PROFIT WARNING

This announcement is made by Hong Kong Food Investment Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09 of the Listing Rules.

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the information currently available to the Board and the preliminary review of the latest unaudited consolidated management accounts of the Group, it is expected that the Group will record a loss attributable to equity holders of the Company for the six months ended 30 September 2015 as compared to a profit attributable to equity holders of the Company for the six months ended 30 September 2014. Based on information currently available to the Company, the Board considers that the expected loss is primarily attributable to (i) the expected decline in share of profits from associates for the six months ended 30 September 2015; and (ii) the absence of one-off gain on disposal of a property (as detailed in the announcement of the Company dated 29 May 2014) in the amount of approximately HK\$5,376,000 recognised for the six months ended 30 September 2014.

The Company has yet to finalise the unaudited interim results of the Group for the six months ended 30 September 2015. The information contained in this announcement is only based on the preliminary assessment by the management of the Company with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been reviewed or audited by the Company's auditors or the audit committee of the Company and subject to adjustment. The actual interim results of the Group for the six months ended 30 September 2015 may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 September 2015, which is expected to be published by the end of November of 2015.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
