## CLOSE OF OFFER PERIOD

Pursuant to the Possible Disposal and the Possible Subscription which, if proceeded with and eventually consummated, may result in the Company owning a controlling interest in the Buyer and therefore, the Company would ordinarily be obliged to make a mandatory general offer under Rule 26 of the Takeovers Code for all the issued shares of the Buyer (other than those already owned by or agreed to be acquired by the Company and parties acting in concert (as defined under the Takeovers Code) with it) unless a whitewash waiver (the “**Whitewash Waiver**”, together with the Possible Disposal and the Possible Subscription, the “**Whitewash Transaction**”) is granted by the Executive.

The Board would like to update the shareholders of the Company that, while the Company and the Buyer are still undergoing ongoing discussions, it is confirmed that the Possible Disposal and the Possible Subscription would not be proceeded with if the Whitewash Wavier is not granted by the Executive or the Whitewash Transaction is not approved by the independent shareholders of the Buyer.

Hence, for the purposes of the Takeovers Code, there will be no proposed or possible offer. As at the date of this announcement, the offer period which commenced on 16 October 2015 is thus closed.

**Shareholders and potential investors of the Company are advised that the parties are currently still in discussions in respect of the Possible Disposal and the Possible Subscription and no binding agreement has been entered into by the parties. Accordingly, there is no assurance that any transaction mentioned in the Announcements will materialise or ultimately be consummated. Shareholders and potential investors of the Company are urged to exercise extreme caution when dealing in the securities of the Company.**
