### APPENDIX

The following is the Explanatory Statement required to be sent to shareholders under the Listing Rules in connection with the proposed general mandate for buy-backs of shares and also constitutes the Memorandum required under section 239 of the Companies Ordinance.

1. It is proposed that up to 10 per cent of the Company's shares in issue at the date of the passing of the resolution to approve the general mandate may be bought back. As at 21st March 2017, the latest practicable date for determining such figure ("Latest Practicable Date"), the number of shares in issue was 166,324,850. On the basis of this figure (and assuming no shares are issued or bought back after 21st March 2017 and up to the date of passing such resolution) the Directors would be authorised to buy back up to 16,632,485 shares.

2. The Directors believe that the ability to buy back shares is in the interests of the Company and its shareholders.

Buy-backs may, depending on the circumstances, result in an increase in net assets and/or earnings per share. The Directors are seeking the grant of a general mandate to buy back shares to give the Company the flexibility to do so if and when appropriate. The number of shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

3. It is envisaged that the funds required for any buy-back would be derived from the distributable profits of the Company.

4. There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its published audited financial statements for the year ended 31st December 2016) in the event that the proposed share buy-backs were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the general mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. There are no Directors or (to the best of the knowledge of the Directors, having made all reasonable enquiries) any close associates (as defined in the Listing Rules) of Directors who have a present intention, in the event that the general mandate is granted by shareholders, to sell shares to the Company.

6. The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy back its own shares pursuant to the general mandate in accordance with the Listing Rules and the laws of Hong Kong.

7. If as the result of a buy-back of shares a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for purposes of the Hong Kong Code on Takeovers and Mergers ("Takeovers Code"). As a result, a shareholder, or group of shareholders acting in concert could, depending on the level of increase of shareholders' interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

8. The Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any buy-backs pursuant to the general buy-back mandate, save that in the event of full exercise of the buy-back mandate and the maintenance by Swire Pacific Limited of its present direct shareholding (amounting to approximately 74.99% of the total number of issued shares of the Company at the Latest Practicable Date) the present interest in 124,723,637 shares of the Company held by Swire Pacific Limited would exceed 75% and the percentage of the Company's total number of issued shares held by the public would fall below 25%. However, the Directors have no current intention to exercise the buy-back mandate to such an extent as would give rise to this situation.
9. No shares have been bought back by the Company in the previous six months (whether on the Stock Exchange or otherwise).
10. No core connected persons (as defined in the Listing Rules) of the Company have notified it of a present intention to sell shares of the Company to the Company and no such persons have undertaken not to sell any such shares to the Company in the event that the general mandate is granted by shareholders.
11. The highest and lowest prices at which shares of the Company have traded on the Stock Exchange in each of the previous twelve months are as follows:

	<b>Highest (HK\$)</b>	<b>Lowest (HK\$)</b>
March 2016	54.25	48.38
April 2016	50.45	48.05

June 2016	49.87	45.59
July 2016	50.02	46.94
