PROFIT WARNING

This announcement is made by Tic Tac International Holdings Company Limited (the “**Company**”) pursuant to the Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review on the unaudited consolidated results of the Company and its subsidiaries (the “**Group**”) for the six months ended 31 October 2016, the Group is expected to record a loss as compared to a profit in the corresponding period in 2015, mainly attributable to the decrease in revenue and gross profit, which the directors of the Company (the “**Directors**”) believed that was resulted from the consistent weakened consumption sentiment in the watch retailing environment and the comparatively stronger Hong Kong dollar against Renminbi.

The Company is still in the process of finalising the unaudited consolidated interim results of the Group for the six months ended 31 October 2016. The information contained in this announcement is only based on the preliminary review of the Company’s management accounts, which have not been finalised and are subject to further review by the Board. Detailed financial information and performance of the Group for the six months ended 31 October 2016 will be disclosed in its interim results announcement for such financial period, which is expected to be published before the end of December 2016.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
