未經審核中期財務報告附註

1. Basis of presentation and accounting policies

This Interim Financial Report has been prepared in accordance with the applicable disclosure provisions of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited, including compliance with Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”). The Interim Financial Report should be read in conjunction with the consolidated financial statements for the year ended 31 December 2014 and was authorised for issuance on 19 August 2015.

The Interim Financial Report has been prepared in accordance with the same accounting policies adopted in the consolidated financial statements for the year ended 31 December 2014 except for accounting policy changes that are expected to be reflected in the 2015 annual financial statements. Details of these changes are set out below.

The HKICPA has issued the following amendments to Hong Kong Financial Reporting Standards (“HKFRSs”) that are first effective for the current accounting period of the Group. Of these, the following developments are relevant to the Group’s consolidated financial statements:

- Annual Improvements to HKFRSs 2010—2012 Cycle
- Annual Improvements to HKFRSs 2011—2013 Cycle

None of these developments has had a material effect on how the Group’s results and financial position for the current or prior periods have been prepared or presented. The Group has not applied any new standard or interpretation that is not yet effective for the current accounting period.

The preparation of the Interim Financial Report in conformity with HKAS 34 requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses on a year to date basis. Actual results may differ from these estimates.

Corporate Governance

Throughout the six months ended 30 June 2015, the Company has complied with the Corporate Governance Code as set out in Appendix 14 of the Listing Rules except for code provisions A.2.1 and A.6.7 as explained below.

Under the code provision A.2.1, the roles of chairman and chief executive officer (“CEO”) should be separated and should not be performed by the same individual. The division of responsibilities between the chairman and CEO should be clearly established and set out in writing. Mr. Li Jialin, one of the founders of the Group, currently holds the offices of chairman and CEO. The board believes that vesting the roles of both chairman and CEO in the same person will not impair the balance of power and authority between the directors and the management of the Company and considers that this structure will enable the Group to make and implement decisions promptly and effectively. The directors will meet regularly to consider major matters affecting the operations of the Company.

Under the code provision A.6.7, independent non-executive directors and non-executive directors should attend general meetings and develop a balanced understanding of the views of shareholders. Two Non-executive Directors were unable to attend the annual general meeting of the Company held on 19 May 2015 due to other important engagements.
