Public Offering and the International Placing) will be divided equally into two pools (subject to adjustment of odd lot size), namely Pool A and Pool B, both of which will be allocated on an equitable basis to applicants who have applied for the Hong Kong Offer Shares. All valid applications that have been received for Hong Kong Offer Shares with a total amount (excluding the brokerage fee, the SFC transaction levy and the Stock Exchange trading fee) of HK\$5 million or below will fall into Pool A and all valid applications that have been received for Hong Kong Offer Shares with a total amount (excluding the brokerage fee, the SFC transaction levy and the Stock Exchange trading fee) of over HK\$5 million and up to the total value of Pool B, will fall into Pool B.

Applicants should be aware that applications in Pool A and Pool B are likely to receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. Applicants can only receive an allocation of Hong Kong Offer Shares from either Pool A or Pool B but not from both pools and may only apply for Hong Kong Offer Shares in either Pool A or Pool B. In addition, multiple or suspected multiple applications within either pool or between pools will be rejected. No application will be accepted from applicants for more than 10,000,000 Hong Kong Offer Shares (being 50% of the initial number of Hong Kong Offer Shares).

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

Reallocation

The allocation of the Shares between the Hong Kong Public Offering and the International Placing is subject to adjustment. If the number of Shares validly applied for in the Hong Kong Public Offering represents (i) 15 times or more but less than 50 times, (ii) 50 times or more but less than 100 times, and (iii) 100 times or more, of the number of Shares initially available under the Hong Kong Public Offering, the total number of Shares available under the Hong Kong Public Offering will be increased to 60,000,000, 80,000,000 and 100,000,000 Shares, respectively, representing 30% (in the case of (i)), 40% (in the case of (ii)) and 50% (in the case of (iii)), respectively, of the total number of Shares initially available under the Global Offering (before any exercise of the Over-allotment Option). In such cases, the number of Shares allocated in the International Placing will be correspondingly reduced, in such manner as the Joint Global Coordinators deem appropriate, and such additional Shares will be allocated to Pool A and Pool B equally.

If the Hong Kong Offer Shares are not fully subscribed, the Joint Global Coordinators have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Placing, in such proportions as the Joint Global Coordinators deem appropriate. In addition, the Joint Global Coordinators may reallocate Offer Shares from the International Placing to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering.

The Offer Shares to be offered in the Hong Kong Public Offering and the International Placing may, in certain circumstances, be reallocated as between these offerings at the discretion of the Joint Global Coordinators.

Applications

The Joint Global Coordinators (on behalf of the Underwriters) may require any investor who has been offered Shares under the International Placing, and who has made an application under the Hong Kong Public Offering, to provide sufficient information to the Joint Global Coordinators so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that it is excluded from any application for Shares under the Hong Kong Public Offering.

Each applicant under the Hong Kong Public Offering will also be required to give an undertaking and confirmation in the application submitted by him that he and any person for whose benefit he is making the application have not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any Offer Shares under the International Placing, and such applicant's application is liable to be rejected if the said undertaking or confirmation is breached or untrue (as the case may be) or it has been or will be placed or allocated Offer Shares under the International Placing.

References in this prospectus to applications, Application Forms, application monies or to the procedure for application relate solely to the Hong Kong Public Offering.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

THE INTERNATIONAL PLACING

Number of Offer Shares initially offered

The number of Shares to be initially offered for subscription under the International Placing will be 180,000,000 Shares, representing 90% of the Offer Shares initially available under the Global Offering (subject to adjustment and the Over-allotment Option). The International Placing is subject to the Hong Kong Public Offering becoming unconditional. The International Placing Shares will represent approximately 22.5% of our enlarged issued share capital immediately after completion of the Global Offering without taking into account any Shares which may be issued and allotted upon any exercise of the Over-allotment Option and the option which may be granted under the Share Option Scheme.

Allocation

Pursuant to the International Placing, the International Placing Underwriters will conditionally place the Shares with institutional and professional investors and other investors expected to have a sizeable demand for the Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S of the U.S. Securities Act. Allocation of Offer Shares pursuant to the International Placing will be effected in accordance with the “book-building” process described in paragraph headed “Determining the Offer Price” above in this section and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares, and/or hold or sell its Shares after Listing. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a stable shareholder base to the benefit of our Company and our Shareholders as a whole.

OVER-ALLOTMENT OPTION

Our Company is expected to grant to the International Placing Underwriters the Over-allotment Option, exercisable by the Joint Global Coordinators on behalf of the International Placing Underwriters, at any time and from time to time from the Listing Date, up to (and including) the date which is the 30th day after the lodging of applications under the Hong Kong Public Offering. An announcement will be made in the event that the Over-allotment Option is exercised. Pursuant to the Over-allotment Option, our Company may be required to issue up to 30,000,000 Shares, representing 15% of the number of Offer Shares initially available under the Global Offering, at the Offer Price to cover over-allocations in the International Placing, if any. The Joint Global Coordinators may also cover any over-allocations by purchasing Shares in the secondary market or by a combination of purchases in the secondary market and a partial exercise of the Over-allotment Option. Any such secondary market purchase will be made in compliance with all applicable laws, regulations and rules.

