#### **PROFIT WARNING**

Auhui Tianda Oil Pipe Company Limited (the “**Company**”) hereby makes this announcement pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Insider Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong) (the “**SFO**”).

The Board of Directors of the Company (the “**Board**”) hereby inform shareholders of the Company and potential investors that, based on the currently available information, it is expected that the Company’s consolidated net profit for the six months ended 30 June 2015 (the “**Period**”) would be decreased compared to the corresponding period in 2014. The expected decrease in the consolidated net profit for the Period are mainly caused by: under the circumstances where the macro-economy is gloomy, the petroleum price was fluctuated at low level, the demand in the specialised pipe industry was weak and the competition is fierce, the Company actively adjusted the product mix structure and client bases structure in order to cope with changes in market demand and get rid of operating risks. Therefore, during the Period, the decrease in the Company’s sales volume and gross profit margin of the products were resulted.

The information contained in this announcement is only based on the preliminary assessment of the Company’s management on the Company’s unaudited management accounts and the information currently available to the Board, and the Company’s actual results for the Period may differ from those as disclosed in this announcement. Shareholders and potential investors are advised to read the Company’s interim results announcement that is expected to be published on 21 August 2015.

The Board is confident that the Company is able to achieve long-term stable development. Despite the decrease in the consolidated net profit for the Period, the Board hereby notifies shareholders that the Company’s production and operation, financial position and cash flows are keeping at stable level, and that the Company will continuously make use of various ways to explore business opportunities in the market, concentrate on the development of specialized industry and improve the profitability for the shareholders’ persistent high return. Looking forward, management is going to adopt high-efficient operation to improve profitability, and endeavour to increase the dividends payout for shareholders’ return, so as to enhance the shareholders’ confidence on the Company.
