This announcement does not constitute or form a part of any offer or solicitation to purchase or subscribe for securities in the United States. In connection with the Global Offering, Southwest Securities (HK) Brokerage Limited, as stabilisation manager (the “Stabilisation Manager”), its affiliates or any person acting for it, on behalf of the International Underwriters, may over-allocate or effect other transactions with a view to stabilising or maintaining the market price of the Shares at a level higher than that which might otherwise prevail in the open market for a limited period which begins on the Listing Date. However, there is no obligation on the Stabilisation Manager, or its affiliates or any person acting for it to do this. Such stabilising action, if taken, will be done at the sole and absolute discretion of the Stabilisation Manager and may be discontinued at any time, and must be brought to an end on the 30th day after the last day for lodging applications under the Hong Kong Public Offering. Such transactions, if commenced, may only be effected in Hong Kong in compliance with all applicable laws, rules and regulations in place, including the Securities and Futures (Price Stabilising) Rules, as amended, made under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong). The details of the intended stabilisation and how it will be regulated under the Securities and Futures Ordinance are set forth in the section headed “Structure of the Global Offering” in the Prospectus.

Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilisation period which begins on the Listing Date and is expected to expire on the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, no further stabilising action may be taken, the demand for the Shares, and therefore the price of the Shares, could fall.
