### **PROFIT WARNING**

This announcement is made by Superb Summit International Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the information currently available and preliminary review of the unaudited consolidated management accounts of the Group, it is expected that its net losses for the six months ended 30 June 2015 will increase substantially as compared to that for the same period in 2014. The reasons for the significant increase in its net losses included (i) a substantial decrease in the revenue of the Group for the six months ended 30 June 2015 as the demand for and market price of coal declined in Mainland China resulted in the Group’s customers placing a significantly lower number of orders with the Group in order to mitigate the business risk relating to operating coal business; and (ii) the amortisation of the Group’s intangible assets.

As the Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2015, the information contained in this announcement is only a preliminary assessment by the Board based on the figures and information currently available, and have not been audited or reviewed by the Company's auditor and the audit committee of the Company. The Company expects to announce its interim results for the six months ended 30 June 2015 by the end of August 2015.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.**