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

STOCK BORROWING AGREEMENT

ABCI Securities Company Limited, as the Stabilising Manager, or any person acting for it may choose to borrow Shares from Crystal Talent, under the Stock Borrowing Agreement, or acquire Shares from other sources, including the exercising of the Over-allotment Option. The Stock Borrowing Agreement will not be subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules provided that the requirements set forth in Rule 10.07(3) of the Listing Rules are to be complied with as follows:

- such stock borrowing arrangement with Crystal Talent will only be effected by the Stabilising Manager for settlement of over-allocations in the International Placing and covering any short position prior to the exercise of the Over-allotment Option;
- the maximum number of Shares borrowed from Crystal Talent under the Stock Borrowing Agreement will be limited to the maximum number of Shares which may be issued upon exercise of the Over-allotment Option;
- the same number of Shares so borrowed from Crystal Talent must be returned to it or its nominees on or before the third business day following the earlier of (i) the last day on which the Over-allotment Option may be exercised; (ii) the date on which the Over-allotment Option is exercised in full; and (iii) such earlier time as the parties may from time to time agree in writing;
- the stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws, listing rules and regulatory requirements; and
- no payment will be made to Crystal Talent by the Stabilising Manager or its authorised agents in relation to such stock borrowing arrangement.

STABILISATION

Stabilisation is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilise, the underwriters may bid for, or purchase, the new securities in the secondary market during a specified period of time to retard and, if possible, prevent any decline in the market price of the securities below the offer price. In Hong Kong, activity aimed at reducing the market price is prohibited and the price at which stabilisation is effected is not permitted to exceed the offer price.

In connection with the Global Offering, ABCI Securities Company Limited, as the Stabilising Manager, or any person acting for it, on behalf of the Underwriters, may, to the extent permitted by the applicable laws of Hong Kong or elsewhere, over-allocate or effect any other transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period after the Listing Date. Any market purchases of Shares will be effected in compliance with all applicable laws and regulatory

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

requirements. However, there is no obligation on the Stabilising Manager or any person acting for it to conduct any such stabilising activity, which if commenced, will be done at the absolute discretion of the Stabilising Manager and may be discontinued at any time. Any such stabilising activity is required to be brought to an end within 30 days of the last day for the lodging of applications under the Hong Kong Public Offering. The number of Shares that may be over-allocated will not exceed the number of Shares that may be sold under the Over-allotment Option, namely, 30,000,000 Shares, which is 15% of the number of Offer Shares initially available under the Global Offering.

Stabilising action will be entered into in accordance with the laws, regulations and rules in place in Hong Kong on stabilisation and stabilising action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilising) Rules under the SFO includes: (i) over-allocation for the purpose of preventing or minimising any reduction in the market price of the Shares; (ii) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of the Shares; (iii) purchasing or subscribing for, or agreeing to purchase or subscribe for, the Shares pursuant to the Over-allotment Option in order to close out any position established under (i) or (ii) above; (iv) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimising any reduction in the market price of the Shares; (v) selling or agreeing to sell any Shares in order to liquidate any position held as a result of those purchases; and (vi) offering or attempting to do anything described in (ii), (iii), (iv) or (v).

Specifically, prospective applicants for and investors in the Shares should note that:

- the Stabilising Manager, or any person acting for it, may, in connection with the stabilising action, maintain a long position in the Shares and there is no certainty regarding the extent to which and the time period for which the Stabilising Manager, or any person acting for it, will maintain such a position;
- liquidation of any such long position by the Stabilising Manager may have an adverse impact on the market price of the Shares;
- no stabilising action can be taken to support the price of the Shares for longer than the stabilising period which will begin on the Listing Date following announcement of the Offer Price, and is expected to expire on the 30th day after the last date for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilising action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilising period by taking of any stabilising action; and

STRUCTURE AND CONDITIONS OF THE GLOBAL OFFERING

- stabilising bids may be made or transactions effected in the course of the stabilising action at any price at or below the Offer Price, which means that stabilising bids may be made or transactions effected at a price below the price paid by applicants for, or investors in, the Shares.

Our Company will ensure or procure that a public announcement in compliance with the Securities and Futures (Price Stabilising) Rules will be made within seven days of the expiration of the stabilising period.

In connection with the Global Offering, the Stabilising Manager may over-allocate up to and not more than an aggregate of 30,000,000 additional Shares and cover such over-allocations by exercising the Over-allotment Option, or by making purchases in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangements or a combination of these means. In particular, for the purpose of settlement of over-allocations in connection with the International Placing, the Stabilising Manager may borrow up to 30,000,000 Shares from Crystal Talent, equivalent to the maximum number of Shares to be issued on full exercise of the Over-allotment Option, under the Stock Borrowing Agreement.

SHARES WILL BE ELIGIBLE FOR CCASS

All necessary arrangements have been made enabling the Shares to be admitted into CCASS. If the Stock Exchange grants the listing of, and permission to deal in, the Shares and our Company complies with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the date of commencement of dealings in the Shares on the Stock Exchange or any other date HKSCC chooses. Settlement of transactions between participants of the Stock Exchange is required to take place in CCASS on the second business day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

DEALING ARRANGEMENTS

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Monday, 13 July 2015, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Monday, 13 July 2015. The Shares will be traded in board lots of 1,000 Shares.
