Early termination:	the parties may terminate the Asset Management Scheme upon mutual agreement
Payment and return upon maturity:	the principal and investment income shall be paid to the investor within three working days after the date of maturity as set out in the relevant funding confirmation

REASONS FOR AND BENEFITS OF ENTERING INTO THE 2016 ASSET MANAGEMENT AGREEMENTS

The Asset Management Scheme offers better returns when compared to the fixed-term deposit interest rates offered by commercial banks in the PRC. The Board believes that the transaction contemplated under the 2016 Asset Management Agreements is on normal commercial terms and is fair and reasonable and is in the interests of the Group and the shareholders of the Company as a whole.

The Group has implemented adequate and appropriate internal control procedures to ensure that the subscription of any asset management scheme(s) would not affect the working capital or the operation of the Group, and such investments shall be conducted on the principle of protecting the interests of the Group and the shareholders of the Company.

LISTING RULES IMPLICATIONS

As the applicable percentage ratios (defined under the Listing Rules) exceed 5% but are less than 25%, the 2016 Subscription constitutes a discloseable transaction of the Company for the purposes of the Listing Rules and is subject to the reporting and announcement requirements under the Listing Rules.

None of the Directors has a material interest in the transaction contemplated under the 2016 Asset Management Agreements.
