## **REASONS FOR THE DIRECT LEASING OF GULFSTREAM G650**

Minsheng Jiashi is mainly engaged in the provision of finance lease and the Transaction will increase its incomes. The Transaction also facilitates a stronger cooperation between Minsheng Jiashi and Gulfstream Aerospace with a view to securing more favourable terms in future business so as to strengthen the advantage of the Group in the finance lease of business aircrafts. Furthermore, the Transaction will be jointly and severally guaranteed by Oceanwide Group and carries low risks. The interest rate and fee of the Transaction are determined in accordance with the pricing policies of the Company and are not lower than that of its peers. Therefore, the Transaction is in the interests of the Company and its shareholders as a whole.

## **CONFIRMATION OF THE BOARD**

The Directors, including Independent Non-executive Directors, are of the view that the Transaction (i) was entered into in the ordinary and usual course of business of the Group (determined through arm's length negotiation and on terms not less favourable than those offered by independent third parties); (ii) is fair and reasonable; and (iii) is in the interests of the Company and its shareholders as a whole.

As Mr. Lu Zhiqiang, the vice chairman and a Non-executive Director of the Company, is the chairman and a shareholder of Oceanwide Group and is therefore deemed to be interested in the Transaction, he abstained from voting on the resolution of the Transaction at the Board meeting. Save as disclosed above, none of the Directors had material interests in the connected transaction and was therefore required to abstain from voting on the relevant resolution. The resolution was passed by the Directors by poll.
