**NOTICE OF ANNUAL GENERAL MEETING**

**INTRODUCTION**

At the AGM, the Notice of which is set out on pages 16 to 20 of this circular, resolutions will be proposed to re-elect Directors and grant the Directors the general mandates to issue and buy-back Shares.

## LETTER FROM THE BOARD

---

### RE-ELECTION OF DIRECTORS

In accordance with Article 101 of the Articles, Srinivas Bangalore Gangaiah, Hui Hon Hing, Susanna, Lee Chi Hong, Robert, Li Fushen, Frances Waikwun Wong and David Christopher Chance shall retire from office by rotation at the AGM and, being eligible, offer themselves for re-election.

Details of the Directors who are proposed to be re-elected at the AGM are set out in Appendix 1 to this circular. The re-election of these retiring Directors will be individually voted on by the Shareholders.

The Nomination Committee of the Company has reviewed and assessed the independence of all the independent non-executive Directors. The Nomination Committee has formed the view that all the independent non-executive Directors have met the independence guidelines set out in Rule 3.13 of the Listing Rules and have provided their respective annual confirmations of independence to the Company. In particular, the Directors are satisfied that Frances Waikwun Wong and David Christopher Chance, who shall retire from office at the AGM, and being eligible, offer themselves for re-election, remain independent and that they should be re-elected in view of their skills, experience and knowledge of the Group's businesses and their ability to exercise independence of judgment in relation to the Company's affairs, which continue to be of significant benefit to the Company.

### GENERAL MANDATES TO ISSUE AND BUY-BACK SHARES

Ordinary resolutions will be proposed at the AGM relating to the following general mandates:

- (i) authorizing the Directors to allot, issue and otherwise deal with additional Shares (and securities convertible into Shares and rights to subscribe for Shares) not exceeding 20% of the aggregate number of Shares in issue as at the date of passing the resolution;
- (ii) authorizing the Directors to buy-back Shares not exceeding 10% of the aggregate number of Shares in issue as at the date of passing the resolution; and
- (iii) authorizing the addition to the mandate to issue new Shares (referred to in (i) above) of those Shares bought-back by the Company pursuant to the buy-back mandate (referred to in (ii) above).

As at the Latest Practicable Date, the issued Shares comprised 7,719,638,249 Shares. On the assumption that there is no variation to the issued Shares during the period from the Latest Practicable Date to the date of passing of the resolution approving the mandate to issue new Shares (referred to in (i) above), the maximum number of Shares which may be issued pursuant to the mandate would be 1,543,927,649, not taking into account any additional new Shares which may be issued pursuant to the mandate referred to in (iii) above. Such number of Shares referred to above shall, where applicable, be adjusted in the event that the Shares in issue as at the date of passing the resolutions are, at any time thereafter, converted into a larger or smaller number of Shares.

---

## LETTER FROM THE BOARD

---

In accordance with the Listing Rules, and in particular the rules regulating the buy-back of securities on the Stock Exchange, the Company is required to send to Shareholders an explanatory statement containing information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolution to approve the buy-back by the Company of its Shares. This explanatory statement is set out in Appendix 2 to this circular.

In calculating the period mentioned for depositing the form of proxy, no account is to be taken of any part of a day that is a public holiday. Completion and return of the form of proxy shall not preclude Shareholders from attending and voting in person at the AGM (or any adjournment thereof) should they so desire.

Pursuant to Rule 13.39(4) of the Listing Rules and Article 71 of the Articles, the Chairman of the AGM will put each of the proposed resolutions set out in the Notice to be voted on by way of a poll. After the conclusion of the AGM, the results of the poll will be published on the website of Hong Kong Exchanges and Clearing Limited at [www.hkexnews.hk](http://www.hkexnews.hk) and the Company's website at [www.pccw.com/ir](http://www.pccw.com/ir).

Accordingly, the Directors recommend all Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

Buy-backs must be funded out of funds which are legally available for the purpose in accordance with the company's constitutional documents and the laws of Hong Kong.

### 2. ISSUED SHARES

As at the Latest Practicable Date, the issued Shares comprised 7,719,638,249 Shares.

Subject to the passing of Ordinary Resolution No. 6 set out in the Notice (the "**Buy-back Mandate**"), the Company would be allowed to buy-back a maximum of 771,963,824 Shares on the assumption that there is no variation to the issued Shares during the period from the Latest Practicable Date to the date of passing of the resolution approving the Buy-back Mandate. Such number of Shares referred to above shall, where applicable, be adjusted in the event that the Shares in issue as at the date of passing the resolution are, at any time thereafter, converted into a larger or smaller number of Shares.

### 3. REASONS FOR BUY-BACK

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to seek a general authority from Shareholders to enable the Company to buy-back Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net assets and/or its earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders as a whole.

## APPENDIX 2 EXPLANATORY STATEMENT ON BUY-BACK PROPOSAL

---

### 4. FUNDING OF AND IMPACT OF BUY-BACK

Buy-backs pursuant to the Buy-back Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any buy-backs will only be funded out of funds of the Company legally available for the purpose in accordance with the Articles and the laws of Hong Kong.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements) in the event that the Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

### 5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months up to the Latest Practicable Date were as follows:

## **APPENDIX 2      EXPLANATORY STATEMENT ON BUY-BACK PROPOSAL**

---

If as a result of a buy-back of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors do not intend to exercise the Buy-back Mandate to such an extent as would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory general offer under Rule 26 of the Takeovers Code and, accordingly, it is not anticipated that purchases of Shares under the Buy-back Mandate will give rise to any consequences under the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of an exercise of the Buy-back Mandate.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), presently intend to sell any Shares to the Company or its subsidiaries under the Buy-back Mandate in the event that the Buy-back Mandate is approved by Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them, to the Company in the event that the Buy-back Mandate is approved by Shareholders.

### **7.    SHARE BUY-BACKS MADE BY THE COMPANY**

The Company has not bought-back any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
