PROFIT WARNING

This announcement is made by Tiangong International Company Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provision (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board (the “Board”) of directors (the “Directors”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on a preliminary assessment by the management of the Group on the unaudited consolidated management accounts of the Group for the five months ended 31 May 2016 (“Management Accounts”), the Company expects to record a significant decline in the Group’s profit for the six months ended 30 June 2016 (the “Period”) as compared to the same period in 2015. The decline was primarily attributable to (i) the weak global economic growth during the Period, leading to the decrease in demand; and (ii) the relatively low average selling price of the Group’s products after the negative impact on steel products during the year 2015, which is yet recovered to the average selling price level of the same period in 2015.

The information contained in this announcement is only based on a preliminary assessment by the management of the Group on the Management Accounts, which is yet to be finalised and has not yet been reviewed by the Company's auditors or the audit committee of the Company. Further details of the Company's performance will be disclosed when the interim results of the Company for the Period are announced. Despite the expected decline in the Group's profit for the Period due to the reasons mentioned above, the management considered that the position of the Group remains sound and healthy and the management is positive on the long-term prospect of the Group.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
