The number of Conversion Shares to which the Bondholder(s) is/are entitled on conversion of the Convertible Bonds shall be determined by dividing the principal amount of the Convertible Bonds to be converted by the Conversion Price.

Number of Conversion Shares to be issued	: Assuming full conversion of the Convertible Bonds at the initial Conversion Price, the Convertible Bonds will be convertible into 500,000,000 Conversion Shares, representing approximately 19.99% of the issued share capital of the Company as at the date of this announcement and approximately 16.66% of the issued share capital of the Company as enlarged by the issue of 500,000,000 Conversion Shares.

- (b) a discount of approximately 13.67% to the average closing price of HK\$0.151 per Share as quoted on the Stock Exchange for the five Trading Days of the Shares immediately prior to the Last Trading Day; and
- (c) a discount of approximately 14.58% to the average closing price of HK\$0.152 per Share as quoted on the Stock Exchange for the ten Trading Days of the Shares immediately prior to the Last Trading Day.

Assuming conversion of the Convertible Bonds into the Conversion Shares in full and after deducting the costs and expenses incurred in connection with the issue of the Convertible Bonds, it is estimated that the net proceeds from the issue of the Convertible Bonds is approximately HK\$64,800,000, representing a net issue price of approximately HK\$0.13 per Conversion Share.

- (f) issue any securities convertible into Shares (other than the Convertible Bonds) which carry rights of conversion into, or exchange or subscription for Shares by the Company or other person or entity at a consideration per Share which is less than 95% of the then current market price of the Shares.

ADJUSTMENT OF THE CONVERSION PRICE

While there may be change in the number of Conversion Shares if any of the adjustment events set out under sub-paragraph headed “Adjustment of the Conversion Price” above is triggered, the Company will try to ensure that the number of Conversion Shares would not exceed the number allowed under the General Mandate upon occurrence of the adjustment events.

The Directors are aware that the General Mandate will be fully utilised to its maximum limit upon Completion. In such events, the General Mandate may be insufficient to satisfy any issuance of additional Conversion Shares (if any) as a result of any adjustment in the number of Conversion Shares arising from any of the adjustment events in accordance with the terms and conditions of the Convertible Bonds. As such, the Company confirms and undertakes that it will not take corporate actions that would result in the number of Conversion Shares exceeding the mandate limit.

GENERAL MANDATE

By a resolution of the Shareholders passed at the annual general meeting of the Company held on 27 May 2015, the Company granted the General Mandate to the Directors to allot and issue not more than 500,060,552 Shares.
