The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the four months ended 31 July 2017 (the "**July Management Accounts**"), the Group's net profit for the four months ended 31 July 2017 was more than that for the six months ended 30 September 2016. Such information has not been audited or reviewed by the Company's auditors. Further details of the Group's performance for the six months ending 30 September 2017 will be disclosed in the interim results announcement of the Company, which is expected to be published before the end of November 2017.
